The information set forth in the Prospectus under the caption "Summary - Conflicts of Interest and Other Relationships" and under the caption "Background and Reasons for and Alternatives to the Offer - Conflicts of Interest and Other Relationships" is incorporated herein by reference.

(i) **The Filing Person (NGT)**

(A) *The Filing Person and the Subject Company*

The filing person is the subject company.

Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC 14D9

(B) *The Filing Person and Executive Officers and Directors of the Subject Company*

The subject company has no executive officers or directors.

(C) *The Filing Person and Affiliates of the Subject Company*

NGT is administered by The Bank of New York Mellon Trust Company, N.A. as trustee (the Trustee). Because the powers of the Trustee are ministerial, the Trustee may not control NGT within the meaning of the definition of the term control set forth in Rule 12b-2 (Rule 12b-2) under the Securities Exchange Act of 1934, as amended (the Exchange Act). However, if the Trustee were deemed to control NGT, the Trustee would be deemed to be an affiliate of NGT, and for purposes of this Schedule, the Trustee is assumed to be an affiliate of NGT.

The Trustee has served as Trustee of NGT since October 2006, when The Bank of New York Trust Company, N. A. (now The Bank of New York Mellon Trust Company, N.A.) replaced JPMorgan Chase Bank, N.A. as trustee of NGT in connection with the sale by JPMorgan Chase Bank of substantially all of its corporate trust business to The Bank of New York. Upon being appointed Trustee, the Trustee succeeded to the various agreements governing NGT, including the Second Amended and Restated Trust Agreement of Eastern American Natural Gas Trust (incorporated by reference to exhibit 3.1 to NGT s Annual Report on Form 10-K for the year ended December

Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC 14D9

31, 1994, Commission File No. 1-11748) and the related conveyances, including the Term NPI Conveyance, and the Custodial Deposit Agreement and the Gas Purchase Agreement, each of which remains in effect at the date hereof, and each of which is filed herewith.

The Bank of New York Mellon Trust Company, N.A. also serves as trustee of ECT (the ECT Trustee). Because the powers of the ECT Trustee are ministerial, the ECT Trustee may not control ECT within the meaning of the definition set forth in Rule 12b-2. However, if the ECT Trustee were deemed to control ECT, the ECT Trustee would be deemed to be an affiliate of ECT, and for purposes of this Schedule, the ECT Trustee is assumed to be an affiliate of ECT.

Under the assumptions described above, NGT and ECT may be deemed to be affiliates, and they are assumed to be affiliates for purposes of this Schedule. There are no material agreements, arrangements or understandings, nor any actual or potential conflicts of interest, between NGT and ECT.

(D) *The Filing Person and the Offeror*

NGT was created in 1993 by ECA's wholly-owned subsidiary Eastern American Energy Corporation (which was subsequently merged into ECA) pursuant to the Trust Agreement and the related agreements described in NGT's Prospectus dated March 8, 1993, filed with the Securities and Exchange Commission on March 10, 1993 (Registration No. 33-56336). The material agreements remaining in effect at the date hereof are the Trust Agreement (incorporated by reference to exhibit 3.1 to NGT's Annual Report on Form 10-K for the year ended December 31, 1994, Commission File No. 1-11748), the Term NPI Conveyance, the Gas Purchase Agreement, and the Custodial Deposit Agreement, each of which is filed herewith.

The Trustee was required by the terms of the Trust Agreement to cause the sale of the Royalty NPI held by NGT (the Royalty NPI) no later than 2013. In accordance with the requirements of the Trust Agreement, the Trustee marketed the Royalty NPI in 2012 and entered into a Purchase and Sale Agreement with the highest bidder for the Royalty NPI (the October 24, 2012 Agreement), a copy of which is filed as exhibit 10.1 to NGT's Report on Form 8-K filed with the SEC on October 30, 2012 (Commission File 1-11748) and incorporated herein by reference. On November 5, 2012, ECA exercised its right of first refusal under the Trust Agreement to purchase the Royalty NPI on the terms set forth in the October 24, 2012 Agreement. As a consequence of ECA's exercise of its right of first refusal, the October 24, 2012 Agreement terminated in accordance with its terms, and NGT became obligated to sell the Royalty NPI to ECA for the purchase price determined by the October 24, 2012 Agreement. On January 3, 2013, NGT entered into a Purchase and Sale Agreement with ECA (the January 3, 2013 Agreement), a copy of which is filed as exhibit 10.1 to NGT's Report on Form 8-K filed with the SEC on January 9, 2013 (Commission File 1-11748). The sale of the Royalty NPI to ECA was completed on January 10, 2013. The price, after making the adjustment for gas price changes required by the October 24, 2012 Agreement, was \$5,917,275, and was paid in cash. The amount was determined by reference to the October 24, 2012 Agreement, which in turn was the result of a competitive bidding process. No material obligations remain to be fulfilled by either NGT or ECA under the January 3, 2013 Agreement.

The description of potential conflicts of interest between NGT and ECA set forth in NGT's Annual Report on Form 10-K for the year ended December 31, 2011 as filed with the SEC on March 9, 2012 (Commission File No. 1-11748), including those described in Item 1A Risk Factors, including those described under the caption ECA and the Trust may have conflicts of interest and in any subsequent filing by NGT with the SEC, is hereby incorporated by reference in further response to this Item.

Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC 14D9

Until March 26, 2012, Eastern Marketing Corporation was a wholly-owned subsidiary of ECA, and was a party to the Gas Purchase Agreement entered into for the benefit of NGT, a copy of which Gas Purchase Agreement is filed herewith. Effective March 26, 2012, Eastern Marketing Corporation was merged into ECA, with ECA being the surviving corporation, and ECA agreed to continue to perform as purchaser under the Gas Purchase Agreement for the benefit of NGT until the termination of NGT. The description of the Gas Purchase Contract set forth in Item 1 The Net Profits Interest Gas Purchase Contract in NGT's Annual Report on Form 10-K for the year ended December 31, 2011 as filed with the SEC on March 9, 2012 (Commission File No. 1-11748) and in any subsequent filing by NGT with the SEC, is hereby incorporated by reference in further response to this Item.

Until January 1, 2010, Eastern American Energy Corporation was a wholly-owned subsidiary of ECA. Effective January 1, 2010, Eastern American Energy Corporation was merged into ECA, with ECA being the surviving corporation, and consequently ECA became NGT's counterparty under the Trust Agreement and other substantive agreements governing NGT, each of which, to the extent remaining in effect, is filed herewith.

Item 4. *The Solicitation or Recommendation*

Regulation M-A Item 1012

(a) *Solicitation or Recommendation*

Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC 14D9

The filing person is the subject company, and is not making a recommendation and is expressing no opinion and is remaining neutral toward the Offer. On behalf of the subject company, the Trustee is not making a recommendation and is expressing no opinion and is remaining neutral toward the Offer.

(b) *Reasons*

The Trustee believes that each Depositary Unitholder should make his, her or its own decision based on all available information and his, her or its individual circumstances, regarding whether to tender Depositary Units in the Offer. The Trustee believes that most if not all Depositary Unitholders will have a preference for either (i) the relative certainty of the cash they are expected to receive as a result of holding their Depositary Units through the termination of NGT, or (ii) the opportunity to exchange their Depositary Units for units of beneficial interest in ECT, which is another royalty trust also sponsored by ECA.

As set forth in the Prospectus, Depositary Unitholders choosing not to tender in the Offer and who remain Depositary Unitholders as of the close of business on May 31, 2013 will, on or about June 17, 2013, as a result of the liquidation and winding down of NGT on May 15, 2013, receive the proceeds attributable to the mature Treasury Obligation (\$20.00 per trust unit). On or about August 15, 2013, such Depositary Unitholders will also receive their pro rata share of the net proceeds attributable to the sale of the perpetual net profits interest (also known as the Royalty NPI) (approximately \$0.95 per trust unit) sold by NGT on January 10, 2013, plus their pro rata share of revenues attributable to the term net

profits interest for the period beginning October 1, 2012 through May 15, 2013, less any costs and expenses or reserves of NGT during such period.

As set forth in the Prospectus, Depository Unitholders who exchange Depository Units in the Offer are expected to receive ECT Units at an exchange ratio designed by ECA to provide each Depository Unitholder with a value of \$22.55 based on the volume weighted average trading price of ECT on the New York Stock Exchange for the 10-day period ending on the 18th business day following commencement of the Offer in exchange for each Depository Unit.

The Trustee believes that some Depository Unitholders are likely to prefer to keep their Depository Units through the termination of the Trust in May 2013 in order to receive the cash proceeds of the Treasury Obligations and the other cash expected to be distributed by NGT in 2013 in connection with its termination. The Trustee believes that other Depository Unitholders are likely to want to exchange their Depository Units in the Offer in order to obtain and hold beneficial units in ECT, which is another royalty trust also sponsored by ECA.

The Trustee considered the facts that ECT has been publicly traded since July 2010, that ECA completed the drilling of the wells it was obligated to drill for the benefit of ECT in November 2011, and that substantial information about ECT is readily publicly available. The Trustee also considered the fact that Depository Unitholders who exchange their Depository Units in the Offer will not be contractually restricted from selling the ECT Units they receive upon consummation of the Offer in the open market if they choose to do so.

The Trustee believes that Depository Unitholders, as a result of their ownership of Depository Units, are likely to be reasonably familiar with the material characteristics of royalty trusts and with ECA, which was, directly or indirectly, the sponsor of both NGT and ECT, and is the operator of all or substantially all of the properties from which the interests held by NGT and ECT were created. The Trustee believes that Depository Unitholders are thus well-situated to evaluate the Offer in light of their personal preferences for the relative certainty of the cash distributions expected in connection with the termination of NGT in 2013 compared with the opportunity to exchange their Depository Units for ECT Units.

(c) *Intent to Tender*

Neither the filing person nor any affiliate of the filing person currently intends to tender, sell or hold any Depository Units that are held of record or beneficially owned by that person. The filing person has no executive officers, directors or subsidiaries.

Item 5. *Persons/Assets Retained, Employed, Compensated or Used*

Regulation M-A Item 1009

(a) *Solicitations or Recommendations*

Edgar Filing: EASTERN AMERICAN NATURAL GAS TRUST - Form SC 14D9

None of NGT, the Trustee or any person acting on their behalf has or currently intends to directly or indirectly employ, retain or compensate any person to make solicitations or recommendations to Depository Unitholders in connection with the Offer.

Item 6. *Interest in Securities of the Subject Company*

Regulation M-A Item 1008

(b) *Securities Transactions*

No transactions in the Depository Units have been effected by the filing person or, to the knowledge of the filing person, any affiliate of the filing person during the past 60 days. The filing person has no executive officers, directors or subsidiaries.

Item 7. Purposes of the Transaction and Plans or Proposals

Regulation M-A Item 1006

(d) *Subject Company Negotiations*

The filing person is the subject company. NGT, as the filing person and subject company, is not currently undertaking or engaged in any negotiations in response to the Offer that relate to, or would result in:

- (i) a tender offer for, or other acquisition of, Depositary Units by NGT or any other person,
- (ii) any extraordinary transaction, such as a merger, reorganization or liquidation, involving NGT,
- (iii) any purchase, sale or transfer of a material amount of assets of NGT or any of its subsidiaries, or
- (iv) any material change in the present dividend rate or policy, or indebtedness or capitalization, of NGT.

As described in the Prospectus, NGT will begin to liquidate and wind down on May 15, 2013 in accordance with its governing documents, and in January 2013 NGT sold a material amount of its assets as required by its governing documents. As described above in Item 3 of this Schedule, ECA exercised its right of first refusal under the Trust Agreement and was the purchaser of the assets, which consisted of the Royalty NPI. Neither the upcoming liquidation of NGT nor the sale of its assets as required by its governing documents is or was in response to the Offer.

There is no transaction, board resolution, agreement in principle, or signed contract that is or was entered into by NGT in response to the Offer that relates to one or more of the matters referred to in paragraph (d)(1) of Regulation M-A.

Item 8. Additional Information
