ITEM 6.

INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Under Section 78.7502(1) of the Nevada Revised Statutes, a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (except an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such action, suit or proceeding if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 78.7502(2) of the Nevada Revised Statutes further provides that a Nevada corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including amounts paid in settlement and attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of the action or suit if such person: (i) is not liable for a breach of fiduciary duties that involved intentional misconduct, fraud or a knowing violation of law; or (ii) acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation. Indemnification may not be made for any claim, issue or matter as to which such a person has been adjudged by a court of competent jurisdiction, after exhaustion of all appeals therefrom, to be liable to the corporation or for amounts paid in settlement to the corporation, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent that a director, officer, employee or agent of a Nevada corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (1) and (2) of Section 78.7502, as described above, or in defense of any claim, issue or matter therein, the corporation shall indemnify him or her against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense.

The Registrant's Amended and Restated Articles of Incorporation provide that no director or officer of the Registrant shall be personally liable to the Registrant or its shareholders for damages for breach of fiduciary duty as a director or officer, except for liability (i) for acts or omissions that involve intentional misconduct, fraud or a knowing violation of law, or (ii) for the payment of dividends in violation of the Section 300 of Chapter 78 of the Nevada Revised Statutes. The Amended and Restated Articles of Incorporation further provide that the liability of directors and officers of the Registrant shall be eliminated or limited to the fullest extent authorized by Nevada law, as amended.

The Registrant's Amended and Restated Bylaws, as well as individual indemnification agreements the Registrant has entered into with directors of the corporation:

Edgar Filing: TENET HEALTHCARE CORP - Form S-8

- provide for mandatory indemnification, to the fullest extent permitted by law, of any present or former director or officer of the Registrant or any of its affiliates or subsidiaries who has served as such a director or officer on or after November 5, 2008 (each, an indemnitee) for all expenses, liabilities, losses or other specified amounts resulting from a legal proceeding arising from any occurrence that takes place after November 5, 2008 and that relates to the fact that such indemnitee is or was a director or officer of the Registrant or any of its affiliates or subsidiaries or at the request of the Registrant served in one of several specified capacities with respect to another entity;

- provide that the Registrant is not required to indemnify an indemnitee in connection with any legal proceeding initiated by the indemnitee except under certain specified circumstances;
- require the advancement of expenses to an indemnitee upon receipt of an undertaking by the indemnitee to repay if it is ultimately determined that the indemnitee is not entitled to be indemnified by the Registrant;
- provide that (1) when making a determination of whether an indemnitee is entitled to indemnification under the Amended and Restated Bylaws, there is a presumption that the indemnitee is entitled to indemnification and the Registrant has the burden of proof to overcome that presumption, and (2) that, in an indemnitee's lawsuit to enforce his or her right to indemnification under the Amended and Restated Bylaws, the Registrant must prove with clear and convincing evidence that the indemnitee is not entitled to indemnification;
- require the Registrant to indemnify an indemnitee for expenses (and, if requested by an indemnitee, to advance such expenses on such terms and conditions as the Board deems appropriate) that are incurred by an indemnitee in a lawsuit to enforce the indemnitee's indemnification rights under the Amended and Restated Bylaws;
- provide that rights to indemnification under the Amended and Restated Bylaws are non-exclusive, have certain survival rights and are deemed to be contractual rights; and
- provide that the Registrant has the power to purchase insurance or make other financial arrangements on behalf of an indemnitee for any liability and any related expenses, except that no such financial arrangement may provide protection for a person adjudged by a court of competent jurisdiction to be liable for intentional misconduct, fraud or a knowing violation of law, except with respect to advancement of expenses or indemnification ordered by a court.

In addition, the Registrant has purchased insurance coverage to insure its directors and officers against certain liabilities that they may incur in their capacity as such.
