(the "Fund") will be held on Thursday, December 19, 2013, at the offices of Clifford Chance US LLP, 31 West 52nd Street, New York, New York 10019, at 10:00 a.m., New York time. A Notice and Proxy Statement regarding the Meeting, proxy card for your vote at the Meeting, and a postage prepaid envelope in which to return your proxy card are enclosed. The Notice and Proxy Statement regarding the Meeting are also available over the internet at <http://www.astproxyportal.com/ast/14192>.

At the Meeting, the Fund's stockholders will be asked to consider and vote on a proposal (the "Proposal") to approve a new investment management agreement (the "Proposed Agreement") between the Fund and Aberdeen Asset Management Asia Limited ("Aberdeen"). In addition, the stockholders who are present at the Meeting will hear an investment report on the Fund and will have an opportunity to discuss matters of interest to them.

As discussed in more detail in the enclosed Proxy Statement, the Board of Directors of the Fund (the "Board"), after deliberations over the past several months, has approved the Proposed Agreement between the Fund and Aberdeen. Following several recent changes at the Fund's current investment manager, Daiwa SB Investments (USA) Ltd. (the "Existing Investment Manager"), and at an affiliate of the Existing Investment Manager that provided services to the Fund, the Board decided to review the continued retention of the Existing Investment Manager. In this connection, the Board received and considered information about other potential investment managers by a consultant on retainer. After considering alternatives and conducting an analysis of the capabilities and credentials of Aberdeen, the Board approved the Proposed Agreement between the Fund and Aberdeen, subject to stockholder approval. Accordingly, you are being asked to approve the Proposed Agreement with Aberdeen.

- The Proposed Agreement will not have any effect on the number of Fund shares you own or the value of those Fund shares.
- The current contractual management fee rates will not increase under the Proposed Agreement.

The Proposed Agreement is not expected to result in any changes in the investment objective or investment policies of the Fund. The Fund will be managed in accordance with Aberdeen's equity investment process, which is described further in the enclosed Proxy Statement.

If you will not be able to attend the Meeting in person, please take the time now to review the accompanying materials and vote your shares by proxy. Your vote is important.

The independent directors have unanimously recommended that the stockholders vote in favor of approving the Proposed Agreement.

Respectfully,

/s/ Martin J. Gruber

THE FUND'S BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE IN FAVOR OF THE PROPOSAL.

The Proposal: TO APPROVE A NEW INVESTMENT MANAGEMENT AGREEMENT BETWEEN THE FUND AND ABERDEEN ASSET MANAGEMENT ASIA LIMITED

Background

After deliberations over the past several months, the Fund's Board, including all of the directors who are not "interested persons" (as defined under the 1940 Act) of the Fund (the "Independent Directors"), approved a new investment management agreement (the "Proposed Agreement") between the Fund and Aberdeen Asset Management Asia Limited ("Aberdeen"), a corporation organized under the laws of the Republic of Singapore and an investment adviser registered with the Securities and Exchange Commission (the "Commission") under the Investment Advisers Act of 1940, as amended. Aberdeen is a wholly owned subsidiary of Aberdeen Asset Management PLC ("Aberdeen PLC").

In light of the Board's concerns about several recent changes in personnel and business at the Fund's current investment manager, Daiwa SB Investments (USA) Ltd. (the "Existing Investment Manager"), and at an affiliate of the Existing Investment Manager that provided services to the Fund, the Fund's Board of Directors decided to review the continued retention of the Existing Investment Manager. The Board decided to retain a consultant to assist the Board in reviewing possible alternatives to the Existing Investment Manager. The consultant conducted a performance review of several potential managers and submitted a report back to the Board on the results of its work. Following review of this report, the Board arranged to obtain performance information on additional potential managers. After reviewing all of the performance information that had been obtained, the Board decided to submit request for proposals ("RFPs") to several of the potential managers, including the Existing Investment Manager and Aberdeen. Some of those that received RFPs declined to respond; and at the end of the RFP process, the Board received responses from four potential managers.

The materials received from the four candidates were made available to the Board prior to its meeting in September 2013. These materials discussed many different aspects of each candidate's investment management capabilities, including its past performance, its portfolio management team, its investment process, its compliance function, its support services and its proposed fees. At the September 2013 Board meeting, the Board decided to give further consideration to Aberdeen as a possible replacement for the Existing Investment Manager. Aberdeen was requested to provide additional information to the Board. The additional information was considered by the Board at a meeting in October 2013. At that meeting, the Board approved the engagement of Aberdeen as the Fund's investment manager, subject to stockholder approval.

The Board, including the Independent Directors, has determined that the termination of the existing agreement with the Existing Investment Manager (the "Existing Agreement") and the retention of Aberdeen as the Fund's investment manager are in the best interests of the Fund and its stockholders. If stockholders of the Fund do not approve the Proposed Agreement, the Fund will continue to exist as a registered investment management company that is managed in accordance with its stated investment objective and investment policies. In addition, the Existing Investment Manager will continue to serve as the Fund's investment manager under the Existing Agreement while the Board considers what, if any, steps to take in the best interests of the Fund.

Board Considerations

The Board, including the Independent Directors, approved the Proposed Agreement at a Board meeting on October 4, 2013. The Board determined that the terms of the Proposed Agreement are fair and reasonable and that the Proposed Agreement is in the best interests of the Fund. The Board believes that the scope and quality of services to be provided to the Fund under the Proposed Agreement will be at least equivalent to the scope and quality of services provided under the Existing Agreement. To reach its determination, the Board considered its duties under the 1940 Act, as well as under the general principles of state law in reviewing and approving advisory contracts;

the requirements of the 1940 Act; the fiduciary duty of investment advisers with respect to advisory agreements and compensation; the standards used by courts in determining whether investment company boards have fulfilled their duties; and the factors to be considered by the Board in voting on such agreements.

In light of the Board's concerns about several recent changes at the Existing Investment Manager, and at an affiliate of the Existing Investment Manager that provided services to the Fund, the Fund's Board of Directors decided to review the continued retention of the Existing Investment Manager. At a series of in-person and telephonic meetings over the course of several months, the Board conducted a search process involving the review of several potential investment managers, including the Existing Investment Manager and Aberdeen.

The information for each candidate included an overview of the candidate's credentials in the United States (particularly with regards to the candidate's experience managing closed-end funds registered in the United States) and Asia and comparative data showing the performance of the Fund as compared to the performance of comparable funds managed by each investment manager. During this time, the Board reviewed the one-, three- and five- year total return performance of the Fund as compared to the total return performance during the same periods of each potential investment manager, including Aberdeen. The Board also compared the information ratio, tracking error and total assets that each candidate managed in Japanese equities. Based on all the information provided to the Board, the Board concluded that Aberdeen had consistently outperformed the other investment manager candidates. At the Board's request, Aberdeen made a formal presentation to the Board at a meeting held on September 2, 2013. Thereafter, the Board requested additional information from Aberdeen. On October 4, 2013, the Board, all of whom are Independent Directors, had a meeting to discuss the detailed responses that Aberdeen had provided in response to this request. The Independent Directors also considered a draft of the Proposed Agreement at this meeting. At the conclusion of this meeting the Board unanimously approved the Proposed Agreement.

In reviewing the Proposed Agreement, the Board considered the nature, quality and extent of services to be provided by Aberdeen under the Proposed Agreement. The Board reviewed the qualifications of the portfolio management team and other key personnel of Aberdeen and determined that they are each qualified to perform the services in an efficient and professional manner. The Board also reviewed the services to be provided to the Fund by Aberdeen and its personnel. The Board also considered the representations of Aberdeen that the Fund and its stockholders would benefit from Aberdeen's extensive presence in Asia, as well as its core focus on regional and single-country investment vehicles. In light of the information presented and the considerations made at the various Board meetings, the Board concluded that the nature, quality and extent of services to be provided to the Fund by Aberdeen under the Proposed Agreement are expected to be in the best interest of the Fund and its stockholders.

The Board also considered the management fees payable under the Proposed Agreement. The Board noted that the management fees under the Proposed Agreement would be the same as the fees payable under the Existing Agreement. The Board also noted that, once Aberdeen became the Fund's investment manager, the Fund's administrator, which is an affiliate of Aberdeen, would no longer charge the Fund a fee for providing compliance services. The Board also reviewed the level of investment management fees proposed by Aberdeen relative to the fees charged to all other U.S. registered closed-end funds managed by Aberdeen or its affiliates ("Other Aberdeen Funds") and fees charged by Aberdeen to other clients with assets invested in Japan. The Board also reviewed the fees paid by comparable funds to other investment managers in the Japanese marketplace. The Board reviewed not only the investment management fees, but other fees and expenses of the Fund and the Fund's total expense ratio under the Existing Agreement and the Proposed Agreement. The Board also considered the Fund's expense ratio as compared to the expense ratios of Other Aberdeen Funds and other comparable funds. The Board noted that the Proposed Agreement includes breakpoints. The Board determined that the Proposed Agreement includes breakpoints that are identical to the breakpoints in the Existing Agreement (providing for two reductions in fee rate for average weekly assets of the Fund in excess of \$20 million and \$50 million) that effectively address any potential economies

of scale in the same manner as the Existing Agreement given the Fund's current asset levels. Based on the information presented on the fees under the Proposed Agreement, the Board concluded that the investment management fee to be charged by Aberdeen was reasonable and appropriate in light of the nature, quality and extent of services expected to be provided by Aberdeen and supported a decision to approve the Proposed Agreement.

The Board discussed whether Aberdeen was financially sound and had the resources necessary to fulfill its obligations under the Proposed Agreement. The Board determined that the analysis of Aberdeen's financial soundness and financial capability supported a decision to approve the Proposed Agreement.

In light of the information considered at the various Board meetings and the conclusions reached, the Board determined that the terms of the Proposed Agreement are fair and reasonable and that the approval of the Proposed Agreement, and the approval of Aberdeen as the Fund's investment manager, is in the best interests of the Fund. No single factor was determinative in the Board's analysis.

Accordingly, the Board recommends that the Fund's stockholders vote to approve the Proposed Agreement.

The Existing Agreement

The Existing Agreement is dated April 1, 1999 and was approved on September 16, 1999 by stockholders of the Fund in connection with a change in control of the Existing Investment Manager. The continuation of the Existing Agreement has been approved annually by the Board since 2001.

Summary of the Existing and Proposed Agreements

A copy of the Proposed Agreement is attached hereto as Annex A. Below is a brief comparison of certain terms of the Existing Agreement to the corresponding terms of the Proposed Agreement. Most of the terms of the Proposed Agreement, including fees payable to Aberdeen by the Fund thereunder, are substantially the same in all material respects to the terms of the Existing Agreement; however the Proposed Agreement includes a new effective date and provides for Aberdeen to be paid fees on any assets the Fund may obtain with the proceeds of borrowings, should the Fund decide to borrow in the future. The Fund does not expect to engage in borrowings in the foreseeable future.

Investment Management Services. The Proposed Agreement provides for Aberdeen to provide substantially the same investment management services as provided under the Existing Agreement. Aberdeen's duties under the Proposed Agreement include managing the Fund's investments, in accordance with the Fund's stated investment objective, policies and limitations and subject to the supervision of the Board, and making investment decisions on behalf of the Fund including the selection of and placing of orders with brokers and dealers to execute portfolio transactions on behalf of the Fund.

Fees. As was the case under the Existing Agreement, as compensation for its management and administrative services, Aberdeen will receive a monthly fee from the Fund under the Proposed Agreement. The fee rates under the Proposed Agreement are the same as the rates under the Existing Agreements, but those rates are applied to Managed Assets under the Proposed Agreement rather than net assets as under the Existing Agreement. This means that if the Fund borrows in the future it will pay fees on the assets acquired with the proceeds of the assets, which will effectively result in a higher fee as a percentage of net assets than under the Existing Agreement. The Fund does not expect to engage in borrowings in the foreseeable future. The Existing Agreement provides for a fee calculated at an annual rate of (1) 0.60% of the Fund's average weekly net assets for the first U.S. \$20 million, (2) 0.40% of the Fund's average weekly net assets for the next U.S. \$30 million and (3) 0.20% of the Fund's average weekly net assets in excess of U.S. \$50 million. The fee under the Proposed Agreement would be calculated at an annual rate of (1) 0.60% of the Fund's average weekly managed assets for the first U.S. \$20 million, (2) 0.40% of the Fund's average weekly managed assets for the next U.S. \$30 million and (3) 0.20% of the Fund's average

weekly net assets in excess of U.S. \$50 million. For purposes of this calculation, "managed assets" means the total assets of the Fund, including assets attributable to investment leverage, minus all liabilities, but not excluding any liabilities or obligations attributable to leverage obtained by the Fund for investment purposes through (i) the issuance or incurrence of indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities, and/or (iii) any other means, but not including any collateral received for securities loaned by the Fund. The Fund paid an aggregate amount of \$336,123 in investment management fees to the Existing Investment Manager under the Existing Agreement during the 12 months ended October 31, 2013. The Fund would have paid an aggregate amount of \$336,123 during the 12 months ended October 31, 2013 had the Proposed Agreement been in effect. If the Fund had \$100 million in assets, including \$25 million of borrowings, the fees for 12 months ended October 31, 2013 under the Existing Agreement and Proposed Agreement would have been \$290,000 and \$340,000, respectively.

Fees to Affiliates of Aberdeen. Aberdeen Asset Management Inc. ("AAMI"), an affiliate of Aberdeen, is the Fund's administrator, pursuant to an agreement under which AAMI receives a fee, payable quarterly, at an annual rate of 0.20% of the first \$60 million of the Fund's average weekly net assets, 0.15% of the next \$40 million and 0.10% of the excess over \$100 million. During the 12 months ended October 31, 2013, AAMI earned \$175,768 from the Fund for administration fees. During the last 12 months, AAMI also earned \$75,000 from the Fund for services provided by AAMI staff in implementing the Fund's compliance management system and the Fund's compliance review program.

Termination of Investment Advisory Agreement. Upon termination of the Existing Agreement, the advisory agreement (the "Advisory Agreement") between the Existing Investment Manager and Daiwa SB Investments Ltd. (the "Adviser") to provide advisory services to the Fund will automatically terminate. Pursuant to the Advisory Agreement, the Existing Investment Manager paid 60 percent of the fees it received from the Fund during the 12 months ended October 31, 2013 to the Adviser.

Proposed Advisory Arrangement for Aberdeen. In rendering investment advisory services, Aberdeen may use the resources of investment advisor subsidiaries of Aberdeen PLC. These affiliates will enter into a memorandum of understanding and any other agreements required under local law with Aberdeen pursuant to which investment professionals from each affiliate may render portfolio management, research or trading services to clients of Aberdeen, including the Fund, as associated persons of Aberdeen, subject to supervision by Aberdeen.

Payment of Expenses. As was the case under the Existing Agreement, the Proposed Agreement requires that Aberdeen bear all expenses of its employees (except for travel expenses incurred by employees of Aberdeen or its affiliates relating to attendance at meetings of the Board or the Fund's stockholders) and overhead incurred by Aberdeen in connection with its duties under the Proposed Agreement. Aberdeen will also pay all salaries and fees of the Fund's directors and officers who are interested persons (as defined in the 1940 Act) of Aberdeen or its affiliates. Under both the Existing and Proposed Agreements, the Fund bears all of its own expenses, including compensation of the directors of the Fund (other than those affiliated with Aberdeen) and any other expenses incurred by the Fund in connection with meetings of the Board; interest expense, taxes and other governmental fees; brokerage commissions and other expenses incurred in acquiring or disposing of the Fund's portfolio securities; expenses in connection with the offering of any securities issued by the Fund (including expenses of registering and qualifying the Fund's securities with the Commission and in various states and foreign jurisdictions); auditing, accounting, insurance and legal costs; custodian, dividend disbursing and transfer agent expenses; listing expenses; and the expenses of stockholders' meetings and of the preparation and distribution of proxies and reports to the Fund's stockholders.

Non-Exclusivity of Services. As was the case for the Existing Investment Manager under the Existing Agreement, under the Proposed Agreement, Aberdeen and its affiliates are permitted to provide similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. When other clients of Aberdeen desire to purchase or sell a security at the same time such security is purchased or sold for the Fund, such purchases and sales will be allocated among Aberdeen's clients, including the Fund, in a manner that is fair and equitable in Aberdeen's judgment in the exercise of its fiduciary obligations to the Fund and to such other clients.

Limitation of Liability. As was the case under the Existing Agreement, the Proposed Agreement provides that Aberdeen will not be liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which the Proposed Agreement relates, except for a loss resulting from a breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act) or a loss resulting from willful misfeasance, bad faith or gross negligence on its part in the performance of, or from reckless disregard by Aberdeen of its obligations and duties under, the Proposed Agreement.

Term and Continuance. The Existing Agreement had an initial term of two years and the Proposed Agreement has an initial term of two years. As was the case under the Existing Agreement, the Proposed Agreement may be continued after the initial term for successive one-year periods if such continuance is specifically approved by the Board at least annually in the manner required by the 1940 Act and the rules and regulations thereunder.

Termination. Each of the Existing Agreement and the Proposed Agreement provide that it will automatically terminate in the event of its assignment (as defined in the 1940 Act and the rules and regulations thereunder). As was the case under the Existing Agreement, the Proposed Agreement may be terminated at any time without the payment of any penalty by a vote of a majority of the Fund's Board or a majority of the outstanding voting securities upon at least 60 days' written notice to Aberdeen. While the Existing Agreement may be terminated by the Existing Investment Manager upon 60 days written notice to the Fund, Aberdeen is required to give at least 90 days written notice of termination of the Proposed Agreement.

ANNEX A

**FORM OF MANAGEMENT AGREEMENT
THE JAPAN EQUITY FUND, INC.
MANAGEMENT AGREEMENT
DATED AS OF _____, 2013**

AGREEMENT between The Japan Equity Fund, Inc. (the "Fund"), a Maryland corporation registered under the Investment Company Act of 1940, as amended (the "1940 Act"), and Aberdeen Asset Management Asia Limited, a Singapore corporation ("AAMAL" or the "Investment Manager").

WHEREAS, the Fund is a closed-end management investment company; and

WHEREAS, the Fund engages in the business of investing its assets in the manner and in accordance with its stated current investment objective and restrictions;

WHEREAS, the Fund desires to retain the Investment Manager to furnish certain investment advisory services, as described herein;

WHEREAS, the Investment Manager represents that it is willing and possesses legal authority to render such services subject to the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties agree as follows:

1. Obligations.

1.1 The Investment Manager will manage, in accordance with the Fund's stated investment objective, policies and limitations and subject to the supervision of the Fund's Board of Directors, the Fund's investments and will make investment decisions on behalf of the Fund including the selection of and placing of orders with brokers and dealers to execute portfolio transactions on behalf of the Fund. The Investment Manager shall give the Fund the benefit of the Investment Manager's best judgment and efforts in rendering services under this Agreement.

1.2 The Fund will pay the Investment Manager a fee at the annual rate of 0.60% of the Fund's average weekly Managed Assets for the first \$20 million of average weekly Managed Assets; 0.40% for average weekly Managed Assets between \$20 million and \$50 million; and 0.20% for average weekly Managed Assets in excess of \$50 million. For purposes of this calculation, "Managed Assets" of the Fund shall mean total assets of the Fund, including assets attributable to investment leverage, minus all liabilities, but not excluding any liabilities or obligations attributable to leverage obtained by the Fund for investment purposes through (i) the issuance or incurrence of indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities, and/or (iii) any other means, but not including any collateral received for securities loaned by the Fund. Such compensation shall be determined at the end of each week and payable at the end of each calendar month.

1.3 In rendering the services required under this Agreement, the Investment Manager may, at its expense, employ, consult or associate with itself such person or persons as it believes necessary to assist it in carrying out its obligations under this Agreement. However, the Investment Manager may not retain any person or company that would be an "investment adviser," as that term is defined in the 1940 Act, to the Fund unless (i) the Fund is a party to the contract with such person or company and (ii) such contract is approved by a majority of the Fund's Board of Directors and a

majority of Directors who are not parties to any agreement or contract with such person or company and who are not "interested persons," as defined in the 1940 Act, of the Fund, the Investment Manager,

A-1

or any such person or company retained by the Investment Manager, and is approved by the vote of a majority of the outstanding voting securities of the Fund to the extent required by the 1940 Act.

2. Expenses. The Investment Manager shall bear all expenses of its employees, except as provided in the following sentence, and overhead incurred in connection with its duties under this Agreement and shall pay all salaries and fees of the Fund's Directors and officers who are interested persons (as defined in the 1940 Act) of the Investment Manager or its affiliates. The Fund will bear all of its own expenses, including: expenses of organizing the Fund; listing expenses; fees of the Fund's Directors who are not interested persons (as defined in the 1940 Act) of any other party; out-of-pocket expenses for all Directors and officers of the Fund, including travel expenses incurred by the Investment Manager's employees or employees of the Investment Manager's affiliates, who serve as Directors and officers of the Fund, or a fraction thereof, to the extent such expenses relate to attendance at meetings of Directors and shareholders; and other expenses incurred by the Fund in connection with meetings of Directors and shareholders; interest expense; taxes and governmental fees including any original issue taxes or transfer taxes applicable to the sale or delivery of shares or certificates therefor; brokerage commissions and other expenses incurred in acquiring or disposing of the Fund's portfolio securities; expenses in connection with the issuance, offering, distribution, sale or underwriting of securities issued by the Fund; expenses of registering and qualifying the Fund's shares for sale with the Securities and Exchange Commission and in various states and foreign jurisdictions; auditing, accounting, insurance and legal costs; custodian, dividend disbursing and transfer agent expenses; and the expenses of shareholders' meetings and of the preparation and distribution of proxies and reports to shareholders.

3. Liability. The Investment Manager shall not be liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which this Agreement relates, except a loss resulting from a breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act) or a loss resulting from willful misfeasance, bad faith or gross negligence on its part in the performance of, or from reckless disregard by it of its obligations and duties under, this Agreement.

4. Services Not Exclusive. It is understood that the services of the Investment Manager are not deemed to be exclusive, and nothing in this Agreement shall prevent the Investment Manager or any affiliate, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. When other clients of the Investment Manager desire to purchase or sell a security at the same time such security is purchased or sold for the Fund, such purchases and sales will be allocated among the Investment Manager's clients, including the Fund, in a manner that is fair and equitable in the judgment of the Investment Manager in the exercise of its fiduciary obligations to the Fund and to such other clients.

5. Duration and Termination. This Agreement shall be effective as of the date first above written and continue for a two year period. Thereafter, if not sooner terminated, this Agreement continues for successive periods of twelve months thereafter, provided that each such continuance shall be specifically approved annually by the vote of a majority of the Fund's Board of Directors who are not parties to this Agreement or interested persons (as defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval and either (a) the vote of a majority of the outstanding voting securities of the Fund, or (b) the vote of a majority of the Fund's entire Board of Directors. Notwithstanding the foregoing, this Agreement may be terminated with respect to the Fund at any time, without the payment of any penalty, by a vote of a majority of the Fund's Board of Directors or a majority of the outstanding voting securities of the Fund upon at least sixty (60) days' written notice to the Investment Manager or by the Investment Manager upon at least ninety (90) days' written

notice to the Fund. This Agreement shall automatically terminate in the event of its assignment (as defined in the 1940 Act).

6. Representations of the Investment Manager. The Investment Manager is duly registered as an investment adviser under the Investment Advisers Act of 1940 and holds a Capital Markets Services Licence issued by with the Monetary Authority of Singapore, and will promptly advise the Fund of any change or prospective change in the status of those registrations.

7. Proxy Voting. The Investment Manager may exercise or procure the exercise of any voting rights or other powers and discretion conferred on the registered holder or the beneficial owner of any securities in the Fund. Provided always that all voting rights attached to interests held in Oversea-Chinese Banking Corporation Limited and Hong Leong Finance Limited shall be retained with the Fund and the Fund shall instruct the custodian directly on all voting matters related therein.

8. Miscellaneous.

8.1 This Agreement shall be construed in accordance with the laws of the State of New York, provided that nothing herein shall be construed as being inconsistent with the 1940 Act and any rules, regulations and orders thereunder.

8.2 This Agreement may not be amended by either party hereto without the prior written consent of the other party.

8.3 The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.

8.4 If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby and, to that extent, the provisions of this Agreement shall be deemed to be severable.

8.5 Nothing herein shall be construed as constituting the Investment Manager an agent of the Fund.

8.6 This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed effective as of the day and year first above written.
