**Announcement** | Lisbon | 22 July 2014

**Qualified Holding**

Portugal Telecom, SGPS S.A. ( PT ) informs that it was notified that Pictet Asset Management SA ( Pictet ) now holds less than 2% of the voting rights corresponding to the share capital of PT.

Such new holding resulted from the disposal, by Pictet, on 16 July 2014, on regulated market, of a total of 2,115,403 PT ordinary shares.

Additionally, PT was informed that, as a result of the above mentioned transaction, a holding corresponding to 16,130,954 ordinary shares representing 1.80% of PT 's share capital and corresponding voting rights is now attributed to Pictet.

This statement is pursuant to the terms and for the purposes of article 17 of the Portuguese Securities Code and the Portuguese Securities Commission Regulation no. 5/2008, following a communication received from Pictet, with registered office at Route des Acacias 60, 1211 Genève 73, Switzerland.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
