**Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On February 23, 2016, the Audit Committee of the Board of Directors of Bunge Limited (the Company), acting on the recommendation of management, and after consultation with Deloitte & Touche LLP, the Company's independent registered public accounting firm, concluded that the Company should amend and restate its previously issued interim consolidated financial statements contained in its Quarterly Report on Form 10-Q for the quarter ended September 30, 2015 solely to reflect a reclassification of cash received from the settlement of net investment hedges from operating cash flows to investing cash flows in the Condensed Consolidated Statement of Cash Flows. As a result, our previously filed interim consolidated financial statements for the quarter ended September 30, 2015 should no longer be relied upon. The impact of the reclassification on other previously reported periods was immaterial.

On the date hereof, the Company is filing an amended Quarterly Report on Form 10-Q/A for the quarter ended September 30, 2015 to reflect the reclassification described above. The reclassification does not affect the Company's previously reported volumes, gross profit, segment operating profit, net income or earnings per share or Bunge's balance sheets for any period. Additionally, the Consolidated Statements of Cash Flows for the twelve-month period ended December 31, 2015 included in the Company's 2015 Annual Report on Form 10-K also to be filed on the date hereof, as well as the Company's previously issued earnings announcement for the fourth quarter of 2015, reflect the reclassification and are correct as presented.

The following table summarizes the effects of the reclassification (U.S. dollars in millions):

	As Reported	Nine Months Ended September 30, 2015 Restatement	As Restated
<b>OPERATING ACTIVITIES</b>			
Other, net	\$ 121	\$ (106)	\$ 15
Cash provided by (used for) operating activities	633	(106)	527
<b>INVESTING ACTIVITIES</b>

Cash provided by (used for) investing activities	(417)	106	(311)

This Current Report on Form 8-K includes information that constitutes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on the Company's current beliefs, assumptions and expectations regarding future events, which in turn are based on information currently available to the Company. A variety of factors could cause actual events and results, as well as the Company's expectations regarding materiality or significance, the restatement's quantitative effects and the timing of the filing of future reports with the Securities and Exchange Commission (SEC), to differ materially from those expressed in or contemplated by the forward-looking statements. These factors include, without limitation, the risk that additional information may become known prior to the expected filing with the SEC of the amended Quarterly Report on Form 10-Q/A or Form 10-K or that other subsequent events may occur that would require the Company to make additional adjustments to its financial statements. Other risk factors affecting the Company are discussed in detail in the Company's filings with the SEC, including its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. We undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except to the extent required by applicable securities laws.
