Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Election of New Director

At the annual meeting of stockholders of Veeco Instruments Inc. (Veeco) held on May 5, 2016 (the Annual Meeting), Veeco stockholders elected Thomas St. Dennis, age 62, to Veeco s Board of Directors and reelected John R. Peeler to the Board.

Mr. St. Dennis is the Chairman of FormFactor, Inc., a leading provider of semiconductor wafer test technologies and expertise. Mr. St. Dennis served as FormFactor s Chairman and Chief Executive Officer from September 2010 to December 2014, and as FormFactor s Executive Chairman from January 2015 to February 2016. Mr. St. Dennis held various positions at Applied Materials, Inc., a semiconductor equipment manufacturer, from 1992 to 1999 and again from 2005 to 2009. His most recent role at Applied Materials was Senior Vice President and General Manager of the Silicon Systems Group. From 1999 to 2003, Mr. St. Dennis was President and CEO of Wind River Systems, Inc., a provider of embedded system software, and from 2003 to 2005, Mr. St. Dennis was Executive Vice President of Sales and Marketing at Novellus Systems, Inc., a supplier of deposition, thermal processing and surface preparation equipment. In addition to serving on the Board of FormFactor, Mr. St. Dennis currently serves on the Boards of Axcelis Technologies, Inc., a provider of equipment and services to the semiconductor manufacturing industry, and Mattson Technology, Inc., a supplier of dry strip and rapid thermal processing equipment.

Mr. St. Dennis has extensive board experience and has held several executive positions in the technology and semiconductor industries. Mr. St. Dennis is a proven technology executive with experience in systems, software and services, together with product development, manufacturing and international distribution. His background and experiences will make Mr. St. Dennis an effective advisor and valued member of the Veeco Board.

In connection with his election as director, the Board appointed Mr. St. Dennis to the Audit Committee and the Strategic Planning Committee and determined that he is independent, financially literate and an Audit Committee Financial Expert under applicable SEC and Nasdaq rules.

Consistent with Veeco s director compensation policy, Mr. St. Dennis was granted 7,005 restricted shares of Veeco common stock, the restrictions on which will lapse on the earlier of the first anniversary of the grant date and the date immediately preceding the 2017 Annual Meeting of Stockholders.

Veeco also entered into its standard form of indemnification agreement with Mr. St. Dennis on substantially the same terms as those entered into with our other directors and executive officers.

Reduction in Size of Board, Audit Committee and Compensation Committee; Lead Director

Following the sudden death of Susan Wang in March, 2016, the Board voted to:

Edgar Filing: VEECO INSTRUMENTS INC - Form 8-K

- further decrease the size of the Board from seven to six directors,
- reduce the size of the Compensation Committee from three to two directors, and
