Item 1.01 Entry into a Material Definitive Agreement.

On June 7, 2016, Dermira, Inc. (the *Company*) entered into an underwriting agreement (the *Underwriting Agreement*) with Leerink Partners LLC, Cowen and Company, LLC and Guggenheim Securities, LLC, as representatives of several underwriters named on Schedule II thereto (the *Underwriters*), pursuant to which the Company agreed to issue and sell an aggregate of 4,500,000 shares of its common stock (the *Shares*) to the Underwriters (the *Offering*). The Shares will be sold at a per share public offering price of \$28.00. Pursuant to the Underwriting Agreement, the Company also granted the Underwriters a 30-day option to purchase up to an additional 675,000 shares of its common stock. The Underwriting Agreement contains customary representations and warranties, conditions to closing, market standoff provisions, termination provisions and indemnification obligations, including for liabilities under the Securities Act of 1933, as amended. The Offering will be made pursuant to a shelf registration statement on Form S-3 (File No. 333-207755) that was filed by the Company with the Securities and Exchange Commission (*SEC*) on November 2, 2015, as amended by Amendment No. 1 filed with the SEC on November 13, 2015 and declared effective by the SEC on November 24, 2015.

The Company estimates that net proceeds from the Offering will be approximately \$118.0 million, after deducting the underwriting discounts and commissions and estimated Offering expenses, and assuming no exercise of the Underwriters' option to purchase additional shares. The Company currently intends to use the net proceeds from the Offering for external and personnel-related research and development expenses associated with the development of and potential regulatory submissions for the Company's Cimzia, DRM04 and DRM01 product candidates, external and personnel-related commercialization expenses associated with the potential launches of the Company's product candidates, including the establishment or expansion of the Company's sales, marketing, medical affairs and supply chain functions and activities, and working capital, capital expenditures and other general corporate purposes. Additionally, the Company may use a portion of the net proceeds from the Offering to expand the Company's business by in-licensing or acquiring, as the case may be, commercial products, product candidates, technologies, compounds, other assets or complementary businesses; however, the Company has no current commitments or obligations to do so. The Company expects the Offering to close on June 13, 2016, subject to customary closing conditions.

The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement. A copy of the Underwriting Agreement is filed with this Current Report on Form 8-K as Exhibit 1.1 and is incorporated herein by reference.

A copy of the opinion of Fenwick & West LLP, relating to the validity of the Shares in connection with the Offering, is filed with this Current Report on Form 8-K as Exhibit 5.1.

Item 8.01. Other Events.

On June 8, 2016, the Company issued a press release announcing the pricing of the Offering. A copy of the press release is filed with this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.
