Item 1.01. Entry into a Material Definitive Agreement.

Asset Purchase Agreement

On February 15, 2017, PHH Corporation (PHH, the Company, we or our) announced that it entered into an asset purchase agreement (the Asset Purchase Agreement) with Guaranteed Rate Affinity, LLC, a Delaware limited liability company (Buyer), PHH Home Loans, LLC, in which PHH owns a 50.1% interest (PHH Home Loans), and RMR Financial, LLC, a wholly-owned subsidiary of PHH Home Loans (RMR). PHH Home Loans is a joint venture with a wholly owned subsidiary of Realogy Holdings Corp. (Realogy), in which PHH owns a 50.1% interest and Realogy owns a 49.9% interest. Buyer is a new joint venture formed by subsidiaries of Realogy and Guaranteed Rate, Inc., a Delaware corporation (GRI). Buyer has agreed, subject to the terms and conditions set forth in the Asset Purchase Agreement, to acquire certain assets and liabilities held by PHH Home Loans and RMR for a cash purchase price of \$70 million to be paid to PHH Home Loans (the Asset Sale). The Asset Sale will be effected over five closings, with 20% of the purchase price to be paid at each closing. The first closing of the Asset Sale is targeted to occur in June of 2017.

After completion of the Asset Sale and the JV Interests Purchase (as defined below), the Company intends to monetize the net investment in PHH Home Loans. The Company expects to receive \$35 million in net proceeds from its share of distributions resulting from the Asset Sale, together with \$57 million in net proceeds from the JV Interests Purchase and subsequent monetization of its net investment in PHH Home Loans, before PHH s share of costs associated with the wind-down of PHH Home Loans.

The completion of the Asset Sale is subject to certain closing conditions, including (i) PHH stockholder approval, (ii) the consummation of a specified portion of PHH s previously announced sale of its portfolio of mortgage servicing rights and related advances to New Residential Mortgage LLC, (iii) the licensing of Buyer in certain jurisdictions, (iv) the receipt of approvals from Freddie Mac, Fannie Mae and certain other investors, (v) the acceptance by PHH Home Loans employees (including loan originators) as set forth on a schedule to the Asset Purchase Agreement who receive employment offers from Buyer, and (vi) other customary conditions. There is no financing condition to the Asset Sale.

The Board of Directors of PHH has unanimously approved and adopted the Asset Purchase Agreement and has agreed to recommend that PHH s stockholders approve and adopt the Asset Purchase Agreement, subject to certain exceptions set forth in the Asset Purchase Agreement.

The Asset Purchase Agreement contains representations, warranties and covenants of the parties that are customary for transactions of this type. Pursuant to the Asset Purchase Agreement, PHH Home Loans will indemnify Buyer for pre-closing liabilities relating to the acquired assets and Buyer will indemnify PHH Home Loans for post-closing liabilities relating to the acquired assets. In addition, each party will indemnify the other for breaches of certain of its representations, warranties and covenants.

The Asset Purchase Agreement also contains certain termination rights and provides that upon termination in certain circumstances, PHH will pay Buyer a termination fee either of 3.5% of the purchase price under the Asset Purchase Agreement or 1.75% of the purchase price under the Asset Purchase Agreement, as well as waiving certain provisions of PHH Home Loans governing documents.

The foregoing description of the Asset Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Asset Purchase Agreement, which is filed as Exhibit 2.1 hereto and incorporated herein by reference.

JV Interests Purchase Agreement

In connection with the execution of the Asset Purchase Agreement, PHH entered into a JV interests purchase agreement (the *JV Interests Purchase Agreement*) with Realogy Services Venture Partner LLC, a wholly-owned subsidiary of Realogy (*JV Seller*) and PHH Broker Partner Corporation, a wholly-owned subsidiary of PHH (*JV Buyer*). *JV Buyer* has agreed, subject to the terms and conditions set forth in the *JV Interests Purchase Agreement*, to acquire *JV Seller*'s interests in PHH Home Loans for an aggregate cash amount equal to 49.9% of the book equity of PHH Home Loans at the closing of the *JV Interests Purchase*, all of which is estimated to be \$57 million (the *JV Interests Purchase*). The closing of the *JV Interests Purchase* will occur after the final closing of the Asset Sale.

The JV Interests Purchase Agreement contains limited representations, warranties and covenants of the parties. The JV Interests Purchase Agreement also contains (i) obligations of PHH Home Loans to indemnify JV Buyer for certain matters consistent with existing obligations under PHH Home Loans existing agreements, and (ii) certain termination provisions, including that the JV Interests Purchase Agreement will automatically terminate in the event that the Asset Purchase Agreement is terminated in accordance with its terms. Under certain circumstances following the termination of the JV Interests Purchase Agreement, PHH will be deemed to waive certain provisions of PHH Home Loans governing documents.

The foregoing description of the JV Interests Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the JV Interests Purchase Agreement, which is filed as Exhibit 2.2 hereto and incorporated herein by reference.

Support Agreement

In connection with the execution of the Asset Purchase Agreement and the JV Interests Purchase Agreement, PHH has entered into a support agreement (the *Support Agreement*) and, together with the Asset Purchase Agreement and JV Interests Purchase Agreement, the *Transaction Agreements*) with GRI and Realogy. Subject to the terms and conditions set forth in the Support Agreement, each of GRI and Realogy have agreed to (i) provide to Buyer its proportionate share of capital contributions required for Buyer to obtain the required licensing approvals and investor approvals and effect the Asset Sale and (ii) support Buyer's efforts to obtain the required licensing approvals and investor approvals. Each of GRI and Realogy have also agreed to severally (based on its pro rata ownership of Buyer) and not jointly guarantee the payment obligations of Buyer under the Asset Purchase Agreement and the other agreements contemplated thereby. Additionally, Realogy has agreed to guarantee the payment and performance obligations of JV Seller under the JV Interests Purchase Agreement and the other agreements contemplated thereby.

The foregoing description of the Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Support Agreement, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

The representations and warranties and covenants set forth in the Transaction Agreements have been made only for the purposes of the Transaction Agreements and solely for the benefit of the parties to the Transaction Agreements, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties to the Transaction Agreements instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, such representations and warranties were made only as of the dates specified in the Transaction Agreements. Accordingly, the Transaction Agreements are included in this filing only to provide investors with information regarding the terms of the Transaction Agreements and not to provide investors with any other factual information regarding the parties or their respective businesses.
