**Item 1.01. Entry into a Material Definitive Agreement.**

On January 29, 2018, Atlantic Power Corporation (the Company) announced the closing of the sale of its offering of Cdn\$100 million aggregate principal amount of 6.00% Series E convertible unsecured subordinated debentures (the Debentures). The Company also granted the Underwriters (as defined below) through the Underwriting Agreement (as defined below) the option to purchase up to an additional Cdn\$15 million aggregate principal amount of Debentures at any time up to 30 days after the date of closing of the Debentures offering to cover over-allotments, if any, on the same terms and conditions as set forth in the Canadian and U.S. prospectus supplements and accompanying prospectuses related to the Debentures offering. The full text of the press release issued in connection with the announcement of the January 29, 2018 closing is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

The Company received net proceeds from the Debentures offering, after deducting the underwriting fee and expenses related to the Debentures offering, of approximately Cdn\$94.7 million. The Company intends to use the net proceeds from the Debentures offering to fund the redemption of all of its 5.75% Series C convertible unsecured subordinated debentures (current outstanding balance of US\$42.5 million) that mature on June 30, 2019 and have a par call date of June 30, 2017. The Company intends to use the remainder of the net proceeds to fund the partial redemption of its 6.00% Series D extendible convertible unsecured subordinated debentures (current outstanding balance of Cdn\$81.0 million) that mature on December 31, 2019 and have a par call date of December 31, 2017.

The Debentures have a maturity date of January 31, 2025. The Debentures will bear interest at a rate of 6.00% per year, and will be convertible into common shares of the Company (Common Shares) at an initial conversion price of Cdn\$4.20 per Common Share (the Conversion Price), being a ratio of approximately 238.0952 Common Shares per Cdn\$1,000 principal amount of Debentures (subject to customary adjustments).

The Debentures may not be redeemed by the Company prior to January 31, 2021 (except in certain limited circumstances following a change of control). On and after January 31, 2021 and prior to January 31, 2023, the Debentures may be redeemed by the Company, in whole or in part from time to time, on not more than 60 days and not less than 30 days prior notice at a redemption price equal to their principal amount plus accrued and unpaid interest, if any, up to but excluding the date set for redemption, provided that the daily volume-weighted average trading price of the Common Shares on the Toronto Stock Exchange, averaged for the 20 consecutive trading days ending five trading days prior to the date on which notice of redemption is provided, is not less than 125% of the Conversion Price at the time notice of redemption is given. On and after January 31, 2023 and prior to the maturity date, the Debentures may be redeemed in whole or in part from time to time, on not more than 60 days and not less than 30 days prior notice, at a redemption price equal to their principal amount plus accrued and unpaid interest, if any, up to but excluding the date set for redemption.

The Debentures are direct, subordinated, unsecured obligations of the Company and will rank equally with one another and with all other future subordinated unsecured indebtedness of the Company and will rank subordinate to all existing and future senior indebtedness of the Company. The Trust Indenture (as defined below) governing the Debentures will not restrict the Company or its subsidiaries from incurring additional indebtedness or from mortgaging, pledging or charging their respective properties to secure any indebtedness or liabilities.

The offer and sale of the Debentures were registered pursuant to a shelf registration statement on Form S-3 (File No. 333-221903) filed with the U.S. Securities and Exchange Commission (the SEC), under the Securities Act of 1933, as amended (the Securities Act), and related prospectus supplement and accompanying prospectus, and pursuant to a prospectus supplement to the Company's short form base shelf prospectus filed with the Canadian securities regulators in each of the provinces and territories of Canada.
