-

Item 8.01

Other Events.

As previously reported by Gulfstream International Group, Inc. (the Company) in its Current Report on Form 8-K filed with the Securities and Exchange Commission on October 14, 2009, on October 7, 2009, the Company consummated a Note Purchase Agreement (the Purchase Agreement) with Gulfstream Funding II, LLC (the Lender) pursuant to which the Lender agreed to make subordinated loans to the Company in the maximum principal amount of \$1,500,000, as evidenced by the Company's \$1,500,000 12% subordinated promissory note (the Note) which was issued by the Company to the Lender. The Note pays interest at a rate of 12% per annum.

On January 15, 2010, the Company and the Lender agreed to enter into one or more definitive agreements to extend the Maturity Date (as defined below) of the Note and to provide for the conversion of the outstanding principal amount of the Note and all accrued and unpaid interest thereon (collectively, the Debt) into preferred stock of the Company at current market prices. Upon the execution of such agreements by the Company and the Lender, the Company will file a Current Report on Form 8-K disclosing the transaction and including such agreements as exhibits.

The Debt was to be repaid by the Company to the Lender on or prior to January 15, 2010 (the Maturity Date). On January 15, 2010, the Lender waived any event of default which would have occurred for the Company's failure to repay the Debt on the Maturity Date.

On January 18, 2010, the Company issued a press release announcing the events disclosed in this report, a copy of which is annexed hereto as Exhibit 99.1 and incorporated by reference.

Item 9.01
