## NEWS RELEASE

### Enbridge shareholders approve 2-for-1 stock split

**CALGARY, Alberta, May 5, 2005** Enbridge Inc. shareholders today approved a proposal to divide the Company's common shares on a two-for-one basis by two-thirds of votes cast at the Company's Annual and Special Meeting of Shareholders held in Calgary.

Enbridge common shares will commence trading on the Toronto Stock Exchange on a split basis at the opening of business on Wednesday, May 18, 2005, which is the second trading day preceding the record date of May 20, 2005. As of the record date, each shareholder of record will receive one additional common share for each common share he or she holds.

Enbridge common shares will trade on the New York Stock Exchange, commencing at the opening of business on Wednesday, May 18, 2005, with rights entitling holders to an additional common share for each common share held upon the commencement of trading of the common shares on a split basis on the NYSE. The trading of the common shares on a split basis on the NYSE will commence on May 30, 2005, after the May 27, 2005, delivery of share certificates to registered holders of Enbridge common shares.

For beneficial shareholders who hold their shares in an account with their investment dealer or other intermediary, their account will be automatically updated to reflect the stock split. Similarly, shareholders enrolled in the dividend reinvestment plan will have those accounts automatically updated to reflect the stock split.

Registered shareholders should retain their current Enbridge share certificates which will remain valid, and continue to represent the number of Enbridge shares indicated on those certificates. Additional Enbridge stock certificates will be mailed on May 27, 2005. The combination of the old stock certificates and the new stock certificates will represent each shareholder's total post-split shareholdings.

Enbridge anticipates that the stock split will increase the availability of common shares for purchase by the public and enhance the liquidity and trading of the shares. The Company currently has approximately 174 million shares outstanding, which subsequent to the stock split will double to approximately 348 million shares outstanding. At the close of business today, the price of an Enbridge common share was Cdn\$64.02.
