Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

(a) On August 17, 2007, the Board of Directors of The Nasdaq Stock Market LLC ("Nasdaq") issued its decision to give Maxim Integrated Products, Inc. ("Maxim") until September 25, 2007 to file its past due periodic reports with the Securities and Exchange Commission (the "Commission") and regain compliance with Nasdaq's listing requirements contained in Nasdaq Marketplace Rule 4310(c)(14). In the event Maxim does not file its past due periodic reports with the Commission by September 25, 2007, Nasdaq's Board informed Maxim that its common stock will be suspended from trading at the opening of business on September 27, 2007, and Nasdaq will file a Form 25 with the Commission to effect the delisting of Maxim's common stock from Nasdaq.

Maxim is committed to regaining compliance with all Nasdaq listing requirements as soon as possible. However, Maxim will not be able to file its past due periodic reports with the Commission by September 25, 2007. Maxim is exploring alternatives that may be available to it to prevent the suspension from trading of its common stock on Nasdaq on September 27, 2007 as well as the delisting of its common stock from Nasdaq, including seeking relief from Nasdaq's Board of Directors and the Commission.
