Item 1.01

Entry into a Material Definitive Agreement.

On August 20, 2008, Espre Solutions, Inc. (the “Company”) entered into a convertible secured promissory note and loan agreement (the “Note”) with Dalcors, Inc., a corporation organized under the laws of the Republic of Panama (“Dalcors”), pursuant to which the Company borrowed from Dalcors \$5,000,000 in cash (the “Principal Amount”) with interest at a rate of 6.0% per annum and a maturity date of August 20, 2016 (the “Transaction”). Interest on the Note shall be made in cash or, at Dalcors’s option, in shares of Common Stock of the Company (“Common Stock”). The first three months of interest were prepaid upon closing the Transaction.

The Note is convertible, at the option of Dalcors, up to the full Principal Amount, into shares of the Company’s Series C Preferred Stock, par value \$0.001 per share (the “Series C Preferred Stock”). The number of shares of Series C Preferred Stock into which the Note may be converted is equal to the dollar amount of the Note being converted divided by a conversion price of \$1.00.

The Note may not be prepaid without the written consent of Dalcors. The Company is obligated to prepay the Principal Amount, together with all accrued and unpaid interest, fees and other amounts due and payable pursuant to the Note if the Company sells, exclusively licenses, conveys, assigns, leases, abandons or otherwise transfers or disposes of any of its properties or assets, unless (i) such transaction is in the ordinary course of the Company’s business, (ii) the proceeds of such transaction are paid to Dalcors, or (iii) with the prior written consent of Dalcors. The Note grants to Dalcors anti-dilution rights in the event the Company enters into a corporate transaction and the right of first refusal in the event the Company desires to issue any securities of the Company or enter into any new indebtedness. If an event of default occurs and is continuing, Dalcors may rescind any outstanding conversion notice and declare any and all amounts owing under the Note immediately due and payable at a price of 118% of the Principal Amount, together with all accrued and unpaid interest thereon.

The Note, any Series C Preferred Stock deliverable upon conversion of the Note and any Common Stock received as interest under the Note, have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold absent registration under the Securities Act or an applicable exemption from registration under the Securities Act.

As indicated above, the Company issued a convertible promissory note to an accredited investor, Dalcors, in a private transaction. The Company did not use any underwriters nor did it use any form of advertising or general solicitation in connection with the sale of the Note. The sale of the Note was made in reliance on an exemption provided by Section 4(2) of the Securities Act.

In connection with the Transaction, the Company and Dalcors entered into a security agreement (the “Security Agreement”) on August 20, 2008, pursuant to which the Company granted Dalcors a security interest in all of the Company’s personal property to secure the Company’s obligations under the Note. Also in connection with the Transaction, the Company and Dalcors entered into a pledge agreement (the “Pledge Agreement”) on August 20, 2008, pursuant to which the Company granted Dalcors a first-priority security interest in all of the shares of common stock of Blideo, Inc., a Texas corporation, held by the Company and certain indebtedness owed to the Company to secure the Company’s obligations under the Note. Also in connection with the transaction, the Company and Dalcors entered into a registration rights agreement on August 20, 2008, pursuant to which the Company granted Dalcors demand and piggyback registration rights with respect to the Note and the Series C Preferred Stock issued upon conversion of the Note.

The description of the private placement in this Current Report on Form 8-K does not purport to be complete and is qualified in its entirety by reference to the Note, the Security Agreement and the Pledge Agreement (the “Transaction Documents”) filed as exhibits to this Current Report on Form 8-K and incorporated herein by reference. On July 15, 2008, the Company entered into a securities purchase agreement (the "Purchase Agreement") with La Jolla Cove Investors, Inc. ("La Jolla"), pursuant to which the Company sold a private placement convertible debenture (the "Debenture") to La Jolla. The Debenture was for gross proceeds of \$2,000,000 (the "Debenture Amount"), of which \$250,000 was paid by La Jolla at the closing of the Purchase Agreement and the balance of \$1,750,000 was payable by a promissory note (the "La Jolla Note") due January 30, 2011.
