Item 4. Purpose of Transaction

State the purpose or purposes of the acquisition of securities of the issuer. Describe any plans or proposals which the reporting persons may have which relate to or would result in:

The above described purchases and sales were done for investment purposes. Since our original 13-D filing on August 4, 2003, the company has been successful in its patent infringement claim lawsuits for certain of its patents. It was our original intent to participate in either a possible liquidation or dividends from these suits. Since our initial involvement, the company paid 50cts/sh 4/8/2007 and is due to pay 75cts/sh on 8/12/2010. It is anticipated that there will be future dividends from settlements already arrived at but not paid yet and from other claims that are either being contested, arbitrated, or presently in the courts. This is in addition to possible settlements from suits that are taken to court when OPTi is aware of patent infringements that are brought to light in the future.

The Whitakers will of course re-evaluate their options which may include the purchase of additional securities of OPTi or disposal of some or all of the securities they presently own acquire in the future depending on market conditions in general and of OPTi specifically, availability of funds and other considerations.

See Item 3. This party has no plans or proposals which relates to or would result in any action specified in clauses (a) through (h) of Item 4 of Schedule 13D.
