Important Notice Regarding the Availability of Proxy Materials for the Annual Stockholders Meeting To Be Held on December 13, 2011

The proxy statement and annual report to stockholders for the fiscal year ended July 31, 2011 are available at <http://www.amstock.com/ProxyServices/ViewMaterial.asp?CoNumber=06536>.

GENERAL INFORMATION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Synergetics USA, Inc., a Delaware corporation (the "Company"), 3845 Corporate Centre Drive, O'Fallon, Missouri 63368, for use at the 2011 Annual Meeting of Stockholders to be held on December 13, 2011, at 6:00 p.m. Central Time at The Doubletree Hotel and Conference Center located at 16625 Swingley Ridge Road, Chesterfield, Missouri 63017. The Board of Directors of the Company urges you to promptly execute and return your proxy in the enclosed envelope, even if you plan to attend the Annual Meeting. This is designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. This Proxy Statement and the enclosed proxy card are being mailed to the stockholders of the Company on or about November 15, 2011.

Any stockholder submitting a proxy may revoke such proxy at any time prior to its exercise by notifying the Secretary of the Company, in writing, prior to the Annual Meeting. Any stockholder attending the Annual Meeting may revoke his or her proxy and vote personally by notifying the Secretary of the Company at the Annual Meeting. For additional information on how to obtain directions to be able to attend the Annual Meeting and vote in person, please write to the Company's Secretary at Synergetics USA, Inc., 3845 Corporate Centre Drive, O'Fallon, Missouri 63368 or call (636) 939-5100. Only stockholders of record at the close of business on November 8, 2011 (the "Record Date"), will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment thereof. At the close of business on the Record Date, the Company had 24,975,474 outstanding shares of common stock, \$0.001 par value per share (the "Common Stock"). Each share of Common Stock entitles the holder thereof to one vote for each share of Common Stock held of record on the Record Date on each matter that may properly come before the Annual Meeting. If you are a beneficial holder and do not provide specific voting instructions to your broker, under a recent rule change, the organization that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to vote promptly, even if you plan to attend the Annual Meeting.

If the accompanying proxy card is signed and returned, the shares represented thereby will be voted in accordance with the directions on the proxy card. Unless a stockholder specifies otherwise therein, the proxy will be voted in accordance with the recommendations of the Board of Directors on all proposals. The presence in person or by proxy of a majority of the voting power represented by outstanding shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting.

Directors will be elected by a plurality of the voting power represented and entitled to vote at the Annual Meeting. The passage of any other proposal will be determined by the affirmative vote of the majority of the voting power

represented and entitled to vote at the Annual Meeting. In the election of directors, abstentions and broker non-votes will not affect the outcome except in determining the presence of a quorum; they will not be counted toward the number of votes required for any nominee's election. An instruction to "abstain" from voting on any other proposal will have the same effect as a vote against the proposal. Broker non-votes will not be considered as present and entitled to vote on the proposals. Therefore, broker non-votes will have no effect on the number of affirmative votes required to adopt such proposal.

PROPOSAL 1 — ELECTION OF DIRECTORS

The Company’s Amended and Restated Bylaws provide that the Board shall consist of not less than five nor more than 11 members, the exact number of which shall be determined by the Board. The number of directors on the Company’s Board of Directors is currently set at nine directors, divided into three classes, with each class serving three-year staggered terms.

The Board is comprised of six directors who satisfy the definition of an independent director set forth in the listing standards of the Nasdaq Stock Market Inc. (“Nasdaq”) and the Company’s Corporate Governance Guidelines — Juanita H. Hinshaw, Lawrence C. Cardinale, Guy R. Guarch, Robert H. Dick, Patricia S. Williams and D. Graeme Thomas (each, an “Independent Director” and collectively the “Independent Directors”) —and three senior management persons — David M. Hable, Kurt W. Gampp, Jr. and Jerry L. Malis (each a “Management Director” and collectively the “Management Directors”).

The terms of Mr. Hable, Mr. Gampp and Dr. Malis expire at the 2011 Annual Meeting. In order to increase the independence of the Company’s Board of Directors and reduce the size of the Board of Directors to seven members, as has been the Company’s past practice, only Mr. Hable has been nominated by the Nominating and Governance Committee for re-election. The Board of Directors of the Company recommends a vote FOR Mr. Hable. If re-elected, Mr. Hable will serve until the annual election of directors in the year 2014, or until his successor is duly elected and qualified, or his earlier death, resignation or removal. If he is unavailable for election, an event which the Board of Directors of the Company does not presently anticipate, the persons named in the enclosed proxy intend to vote the proxies solicited hereby FOR the election of such other nominee or nominees as may be nominated by the Board of Directors. For information regarding revocation of a proxy, see “General Information” on Page 1.

Based on the recommendation of the Nominating and Corporate Governance Committee, the nominee has been approved unanimously by the Board of Directors of the Company for re-election. Below is biographical and other information about the nominee for election as a director and each current director whose term continues after the Annual Meeting. Following the nominee’s or director’s biographical information is information concerning the particular experience, qualifications, attributes and/or skills that led the Nominating and Governance Committee and the Board to determine that the nominee should serve as a director, or each director should continue to serve as a director, as the case may be.

CORPORATE GOVERNANCE

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure and the Independent Directors ensure such structure provides independent oversight of management. The Board also recognizes no single leadership structure is right for all companies at all times. Accordingly, the Board periodically reviews its leadership structure as necessary to accomplish its management oversight responsibilities.

On behalf of the stockholders, the Board oversees and guides the Company's management and its business affairs. Board committees, staffed by Independent Directors, assist the Board in discharging its responsibilities. The Independent Directors recommend the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee structures to the Board for ratification. In its oversight of the Company, the Board sets the tone for the ethical standards and performance of management, staff and the Company as a whole. The Independent Directors constituting the Nominating and Corporate Governance Committee recommended to the Board, and the Board has adopted Corporate Governance Guidelines and best corporate practices that guide the practices of the Company. The Corporate Governance Guidelines are available on the Company's website at www.synergeticsusa.com.

Consistent with the Company's Bylaws and Corporate Governance Guidelines, the roles of Chairman of the Board and CEO may be separated. The Board determined on July 31, 2008 that it was appropriate to separate the roles of Chairman and CEO in recognition of the differences between the two roles, and to better serve the interests of the stockholders. The CEO, in conjunction with senior management, is responsible for developing and recommending to the Board the strategic direction for the Company, and for the day-to-day leadership of the Company, and he is responsible, together with senior management, for the overall performance of the Company, with such performance measurement based on operating and strategic plans ratified at various times by the Board. The duties of the Chairman include, but are not limited to:

Presiding over all meetings of the Board,

Preparing the agenda for Board meetings in consultation with other Independent Directors, the CEO and members of senior management,

Providing the CEO ongoing direction regarding Independent Director, Board Committee and Board needs, interests, opinions and decisions,

Calling and presiding over meetings of the Independent Directors,

Serving on any Special Committees as may be appointed by the Nominating and Corporate Governance Committee,

Managing the Board's process for annual evaluation of the CEO, and

Such other activities as may from time-to-time be determined by the Board to be in the best interests of the stockholders.

In carrying out his responsibilities, the Chairman preserves the distinction between management and Board oversight by maintaining management's responsibility for: (i) developing and frequently updating corporate strategy, and recommending such strategy to the Board for critique and ratification, (ii) taking such actions as necessary to minimize risks to the Company and the stockholders and (iii) the overall performance of the Company, with such performance measurement based on operating and strategic plans ratified at various times by the Board.

The Board believes that there are advantages to the separate Chairman and CEO positions, including:

Enhanced communications and relations between the Board, the CEO and other members of senior management,

Assisting the Board in reaching consensus on particular strategies and policies, and

Facilitating robust director, Board and CEO evaluation processes.

7

The Company's Corporate Governance Guidelines provide that Independent Directors should meet privately in executive session after each Board meeting, after each Board committee meeting and otherwise as needed. During fiscal 2011, the Independent Directors held four meetings in conjunction with regularly scheduled Board meetings and 15 special meetings for a total of 19 times. Each of our directors attended at least 75% of all the meetings of the Board and those committees on which he or she served during fiscal year 2011, either in person or telephonically. The Board of Directors encourages all members to attend stockholder meetings, but has not adopted a formal policy regarding attendance. All of the Company's directors attended last year's annual stockholders meeting.

Risk Management Oversight

The Board is actively involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, but the full Board has retained responsibility for general oversight of risks. The Audit Committee oversees management of financial and information technology risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board and potential conflicts of interest. The Board satisfies its responsibility for general oversight of risks through reports by each committee chair regarding the committee's considerations and actions, as well as minutes from the meetings and through regular reports directly from officers responsible for oversight of particular risks within the Company.

Director Independence

The Board of Directors has determined that each of Ms. Hinshaw, Mr. Cardinale, Mr. Guarch, Mr. Dick, Ms. Williams and Mr. Thomas is an Independent Director. In addition, the Board of Directors has determined that each of the members of the Audit Committee satisfies the additional conditions for independence for Audit Committee members required by Nasdaq.

Board Committees

The Board of Directors maintains the following three standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and from time to time, the Nominating and Corporate Governance Committee may appoint a Special Committee of Independent Directors to deal with such matters as described in the charter. Each of these committees operates pursuant to a written charter setting forth the functions and responsibilities of the committee, which may be reviewed on our website at www.synergeticsusa.com and are also available to stockholders in print upon request.

Audit Committee

The Audit Committee is composed entirely of Independent Directors and is responsible for the appointment, evaluation, compensation and oversight of the work of the independent registered public accounting firm and, where appropriate, the replacement of the independent registered public accounting firm. Furthermore, the Audit Committee is responsible for meeting with the independent registered public accounting firm and other corporate officers to review matters relating to financial reporting and accounting procedures and policies. Among other responsibilities, the Audit Committee also reviews financial information provided to stockholders and others, assesses the adequacy of financial, accounting, operating and disclosure controls, evaluates the scope of the audits of the independent registered public accounting firm and internal auditors, and reports on the results of such audits to the Board of Directors. The current members of the Audit Committee are Ms. Hinshaw (Chairperson), Mr. Dick, Mr. Cardinale and Mr. Guarch, all of whom meet all applicable standards for Audit Committee membership under the Nasdaq listing standards and Securities and Exchange Commission ("SEC") rules. The Audit Committee held four meetings during the last fiscal

year.

Compensation Committee

The Compensation Committee is composed entirely of Independent Directors and is responsible for administering the Company's compensation programs and recommending to the Board of Directors other compensation and benefits of the Chief Executive Officer and all named executive officers. The current members of the Compensation Committee are Mr. Dick (Chairperson), Mr. Cardinale, Mr. Guarch and Ms. Hinshaw. The Compensation Committee held six meetings during the last fiscal year.

8

The Compensation Committee meets after the end of each fiscal year to determine and recommend to the Board for approval the compensation packages for executive officers in light of the Company's compensation philosophy and objectives. The Compensation Committee considers recommendations from the Chief Executive Officer as to compensation for each executive officer based upon their performance against Company and personal objectives, other than himself. The Compensation Committee has full responsibility to recommend to the Independent Directors of the Board the compensation package of the Chief Executive Officer and the named executive officers. The Compensation Committee may not delegate its authority regarding executive compensation.

During the fiscal year ended July 31, 2010, the Company engaged Mercer, a compensation consultant, to aid management and the Compensation Committee in its review of key compensation program components and total compensation paid to individuals in positions similarly situated to those of our executives, including similar positions at our peer group companies. Management provided the Compensation Committee with the information received from the compensation consultant. The data the Company reviewed included base salary, annual bonus or incentive cash payments and long-term incentive components of pay or certain survey market data where peer data for a like position was not available. The Compensation Committee has taken the compensation consultant's recommendations under advisement.

Nominating and Corporate Governance Committee

The members of the Company's Nominating and Corporate Governance Committee are Mr. Cardinale (Chairperson), Mr. Dick, Mr. Guarch and Ms. Hinshaw, all of whom are Independent Directors. The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become members of the Board of Directors, recommending to the Board of Directors the director nominees to be proposed for election by the stockholders and recommending to the Board of Directors corporate governance guidelines and procedures applicable to the Company. The Nominating and Corporate Governance Committee held five meetings during the last fiscal year.

From time to time, the Nominating and Corporate Governance Committee may appoint a Special Committee of Independent Directors to deal with such matters as described in the charter.

The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders of the Company. Each stockholder must comply with applicable requirements of the Company's Amended and Restated Bylaws and the Exchange Act with respect to the nomination of, or proposal of, nominees for election as directors of the Company. Stockholders should submit any such nominations, together with appropriate biographical information and a description of the nominee's qualifications to serve as director, to the Chairperson of the Nominating and Corporate Governance Committee, c/o Pamela G. Boone, Secretary, Synergetics USA, Inc., 3845 Corporate Centre Drive, O'Fallon, Missouri 63368. The Company's Corporate Governance Guidelines do not require that qualified director candidates should be limited by specific selection criteria. Candidates are selected for, among other things, their independence, integrity, diverse experience, leadership ability, ability to exercise sound judgment, scientific expertise, experience at policy-making levels involving issues affecting business, government, education and technology, and experience relevant to the Company's global medical device business. While there is no formal policy with respect to diversity, the Nominating and Corporate Governance Committee does consider such issues as diversity of education, professional experience, differences of viewpoints and skills when assessing individual director nominees. Final approval of a candidate is determined by the full Board of Directors. Nominees to be evaluated by the Nominating and Corporate Governance Committee for future vacancies on the Board of Directors will be selected by the Nominating and Corporate Governance Committee from candidates recommended by multiple sources, including members of the Board of Directors, senior management, independent search firms, stockholders and other sources, all of whom will be evaluated based on the same criteria.

Code of Business Conduct and Ethics

The Company has established a Code of Business Conduct and Ethics, which is applicable to all of its employees, officers and directors. The Code is available on the Company's website at www.synergeticsusa.com and also available to stockholders in print upon request. We intend to post any future amendments and revisions to the Code of Business Conduct and Ethics on our website.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders may communicate directly with the Board of Directors, as a group, or any individual director by submitting written correspondence addressed to the Board or an individual director at Synergetics USA, Inc., 3845 Corporate Centre Drive, O'Fallon, Missouri 63368. All communications are relayed to the appropriate Board member or members.

DIRECTOR COMPENSATION

Except for the Chairman of the Board, directors who are neither employees of the Company nor an immediate family member of an officer of the Company are paid \$950 for each meeting of the Board of Directors and each meeting of a committee of the Board of Directors that they attend. The Chairman of the Board is paid \$750 for each meeting of the Board of Directors and each meeting of a committee of the Board of Directors that he attends. All directors are entitled to reimbursement for travel and lodging expenses incurred in connection with their attendance at meetings. In addition, the Independent Directors receive compensation at their standard Board meeting rate per day for each day spent at the Company and each day spent away from personal business on Company business. In addition, the Independent Directors, except for the Chairman of the Board, receive \$650 per meeting for each telephonic meeting of the Independent Directors or on Company business. The Chairman of the Board receives \$500 per meeting for each telephonic meeting of the Independent Directors or on Company business. This compensation arrangement has been approved by the Management Directors and the Chairman. Directors who are also employees of the Company do not receive compensation for their services as members of the Board of Directors.

Compensation for members of the Board has been established and will be reviewed annually by the Compensation Committee. The Compensation Committee may not delegate its authority regarding director compensation, and, except as described above, no executive officer plays a role in determining the amount of director compensation. The Compensation Committee considers the amount of time directors dedicate to Company matters and the need to attract and retain qualified directors when determining Board compensation.

To align the interests of directors with those of the Company's stockholders, each Independent Director also receives an option to purchase 10,000 shares of the Company's Common Stock each year in which he or she is elected, appointed, or re-elected to serve as a director pursuant to the Amended and Restated 2005 Non-Employee Directors' Stock Option Plan.

The following table discloses compensation paid for the fiscal year ended July 31, 2011 to the directors for serving as members of the Board. Directors who are also employees of the Company do not receive compensation for their services as members of the Board of Directors. Because they are Management Directors, there is no director compensation to report for Messrs. Gampp, Hable and Malis during the fiscal year ended July 31, 2011. CHANGE IN CONTROL AGREEMENTS

Each of Messrs. Hable, Gampp, Malis, Fanning and Stroisch and Ms. Boone have entered into change in control agreements with the Company. The change in control agreements have rolling one-year terms and expire 30 days after the executive's employment is terminated. Payments to which the executive is due under the change in control agreement are not subject to reduction in the event he or she receives other compensation for services rendered after termination of employment, and the executive is under no duty to mitigate any payments.

The change in control agreements provide that if the executive's employment is terminated within one year following a change in control for cause or disability (as both are defined in the change in control agreement), as a result of his or her death or by the executive other than as Involuntary Termination (as defined in the change in control agreement), the Company shall pay to the executive all compensation earned or accrued through the employment termination date, including (i) base salary; (ii) reimbursement for reasonable and necessary expenses; (iii) vacation pay; (iv) bonuses and incentive compensation; and (v) all other amounts to which he or she is entitled under any compensation or benefit plan of the Company ("Standard Compensation Due").

Such amount shall be paid in 12 equal monthly installments beginning in the month after such termination. Furthermore, all awards of shares or options shall immediately vest and be exercisable for one year after the date of involuntary employment termination.

As defined in the change in control agreement, a "change in control" means: (i) the acquisition by any person (as defined in the change in control agreement) of securities of the Company representing 51% or more of the combined voting power of the Company's outstanding voting securities; (ii) a change in the composition of the Board of Directors of the Company such that during any period of up to two consecutive years, individuals who constitute members of the Board of Directors at the beginning of the period cease to constitute the majority thereof; and (iii) the closing of certain mergers or consolidations of the Company with any other corporation.

Since the late 1960's, the late Dr. Leonard Malis, one of Valley Forge's former directors, on an individual basis has been a party to consulting and other agreements with Codman & Shurtleff, Inc., the Company's principal customer. Dr. Leonard Malis developed neurosurgical instruments for Codman with no pecuniary benefits to Valley Forge. On October 22, 2004, Valley Forge entered into an option agreement with Dr. Leonard Malis under which Valley Forge was granted an option to acquire the Malis® trademark from Dr. Leonard Malis at any time over a period of five years.

On October 12, 2005, the Company exercised its option with respect to the Malis® trademark. OTHER MATTERS

Management does not know of any other business that may be considered at the Annual Meeting. However, if any matters other than those referred to above should properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the proxies held by them in accordance with their best judgment.

The Company will bear the costs of its solicitation of proxies. In addition to the use of the mails, proxies may be solicited by electronic mail, personal interview, telephone, telegram and telefax by the directors, officers and employees of the Company. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and the Company may reimburse such custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

ANNUAL REPORT ON FORM 10-K

Along with mailing the proxy materials, we have included a copy of our Annual Report on Form 10-K for the fiscal year ended July 31, 2011. We will provide stockholders with additional copies of our Annual Report on Form 10-K for the fiscal year ended July 31, 2011, without charge, upon written request to Pamela G. Boone, Secretary, Synergetics USA, Inc., 3845 Corporate Centre Drive, O'Fallon, Missouri 63368.

“HOUSEHOLDING” OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with accountholders who are stockholders will be householding our proxy materials. As indicated in the notice previously provided by these brokers to stockholders, a single proxy statement and annual report will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from an affected stockholder. Once you have received notice from your broker or us that they will be householding communications to your address, householding will continue until you are notified otherwise.

Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their broker or, if a stockholder is a direct holder of shares of our Common Stock, they should submit a written request to our transfer agent, American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, New York 11219.

To delist yourself from householding in the future you may write the Company at 3845 Corporate Centre Drive, O’Fallon, Missouri 63368, Attention: Pamela G. Boone or call (636) 939-5100. Upon written or oral request directed to the Company at the address or phone number listed above, we will deliver promptly a separate copy of the proxy materials.
