PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being made available to all stockholders of record at the close of business on June 6, 2016, in connection with the solicitation by the Board of Directors of the Company (the "Board") of proxies to be voted at the Annual Meeting of Stockholders to be held on July 28, 2016 at 9:30 a.m., local time, or any adjournment thereof, at 704 Executive Boulevard, Suite A, Valley Cottage, NY 10989. Proxy materials for the Annual Meeting of Stockholders were made available to stockholders on or about June 20, 2016.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. If you are a beneficial owner of shares held in street name and you do not provide specific voting instructions to the organization that holds your shares, the organization will be prohibited from voting your shares on "non-routine" matters. This is commonly referred to as a "broker non-vote". The election of directors and the advisory vote on the compensation of certain of our executive officers are considered "non-routine" matters and therefore may not be voted on by your bank or broker absent specific instructions from you. Please instruct your bank or broker so your vote can be counted.

The ratification of the appointment of CohnReznick LLP as the Company's independent registered public accounting firm for 2016 (Proposal Number 3) is considered a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal Number 3.

The Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holder will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the person named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with his best judgment.

The total number of common shares outstanding and entitled to vote as of the close of business on June 6, 2016 was 10,722,321. The common shares are the only class of securities entitled to vote on matters presented to the stockholders, each share being entitled to one vote. A majority of the common shares outstanding and entitled to vote as of the close of business on June 6, 2016 or 5,361,161 common shares, must be present at the meeting in person or by proxy in order to constitute a quorum for the transaction of business. Abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. All information regarding the Company's common stock and stock options contained above or elsewhere in this Proxy Statement has been adjusted to reflect the Company's 1.3-for-1 stock split, effected in the form of a 30% stock dividend, effective as of December 15, 2015.

With regard to Proposal Number 1, the election of directors, votes may be cast in favor or withheld. Each director shall be elected by a plurality of the votes cast in favor. Accordingly, since there is a nominee for each of the five directorships, each nominee who receives one or more votes will be elected as a director. Abstentions and broker non-votes will have no effect on the outcome of this Proposal.

With regard to Proposal Number 2, Advisory Vote on Executive Compensation, votes may be cast in favor, against or you may abstain. The affirmative vote of a majority of shares present in person or by proxy and entitled to vote is necessary for approval of our executive compensation. However, this advisory vote is not binding on us, our board of directors, or management. Abstentions will not be voted, although they will be counted as present and entitled to vote for purposes of the Proposal. Accordingly, an abstention will have the effect of a vote against this Proposal. Broker non-votes will have no effect on the outcome of this Proposal.

With regard to Proposal Number 3, the ratification of CohnReznick LLP as the Company's independent registered public accounting firm, votes may be cast in favor, against or you may abstain. The affirmative vote of a majority of shares present in person or by proxy and entitled to vote is necessary for ratification of the Company's independent registered public accountants. Abstentions will not be voted, although they will be counted as present and entitled to vote for purposes of the Proposal. Accordingly, an abstention will have the effect of a vote against this Proposal. A broker who does not receive instructions as to how to vote your shares may vote at its discretion in connection with this Proposal.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 704 Executive Boulevard, Suite A, Valley Cottage, New York 10989, Attention: Corporate Secretary. Those voting by Internet or by telephone may also revoke their proxy by voting in person at the meeting or by voting and submitting their proxy at a later time by Internet or by telephone.

The proxy is being solicited by the Board. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of the Company's shares. Solicitations will be made primarily by mail, but certain of the directors, officers or employees may solicit proxies in person or by telephone, telecopier or email without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten (10) days prior to the meeting, at the Company's offices located at 704 Executive Boulevard, Suite A, Valley Cottage, New York 10989, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call Lawrence Fensterstock at (845) 230-3060.

Richard J. James	76	Director	1992

The following pages contain biographical and other information about the nominees.

Jerome S. Flum has been a Director since 1983 and was appointed President and Chief Executive Officer of the Company and Chairman of the Board in June 1985. Since 1968 he has been in the investment business as an institutional security analyst, research and sales partner at an investment firm and then as a general partner of a private investment pool. Before entering the investment business, Mr. Flum practiced law, helped manage a U.S. congressional campaign and served as a legal and legislative aide to a U.S. congressman. He has been a guest lecturer at the Massachusetts Institute of Technology/Sloan School of Management Lab for Financial Engineering. We believe that Mr. Flum's extensive experience, including his service as Chairman of the Board since June 1985, give him the qualifications and skills to serve as one of the directors.

Andrew J. Melnick has been a Director since March 2005. Since the end of 2014, Mr. Melnick has been the Chief Investment Strategist and a shareholder in the investment advisory firm BPV Capital Management. BPV provides investment advisory services to institutions and individual clients. From 2010 to 2014, he was a Managing Partner of SkyView Investment Advisors. He joined Goldman Sachs in 2002 as Co-Director of its Global Investment Research Division and a member of its Management Committee. Prior to joining Goldman Sachs, Mr. Melnick was Senior Vice President and Director of the Global Securities and Economics Research Group of Merrill Lynch. During his 13 years at Merrill Lynch, he expanded the Firm's Research Group from primarily a domestic effort to one with research offices in 26 countries around the world. Mr. Melnick earned a BA in economics and MBA in finance from Rutgers. He is a Chartered Financial Analyst (C.F.A.). We believe that Mr. Melnick's corporate finance and executive-level experience, as well as his service on the Board since March 2005, give him the qualifications and skills to serve as one of the directors.

Jeffrey S. Geisenheimer has been a Director since December 2005. He has been the Chief Financial Officer for the Coleman Research Group, Inc., a primary research firm serving the investment and corporate communities, since September 2011. In this capacity, he is responsible for all the financial, administrative and research operations. Prior to joining Coleman Research Group, Mr. Geisenheimer was the CFO of five private equity-backed companies (Ford Models, Inc., from 2008 to 2011, Managed Systems, Inc., from 2007 to 2008, Register.com, Inc., 2007, Instant Information, Inc., from 2005 to 2007 and Moneyline Telerate, Inc., from 2003 to 2005) and two publicly traded companies (Multex.com, Inc., from 1999 to 2003, and Market Guide, Inc., from 1987 to 1999). While CFO at three of these companies (Market Guide, Multex and Moneyline Telerate) he oversaw their acquisition by much larger corporations. Mr. Geisenheimer received a BBA degree in banking and finance and a MBA degree in accounting from Hofstra University. We believe that Mr. Geisenheimer's executive-level experience, as well as his experience in the areas of finance and mergers and acquisitions, and his service on the Board since December 2005, give him the qualifications and skills to serve as one of the directors.

Joshua M. Flum has been a Director since September 2007. He has been an executive with CVS Health Corporation since July 2004. Mr. Flum began his career at CVS Health in Store Operations and is currently Executive Vice President, Pharmacy Services. Prior to joining CVS Health, Mr. Flum spent three years with The Boston Consulting Group specializing in the Consumer and Retail Practice Area. Mr. Flum is a graduate of the Yale Law School and spent the first years of his professional career clerking for the Honorable Edward R. Becker, Chief Judge of the United States Court of Appeals for the Third Circuit, and then at the law firm of Miller, Cassidy, Larroca and Lewin, LLP. We believe that Mr. Flum's experience in the areas of business consultation and legal, and his service on the Board since September 2007, give him the qualifications and skills to serve as one of the directors.

Richard J. James has been a Director since April 1992. He is currently retired. He was a Consultant for Sigma Breakthrough Technologies, Inc. from 2005 to 2013, working with leading international and domestic Fortune 500 companies to improve their new product development and operational processes. We believe that Mr. James' corporate finance and executive-level experience, as well as his service on the Board since April 1992, give him the qualifications and skills to serve as one of the directors.

Committees

The Audit Committee

The Audit Committee assists the Board in fulfilling its responsibility to the shareholders, potential shareholders and investment community relating to corporate accounting, reporting practices of the Company and the quality and integrity of the Company's financial reporting. To fulfill its purposes, the Committee's duties include to:

- Appoint, evaluate, compensate, oversee the work of, and if appropriate terminate, the independent auditor, who shall report directly to the Committee.
- Approve in advance all audit engagement fees and terms of engagement as well as all audit and non-audit services to be provided by the independent auditor.
- Engage independent counsel and other advisors, as it deems necessary to carry out its duties.

In performing these functions, the Audit Committee meets periodically with the independent auditors and management to review their work and confirm that they are properly discharging their respective responsibilities. The Board has adopted a written charter for the Audit Committee, a copy of which was annexed to the Company's 2013 Proxy Statement and can be found on the Company's website, <http://www.crmz.com>, under "Investor Information".

The Audit Committee currently consists of the Company's outside directors – Andrew Melnick, Jeffrey Geisenheimer, Joshua Flum and Richard James, all of whom, except Mr. Flum, are audit committee financial experts and independent, as such terms are defined by the SEC.

Nominating Committee

Due to the Company's small size and scope of operations, it does not have a separately designated and standing nomination committee at this time, and therefore the entire Board is responsible for screening and reviewing potential director candidates and nominating and recommending such candidates for election by the stockholders.

Compensation Committee

The Compensation Committee of the Board is responsible for advising the Board with respect to the compensation of the Company's employees, including the determination of the compensation for the Chief Executive Officer and the other executive officers, the approval of one or more stock option plans and other compensation plans covering the Company's employees, and the grant of stock options and other awards pursuant to stock option plans and other compensation plans. The members of the Compensation Committee currently are Messrs. Andrew Melnick, Jeffrey Geisenheimer, Joshua Flum and Richard James. The Compensation Committee does not currently have a charter.

The Compensation Committee may form and delegate authority to subcommittees and may delegate authority to one or more designated members of the Compensation Committee. The Chief Executive Officer assists the Compensation Committee from time to time by advising on a variety of compensation matters, such as assisting the Compensation Committee in determining appropriate salaries and bonuses for the executive officers. The Compensation Committee has the authority to consult with management and to engage the services of outside advisors, experts and others to assist it in its efforts.

Board Leadership Structure and Role in Risk Oversight

The Board as a whole is responsible for the Company's risk oversight. The executive officers address and discuss with the Board the Company's risks and the manner in which the Company manages or mitigates such risks. While the Board has the ultimate responsibility for the Company's risk oversight, the Board works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, the Audit Committee focuses on financial reporting risks and related controls and procedures.

Since 1985, Jerome S. Flum has served as the Chairman of the Board and Chief Executive Officer. We do not currently have a lead independent director. At this time, the Board believes that Mr. Flum's combined role as Chief Executive Officer and Chairman of the Board enables us to benefit from Mr. Flum's significant institutional and industry knowledge and experience, while at the same time promoting unified leadership and direction for the Board and executive management without duplication of effort and cost. Given the Company's history, position, Board composition and the relatively small size of the company and management team, at this time the Board believes that we and the shareholders are best served by the current leadership structure.

Report of the Audit Committee

In overseeing the preparation of the financial statements of CreditRiskMonitor.com, Inc. as of December 31, 2015 and for the years ended December 31, 2015 and 2014, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with management. The Committee also discussed with CohnReznick LLP, the Company's outside auditors ("CohnReznick"), the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Committee received the written disclosures and the letter from CohnReznick required by applicable requirements of the Public Company Accounting Oversight Board regarding CohnReznick's communications with the Committee concerning independence and the Committee discussed CohnReznick's independence with CohnReznick.

On the basis of these reviews and discussions, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for filing with the Securities and Exchange Commission.

Meetings

The Board held four (4) meetings during the fiscal year ended December 31, 2015.

The Audit Committee of the Board held one (1) meeting during the fiscal year ended December 31, 2015, prior to the filing of the Company's Annual Report on Form 10-K.

During 2015, all of the directors, other than Richard James, attended at least 75% of the meetings of the Board and of the committees on which they served.

The Company does not have a formal policy regarding director attendance at the annual meeting of stockholders. However, all directors are encouraged to attend.

Communications with the Board

Any security holder who wishes to communicate with the Board or a particular director should send the correspondence to the Board, CreditRiskMonitor.com, Inc., 704 Executive Boulevard, Suite A, Valley Cottage, New York 10989, Attention: Corporate Secretary. Any such communication so addressed will be forwarded by the Corporate Secretary to the members or a particular member of the Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission ("SEC") initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on its review of the copies of such reports received by it with respect to fiscal 2015, or written representations from certain reporting persons, the Company believes that all filing requirements applicable to its directors, officers and persons who own more than 10% of a registered class of the Company's equity securities have been timely complied with.

Director Independence

The Board is currently comprised of Jerome S. Flum, Andrew J. Melnick, Jeffrey S. Geisenheimer, Joshua M. Flum and Richard J. James, all of whom, except Messrs. Jerome S. Flum and Joshua M. Flum, are "independent directors", as defined by the SEC.

Code of Ethics

The Board has adopted a Code of Ethics for the Company's Principal Executive Officer and Senior Financial Officers. This Code applies to the Company's Chief Executive Officer, President and Chief Financial Officer (who also is the Company's principal accounting officer).

The Board unanimously recommends a vote "FOR" all nominees.

PROPOSAL 2 — ADVISORY VOTE ON EXECUTIVE COMPENSATION
(ITEM NO. 2 ON THE PROXY CARD)

The Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, requires us to hold an advisory vote on the compensation of our executive officers, as disclosed in this proxy statement in accordance with the rules of the Securities and Exchange Commission, or SEC. As described elsewhere in this proxy statement, we try to design our executive officer compensation programs to attract, motivate and retain the key executives who will drive the creation of stockholder value.

Please read the “Executive Compensation” section of this proxy statement, beginning on page 3. That section of the proxy statement, which includes our executive officer compensation tables and related narrative discussion, provides details on our compensation programs and policies for our executive officers. We believe that the Company’s compensation policies and procedures do not create undue risk nor are they excessive in an amount or nature.

We are requesting stockholder approval of the compensation of our executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our executive officers’ compensation. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our executive officers and the philosophy, policies and practices described in this proxy statement.

We are asking our stockholders to indicate their support for our named executive officer compensation through the following resolution:

“RESOLVED, that the stockholders approve the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company’s proxy statement for its 2016 annual meeting.”

As provided in the Securities Exchange Act, the vote is not binding on the Board and may not be construed as overruling a decision by the Board, nor creating or implying any additional fiduciary duty by the Board, nor be construed to restrict or limit the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation.

The Board unanimously recommends a vote “FOR” approval of the compensation of executive officers as described in the tabular disclosure regarding named executive officer compensation in this proxy statement.

PROPOSAL 3 — RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS INDEPENDENT PUBLIC ACCOUNTANTS
(ITEM NO. 3 ON THE PROXY CARD)

Upon the recommendation of the Audit Committee, the Board has selected CohnReznick LLP to serve as the Company's independent registered public accounting firm for 2016. In taking this action, the Board considered CohnReznick LLP's independence with respect to the services to be performed and other factors, which the Board believes is advisable and in the best interest of the stockholders.

CohnReznick LLP served as the Company's independent registered public accounting firm for the years ended December 31, 2015 and 2014, and has no financial interest of any kind in us except the professional relationship between auditor and client.

Stephen Ebinger, a partner of CohnReznick LLP, will be in attendance at the meeting. He will have an opportunity to make a statement if he wishes to do so, and will be available to respond to appropriate questions. We are asking the stockholders to ratify the selection of CohnReznick LLP as the Company's independent registered public accounting firm for 2016. Although ratification is not required by the Company's Bylaws or otherwise, the Board is submitting the selection of CohnReznick LLP to the stockholders for ratification because we value the stockholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice.

In the event that the stockholders fail to ratify the selection, it will be considered a recommendation to the Board to consider the selection of a different firm. Even if the selection is ratified, the Board may in its discretion select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and the stockholders.

The aggregate fees incurred by CohnReznick LLP for professional services rendered to the Company for the last two fiscal years are as follows:

	Fiscal Year Ended	
	December 31,	
	2015	2014
Audit fees ⁽¹⁾	\$95,000	\$92,500
Audit related fees ⁽²⁾	-	-
Tax fees ⁽³⁾	\$10,000	\$10,000
All other fees	-	-
Total fees	\$105,000	\$102,500

⁽¹⁾ Consists of fees for services provided in connection with the audit of the Company's financial statements and review of the Company's quarterly financial statements.

(2) Consists of fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under "Audit Fees."

(3) Consists of fees for preparation of Federal and state income tax returns.

The engagement of CohnReznick LLP for the 2015 and 2014 fiscal years and the scope of audit-related services, including the audits and reviews described above, were all pre-approved by the Audit Committee.

The policy of the Audit Committee is to pre-approve the engagement of the Company's independent auditors and the furnishing of all audit and non-audit services.

The Board unanimously recommends a vote "FOR" ratification of CohnReznick LLP as the Company's independent registered public accounting firm for 2016.

STOCKHOLDER PROPOSALS

Stockholder proposals intended to be presented at the next annual meeting of stockholders pursuant to the provisions of Rule 14a-8 of the Securities and Exchange Commission, promulgated under the Securities Exchange Act of 1934, as amended, must be received at the Company's offices in Valley Cottage, New York by February 10, 2017 for inclusion in the Company's proxy statement and form of proxy relating to such meeting.

To be in proper form, a stockholder's proposal or nomination must comply with Rule 14a-8 of the Securities and Exchange Commission. A stockholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about compliance with SEC and other requirements. The Company will not consider any proposal or nomination that does not meet the requirements of Rule 14a-8 of the Securities and Exchange Commission.
