ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 14, 2004, NuWay Medical, Inc. (the "Company"), Eduardo A. Ruiz, Luis A. Ruiz (Messrs. Ruiz are collectively referred to as the "PMG Shareholders") and Premium Medical Group, Inc. ("PMG") entered into a Mutual Rescission Agreement (the "Rescission Agreement") with respect to the Company's previous acquisition of PMG. The Rescission Agreement is effective as of January 30, 2004.

Edgar Filing: NUWAY MEDICAL INC - Form 8-K

The Company, PMG and the PMG Shareholders had previously entered into a Stock Purchase Agreement as of January 30, 2004 (the "Stock Purchase Agreement"), pursuant to which the Company agreed to purchase 100% of the issued and outstanding stock of PMG (the "PMG Shares") from the PMG Shareholders. In exchange for the PMG Shares, the PMG Shareholders were entitled to receive 30,000,000 shares of the Company's common stock (the "Company Shares"). The exact number of Company Shares to be issued to the PMG Shareholders was subject to adjustment in the event certain revenue was or was not generated by PMG during one year following the closing of the transaction. Luis A. Ruiz became a director of the Company in connection with the transaction.

The Company filed a Current Report on Form 8-K on February 17, 2004, announcing the transaction. However, the parties had a difference in expectations regarding who would be ultimately responsible for paying for the audit of PMG that was required in order for the Company to complete its disclosure obligations by filing an amendment to that Form 8-K not later than 60 days after the last date on which that Form 8-K was required to be filed.

Additionally, the Company did not have a sufficient number of authorized and unissued shares of its common stock to both satisfy its obligations to the PMG Shareholders and to issue shares of common stock in a meaningful financing transaction, given the low price per share at which the Company's common stock trades. The Company lacked the financial resources to schedule a stockholders' meeting, prepare a proxy statement and solicit proxies for the purpose of amending its Certificate of Incorporation to increase its authorized capital stock. Moreover, a previous attempt to hold a stockholders' meeting in December 2003 on an unrelated matter failed for lack of a quorum.

As a result of these and other factors, the Company and PMG never consolidated their operations, the Company never exercised control over PMG or its operations and the parties never exchanged stock certificates evidencing their ownership in each other.

Therefore, the parties entered into discussions and concluded amicably that it was in the mutual best interest of the respective companies and their respective shareholders, to rescind the transactions provided for in the Stock Purchase Agreement and return all parties to their respective positions prior to the transactions contemplated in the Stock Purchase Agreement.

The Rescission Agreement provides, in relevant part, that (i) all transactions contemplated by the Stock Purchase Agreement shall be rescinded as if the Stock Purchase Agreement had never been executed and delivered; (ii) the parties forever waive all rights to receive stock in PMG and the Company, as the case may be; (iii) Luis A. Ruiz shall resign as a director of the Company; and (iv) the Company and PMG shall file appropriate documents with the Secretary of State of the State of Florida with respect to the rescission of the exchange of shares provided for in the Stock Purchase Agreement.

ITEM 1.02 TERMINATION OF A MATERIAL DEFINITIVE AGREEMENT

As a result of the parties' entering into the Rescission Agreement, the Stock Purchase Agreement has been rescinded and is of no further force and effect. The terms of the Rescission Agreement are summarized above in Item 1.01 of this Current Report on Form 8-K.

The Company did not incur any penalties in connection with the entering into of the Rescission Agreement or the rescission of the Stock Purchase Agreement.
