**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On March 29, 2005, a subsidiary of FARO Technologies, Inc. acquired iQvolution AG. iQvolution is headquartered in Ludwigsburg, Germany and manufactures and supplies three-dimensional laser scanning products and services. Their technology is currently used for factory planning, facility life-cycle management, quality control, performing forensic analysis and in general, processing large volumes of three-dimensional data.

The acquisition was made pursuant to a Stock Purchase Agreement dated March 29, 2005 entered into each of the shareholders of iQvolution. None of the iQvolution shareholders, officers, directors or employees had any material relationship with FARO Technologies, Inc. or any of its affiliates, or any director or officer of FARO Technologies, Inc., or any association of any such director or officer.

The purchase price for the acquisition was 3 million Euros in cash and 314,736 shares of FARO common stock. 162,444 of these shares of FARO common stock is being held in escrow and will be paid to the iQvolution shareholders over five years subject to achieving predetermined performance goals.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunder duly authorized.
