SECTION 3 - SECURITIES AND TRADING MARKETS

ITEM 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING

On July 18, 2005, The Singing Machine Company, Inc. (the "Company" or "SMD") received notice from the American Stock Exchange (the "AMEX"), Listing Qualifications Department, stating that the Company does not meet certain of the

## Edgar Filing: SINGING MACHINE CO INC - Form 8-K

AMEX's continued listing standards as set forth in Parts 3, 6 and 10 of the AMEX Company Guide (the "Company Guide") and that the Company has become subject to the continued listing evaluation and follow-up procedures and requirements of Section 1009 of the Company Guide.

Pursuant to a review by the AMEX of the Company's 10-K for the fiscal year ended March 31, 2005, the AMEX has determined that the Company is not in compliance with Sections 1003(a)(i) and 1003(a)(iv) of the Company Guide, respectively, which state, in relevant part, that the AMEX will normally consider suspending dealings in, or removing from the list, securities of a company which (a) has stockholders' equity of less than \$2,000,000 if such company has sustained losses from continuing operations and/or net losses in two of its three most recent fiscal years; and (b) has sustained losses which are so substantial in relation to its overall operations or its existing financial resources, or its financial condition has become so impaired that it appears questionable, in the opinion of the AMEX, as to whether such company will be able to continue operations and/or meet its obligations as they mature.

The Company intends to submit a plan on or prior to August 18, 2005 advising the AMEX of actions that it will take, which may bring it into compliance with Sections 1003 (a)(i) and 1003(a)(iv) of the Company Guide within a maximum of 18 months and 12 months of receipt of the notice letter, respectively. The plan will include specific milestones, quarterly financial projections, and details relating to any strategic initiatives the Company plans to complete. The AMEX Listings Qualifications Department will evaluate the plan, including any supporting documentation which the Company may submit, and make a determination as to whether the Company has made a reasonable demonstration in the plan of an ability to regain compliance with Sections 1003 (a)(i) and 1003(a)(iv) of the Company Guide within a maximum of 18 months and 12 months of receipt of the notice letter, respectively, in which case the plan will be accepted. If the plan is accepted, the Company may be able to continue listing during the plan of up to 18 months, during which time the Company will be subject to periodic review to determine if it is making progress consistent with the plan.

In addition, the Company was notified by the AMEX that it is not in compliance with Section 301 of the Company Guide, which provides that a listed company is not permitted to issue, or to authorize its transfer agent or registrar to issue or register, additional securities of a listed class until it has filed an application for the listing of such additional securities and received notification from the AMEX that the securities have been approved for listing. On or prior to August 1, 2005, the Company intends to submit a Listing of Additional Shares ("LAS") application for all shares which it has issued without the AMEX's approval which the Company estimates amounts to approximately 277,778 shares of its common stock. Failure by the Company to file the LAS application on or prior to August 1, 2005 will result in the AMEX assessing the Company's continued listing eligibility, including, but not limited to, the initiation of delisting procedures.

Further, in accordance with Section 610(b) of the Company Guide, a listed company which receives an audit opinion that contains a going concern qualification must make a public announcement through the news media disclosing the receipt of such qualified opinion. In the Company's 10-K for the fiscal year ended March 31, 2005, the Company received an audit opinion containing a going concern qualification, but did not issue the required press release. The Company issued such press release on July 22, 2005.

On July 22, 2005, the Company issued a press release announcing the AMEX notice and disclosing its receipt of the audit opinion that contains a going concern qualification in connection with the Company's 10-K for the fiscal year ended March 31, 2005. A copy of the press release is incorporated by reference and filed as Exhibit 99.1 to this report.
