## PROSPECTUS SUMMARY

### The Company

We were formed as a blank check company under the name “Argyle Security Acquisition Corporation” to effect a merger, capital stock exchange, asset acquisition or other similar business combination with an operating business in the security industry. On January 24, 2006, we completed an initial public offering of our securities.

On December 8, 2006, Argyle, its wholly owned subsidiary ISI Security Group, Inc. and ISI Detention Contracting Group, Inc., or ISI, entered into a merger agreement pursuant to which Merger Subsidiary would merge into ISI, and ISI would then become the wholly owned subsidiary of Argyle. ISI is a provider of physical security solutions to commercial, governmental, and correctional customers. On July 30, 2007, our stockholders voted to approve the merger, the merger was consummated and we changed our name from “Argyle Security Acquisition Corporation” to Argyle Security, Inc. , Holders of 232,565 shares issued in our initial public offering elected to have their shares redeemed.

On July 31, 2007, Argyle’s wholly owned subsidiary merged into ISI and ISI became a wholly owned subsidiary of Argyle. Pursuant to terms of the merger agreement, the security holders of ISI received an aggregate amount of cash of \$18,600,000, 1,180,000 shares of our common stock (valued at approximately \$9,180,000, based on the closing price of the common stock on June 25, 2007) and unsecured promissory notes in the aggregate amount of \$1,925,000 convertible into our common stock at a conversion price of \$10 per share.

In addition, the merger consideration paid by the Company also included (i) payment of \$1.9 million to an entity created by two executive officers of ISI in connection with the issuance of performance and payment bonds to ISI; and (ii) approximately \$1.0 million in ISI transaction costs. The Company also paid \$.24 million in success fees to certain service providers in connection with the merger and approximately \$.45 million to a service provider, which payment was contingent on the business combination being consummated.

The Company also assumed approximately \$6.0 million of long-term debt, approximately \$7.6 million outstanding pursuant to a \$9.0 million line of credit, and \$2.0 million of capitalized leases as of July 31, 2007.

A summary of our business and operations, including the business and operations of ISI, is included in our definitive proxy statement filed with the SEC on July 13, 2007 which is incorporated herein by reference, and our Current Report on Form 8-K filed with the SEC on August 6, 2007, which is also incorporated herein by reference.
