1. INTRODUCTION

Reference is made to the Company's announcements dated 2 September 2007 and 9 November 2007 in relation to the Investor Subscriptions and the CEA Holding Subscription.

The Company announced on 2 September 2007 that the Company and CEA Holding had reached commercial consensus with SIA and Temasek regarding the basis on which SIA and Temasek will proceed with a proposed strategic investment in the Company by way of subscription of new H Shares. The commercial consensus was reflected in a heads of agreement entered into by the Company, CEA Holding, SIA and Temasek on 2 September 2007.

On 9 November 2007, the Company announced that, following further discussions, SIA and Temasek entered into the Investor Subscription Agreement with the Company on 9 November 2007. Simultaneously with the entering into of the Investor Subscription Agreement, CEA Holding entered into the CEA Holding Subscription Agreement with the Company. On the same date, CEA Holding, SIA and Temasek entered into the Shareholders Agreement, and the Company and SIA entered into the Cooperation Agreement and the Personnel Secondment Agreement.

The purposes of this circular are, among other things:

- (1) to provide you with further information in relation to the Investor Subscriptions and the CEA Holding Subscription;

– *Management representation*

SIA has the right to nominate its personnel to certain executive positions of the Company in accordance with the provisions of the Personnel Secondment Agreement. The transfer restrictions will cease if the Company is in material breach of certain provisions of the Investor Subscription Agreement or if CEA Holding is in material breach of certain provisions of the Shareholders Agreement.

After the expiration of the Lock-up Period, Temasek may, subject to certain exceptions, only transfer its Investor Subscription Shares and Additional Shares to a third party with the prior consent of the Company (such consent not to be unreasonably withheld or delayed).

LETTER FROM THE BOARD

–

Anti-dilution rights

Subject to applicable laws, SIA is entitled to subscribe for additional shares or securities of the Company in order to maintain its percentage shareholding in the Company as a result of an issue of any share capital of the Company or an issue of any securities convertible into or exchangeable into any shares of the Company or any warrants or other rights to subscribe for any shares of the Company (save for pro-rata issues of shares or securities to shareholders of the Company or issues of shares or grant of any options pursuant to any share option scheme of the Company or issues of shares credited as fully paid to shareholders of the Company). For the purpose of calculating SIA's shareholding interest in the Company in relation to its anti-dilution right, such interest shall be subject to a maximum of 15.73% of the total issued share capital of the Company.

The exercise of the anti-dilution rights by SIA will be subject to the satisfaction of all necessary legal and regulatory requirements (including those under the Listing Rules). Thus, if the current provisions under Chapter 14A of the Listing Rules remain unchanged at the time of the exercise of the anti-dilution rights, the exercise of such rights will be subject to approval by independent shareholders of the Company. SIA has undertaken not to transfer any of the Company's securities to any competitor of the Company or any affiliate of such competitor. SIA has also undertaken that, for so long as it holds any interest in securities in the Company, it will not make any new investments in, or provide certain types of financing to, a PRC airline company or an affiliate of a PRC airline company where SIA does not already have any interest, provided that this restriction does not prohibit SIA from making any further investment in, or provide any financing to, the Company and Great Wall Airlines.

The Company and SIA will jointly discuss and decide whether the Company will join a global alliance that competes with the global alliance that SIA is in.

–

Exclusivity

The Company has undertaken that it and its subsidiaries shall not (subject to certain exception) enter into any discussion or transaction prior to completion in relation to the sale of any shares or securities of the Company or its subsidiaries or any other transaction that will have the effect of frustrating the purpose or interest of the transactions contemplated under the Investor Subscription Agreement.

2.2 SUBSCRIPTION OF NEW H SHARES BY CEA HOLDING

CEA Holding Subscription Agreement dated 9 November 2007

Parties

- | | |
|-----|--------------------------------|
| (1) | The Company as the issuer. |
| (2) | CEA Holding as the subscriber. |

Number of new H Shares subscribed for

CEA Holding will subscribe for 1,100,418,000 new H Shares. Such new H Shares represent approximately 22.61% of the existing issued share capital of the Company. Immediately after completion of the Share Subscriptions (which include the Investor Subscriptions described above), CEA Holding will hold new H Shares representing approximately 14.01% of the issued share capital of the Company as enlarged by the issue of the Investor Subscription Shares and the CEA Holding Subscription Shares. Taking into account the 2,904,000,000 A Shares it already holds (which A Shares represent approximately 59.67% of the existing issued share capital of the Company), CEA Holding will hold an aggregate of 4,004,418,000 shares in the Company, representing 51.00% of the Company's enlarged issued share capital.

Application will be made by the Company to the Stock Exchange for the granting of the listing of, and permission to deal in, all the CEA Holding Subscription Shares.

Subscription price

HK\$3.80 per H Share. The aggregate subscription price of HK\$4,181,588,400 will be payable in cash upon completion of the CEA Holding Subscription. The subscription price was agreed after arm's length negotiations between the parties.

LETTER FROM THE BOARD

The subscription price per H Share under the CEA Holding Subscription is the same as that under the Investor Subscriptions. As mentioned in the section headed “SUBSCRIPTION OF NEW H SHARES BY SIA AND TEMASEK - Investor Subscription Agreement dated 9 November 2007 - Subscription price” above, the subscription price of HK\$3.80 per H Share under the Investor Subscriptions was agreed after arm’s length negotiations between the parties, and it represents a premium of 1.9% as compared to the closing price per H Share on the last trading day prior to the suspension of trading in the Company’s shares on 22 May 2007. The subscription of new H Shares by CEA Holding under the CEA Holding Subscription is intended primarily to serve a policy purpose, that is, to enable CEA Holding (a PRC entity) to maintain absolute majority control of 51.00% in the issued share capital of the Company despite the dilution effect resulting from the Investor Subscriptions. It is considered appropriate therefore for the subscription price per H Share under the CEA Holding Subscription to be the same as that under the Investor Subscriptions. Taking into account the benefits that the Share Subscriptions as a whole will bring to the Company (described in more details in the section headed “REASONS FOR AND BENEFITS OF THE SHARE SUBSCRIPTIONS” below), the Directors are of the view that the subscription price of HK\$3.80 per H Share under the CEA Holding Subscription is fair and reasonable and in the interests of the shareholders of the Company as a whole.

Conditions precedent

Completion of the CEA Holding Subscription is conditional upon certain conditions which include:

- (1) the receipt of all the licenses, authorisations, permits, consents and approvals from the relevant approval authorities and other relevant approvals for the CEA Holding Subscription and the transactions contemplated under the CEA Holding Subscription Agreement;
- (2) the approvals by the shareholders of the Company at a general meeting and class meetings for the issue of new H Shares pursuant to the CEA Holding Subscription and for the adoption of the revised Articles of Association;
- (3) simultaneous completion of the Investor Subscriptions; and
- (4) the Listing Committee of the Stock Exchange granting approval for the listing of, and permission to deal in, the CEA Holding Subscription Shares.

Completion will take place on the second business day after the satisfaction of the conditions precedent or on such other date as the parties may agree.

CEA Holding is a state-owned enterprise established in the PRC. The principal activities of CEA Holding are investment holding.

The Company is an international airline company incorporated in the PRC whose H Shares, A Shares and American depository shares are listed on the Stock Exchange, the Shanghai Stock Exchange and the New York Stock Exchange, Inc., respectively.

2.7 REASONS FOR AND BENEFITS OF THE SHARE SUBSCRIPTIONS

In recent years, the Chinese aviation industry has experienced rapid growth and development. At the same time, the competition in the airline industry has become intense.

The Company feels the necessity and importance to continue improving its management and operation, and to further strengthen its products' and services' competitiveness in the domestic and international aviation market. The Company believes that through the Share Subscriptions, it will significantly benefit from the strategic partnership with SIA and Temasek and from the capital injection.

Through the strategic partnership, the Company and SIA will engage in long term cooperation in a number of areas, including flight, maintenance and repair, procurement, marketing, secondment of personnel, code sharing, human resources, training and technical engineering. It is expected that the strategic cooperation will enable the Company to expand its product and route offerings, attain higher levels of customer services, achieve greater passenger traffic flow and revenue generation, and realize increased operating efficiency and cost savings through the coordinated activities and operations between the Company and SIA. Through the secondment of personnel, it is also expected that the Company will be able to achieve continuous synergies from SIA management playing an active role in the Company's key operational activities.

Through the strategic partnership, the Company will have access to SIA's extensive international network which enables the Company to expand and grow its international business rapidly and effectively. Leveraging SIA's world renowned brand name, successful experience in airline operations and world-class management know-hows in areas, including but not limited to, network planning, yield management, frequent flyer program and risk management, the Company will be able to further improve its revenue generation, reduce its operating costs, improve its fund management and further strengthen its financial performance and brand value.

More directly, the capital injection through the Investor Subscriptions will help improve the Company's capital structure and financial and operational position. In addition, the Company will benefit from Temasek's superior expertise in financial and investment management.

LETTER FROM THE BOARD

This strategic partnership will introduce world-class management and operation experience to China's domestic airline industry, significantly raise Chinese airlines' profile and brand image in the international markets, and promote healthy competition in China's domestic airline industry. For domestic and international passengers, the partnership will in time create tremendous value through, among other things, the offering of a greater variety of air routes and flight options, more convenient reservation and ticketing systems and improved flight operation and service quality.

The Directors believe that the terms of the Share Subscriptions are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Company has not conducted any fund raising activities within the 12 months immediately prior to the date of this circular. 2.9 FINANCIAL IMPACT OF THE SHARE SUBSCRIPTIONS

As shown in the table above, as of 30 June 2007, the Company's total assets and net assets were RMB62,644 million and RMB3,110 million respectively. With the injection of the proceeds from the Share Subscriptions of HK\$11,342,430,000 (approximately RMB10,839 million (*Note 4*)) in cash, the total assets and net assets of the Company will increase to approximately RMB73,484 million and RMB13,949 million, excluding expenses related to the Share Subscriptions. Accordingly, the net asset value per share of the Company will increase to RMB1.78 per share from the original RMB0.64 per share. Immediately upon the completion of the Share Subscriptions, the Company will become the second largest airline company in the PRC in terms of net assets, second only to Air China, which had net assets of RMB29,295 million as of 30 June 2007.

The current ratio, being current assets divided by current liabilities, of the Company as of 30 June 2007 was approximately 0.26. The gearing ratio, being the ratio of total liabilities over total assets, of the Company was approximately 0.95 as of 30 June 2007. The proceeds from the Share Subscriptions will increase the total assets of the Company and hence reduce the gearing ratio to approximately 0.81, which would be lower than that of CSA as of 30 June 2007.

Immediately upon the completion of the Share Subscriptions, the total debt over total capitalization ratio and the net debt over net capitalization ratio of the Company will be considerably improved as well. The total debt over total capitalization ratio, being the sum of total borrowings and obligations under finance leases divided by the sum of total debt and total equity (including minority interests), of the Company was approximately 93.0% as of 30 June 2007. The net debt over net capitalization ratio, being total debt less cash divided by total capitalization less cash, of the Company was approximately 92.7%. Upon the receipt of the proceeds from the Share Subscriptions, the total debt over total capitalization ratio of the Company will reduce to approximately 74.8% and the net debt over net

capitalization ratio will also reduce to approximately 67.3%. The enhanced total debt over total capitalization ratio and net debt over net capitalization ratio of the Company will be lower than those of CSA, which were approximately 80.7% and 79.6% respectively as of 30 June 2007.

Note:

LETTER FROM THE BOARD

The price/book ratio, being the H Share closing price as of the Latest Practicable Date divided by the book value per share (*Note 5*), of the Company would also decrease from 11.14x based on the book value as of 30 June 2007 to 3.40x immediately upon the completion of the Share Subscriptions, making its price/book-based trading multiple more comparable to those of Air China and CSA, which were approximately 3.43x and 3.41x respectively as of 30 June 2007. The significant decrease of the price/book ratio would make the valuation of the Company's H Shares, on a comparable basis, more in line with those of its peers.

In addition, if the Company uses a portion of the proceeds from the Share Subscriptions to pay down its debt obligations, the capital structure and financial position of the Company would be further improved. By reducing its debt obligations, the Company would also be able to reduce its interest expense and enhance its net income accordingly.

On 9 November 2007, the Company, SIA and Temasek entered into the Investor Subscription Agreement pursuant to which SIA and Temasek will, at the subscription price of HK\$3.80 per H Share, subscribe in cash for 1,235,005,263 new H Shares and 649,426,737 new H Shares respectively. Simultaneously with the entering into of the Investor Subscription Agreement, CEA Holding entered into the CEA Holding Subscription Agreement with the Company pursuant to which CEA Holding will, at the subscription price of HK\$3.80 per H Share, subscribe in cash for 1,100,418,000 new H Shares.

Since CEA Holding is the controlling shareholder and hence a connected person of the Company under the Listing Rules, the entering into of the CEA Holding Subscription Agreement and the issue of new H Shares to CEA Holding pursuant to the CEA Holding Subscription Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules and is subject to reporting, announcement and independent shareholders’ approval requirements under that Chapter. CEA Holding and its associates will abstain from voting on the resolutions to be proposed at the EGM to approve the CEA Holding Subscription Agreement and the issue of new H Shares to SIA, Temasek and CEA Holding.

LETTER FROM SHENYIN WANGUO

The Independent Board Committee, comprising the independent non-executive Directors, namely Mr. Hu Honggao, Mr. Peter Lok, Mr. Wu Baiwang, Mr. Zhou Ruijin and Mr. Xie Rong, has been established to advise the Independent Shareholders on the terms of the CEA Holding Subscription. We have been appointed to advise the Independent Board Committee and the Independent Shareholders on the same.

BASIS OF OUR OPINION

In formulating our opinion, we have relied on the information and statements supplied, opinions and representations expressed by the Company and the Directors and have assumed that all such information, statements, opinions and representations as set out in the Circular were reasonably made after due and careful inquiry and were true, accurate and complete at the time they were made and continue to be true at the date of the Circular, and we have relied on the same. We have also sought and obtained confirmation from the Company that no material facts have been omitted from the information, statements, opinions and representations referred to in the Circular.

We consider that we have been provided sufficient information to enable us to reach an informed view regarding the CEA Holding Subscription, and to justify reliance on the accuracy of the information contained in the Circular so as to provide a reasonable basis of our opinion. We have no reason to suspect that any material facts or information (which is known to the Company) have been omitted or withheld from the information or statements supplied, or opinions or representations expressed in the Circular nor to doubt the truth and accuracy of the information and facts, or the reasonableness of the opinions expressed by the Company and the Directors which have been provided to us. We have not, however, carried out any independent verification on the information provided to us by the Directors, nor have we conducted an independent in-depth investigation into the business or affairs or future prospects of the Group and CEA Holding.

As set out in Appendix III to the Circular, the Directors collectively and individually accept full responsibility for the accuracy of the information contained in the Circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts not contained in the Circular, the omission of which would make any statement in the Circular misleading.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion with regard to the CEA Holding Subscription, we have taken the following principal factors and reasons into consideration:

1. Background

On 9 November 2007, the Company, SIA and Temasek entered into the Investor Subscription Agreement pursuant to which SIA and Temasek will, at the subscription price of HK\$3.80 per H Share, subscribe in cash for 1,235,005,263 new H Shares and 649,426,737 new H Shares respectively. As set out in the letter from the Board contained in the Circular ("Letter from the Board"), the Company believes that through the Share Subscriptions, it will significantly benefit from the strategic partnership with SIA and Temasek and the capital injection through the Investor Subscriptions will help improve the Company's capital structure and financial and operational position. Besides, the Company will benefit from Temasek's superior expertise in financial and investment management.

LETTER FROM SHENYIN WANGUO

Simultaneously with the entering into of the Investor Subscription Agreement, CEA Holding entered into the CEA Holding Subscription Agreement with the Company pursuant to which CEA Holding will, at the subscription price of HK\$3.80 per H Share, subscribe in cash for 1,100,418,000 new H Shares. Completion of the Investor Subscriptions and the CEA Holding Subscription will be inter-conditional and will take place simultaneously. The Company will receive total proceeds of approximately HK\$11,342,430,000 before deduction of expenses upon completion of the Share Subscriptions. As stated in the Letter from the Board, the net proceeds are currently intended by the Company for use in, among other things, improving products of the Company, enhancing the overall quality of its service, and increasing efforts on staff training.

Immediately after completion of the Share Subscriptions, CEA Holding, SIA and Temasek will hold approximately 51.00%, 15.73% and 8.27% respectively of the issued share capital of the Company as enlarged by the issue of the Investor Subscription Shares and the CEA Holding Subscription Shares.

As stated in the Letter from the Board, CEA Holding has undertaken not to dispose of any of the CEA Holding Subscription Shares for a period of 36 months from the completion of the CEA Holding Subscription Agreement.

2. Regulatory requirements

The Group is principally engaged in the operation of civil aviation, including the provision of passenger, cargo, and mail delivery and other extended transportation services. CEA Holding, a state-owned enterprise established in the PRC, is the controlling shareholder of the Company holding approximately 59.67% of the existing issued share capital of the Company as at the Latest Practicable Date.

Pursuant to 》(CCAR-201)(總縼令第148൦)》(CCAR-209)(總局令第148൦)》(CCAR-209) (Regulations on Foreign Investment in the Civil Aviation Industry (CCAR-201) (Decree No. 110 of the General Administration of Civil Aviation of China (“CAAC”), the Ministry of Foreign Trade and Economic Cooperation of the PRC, and the State Development Planning Commission of the PRC)) effective 1 August 2002, the controlling interest of public aviation transportation enterprises in the PRC must be held by domestic investors, and the interest held by each foreign investor (including its associated companies) must not exceed 25%. In addition, pursuant to 內 (試)》(CCAR-209) (總局令第148൦)》(CCAR-209) (Decree No. 148 of the CAAC)) effective 15 August 2005 (together with Decree No. 110 above, the “Civil Aviation Investment Regulations”), the Company, which is listed as one of the public aviation transportation enterprises, must remain state-owned or state controlled.

LETTER FROM SHENYIN WANGUO

The following table shows the shareholding structure of the Company (i) as at the Latest Practicable Date; (ii) solely upon completion of the Investor Subscriptions; and (iii) upon completion of the Share Subscriptions.

As illustrated in the above table, immediately after completion of the Investor Subscriptions, CEA Holding will hold approximately 43.01% of the issued share capital of the Company as enlarged by the issue of the Investor Subscription Shares whereas SIA and Temasek (both being subsidiaries of Temasek Holdings (Private) Limited) will in aggregate hold approximately 27.91% of the enlarged issued share capital of the Company. Under such circumstances, the Company would not be able to comply with the requirements under the Civil Aviation Investment Regulations. We understand that the CEA Holding Subscription would facilitate the Company to comply with the Civil Aviation Investment Regulations. Immediately after completion of the Share Subscriptions, CEA Holding and SIA together with Temasek will hold approximately 51.00% and 24.00% respectively of the issued share capital of the Company as enlarged by the issue of the Investor Subscription Shares and the CEA Holding Subscription Shares.

LETTER FROM SHENYIN WANGUO

In view of the above, we consider that the CEA Holding Subscription, which would enable the Company to comply with the requirements under the Civil Aviation Investment Regulations, is in the interests of the Company and the shareholders of the Company as a whole.

3. Subscription price

As stated in the Letter from the Board, the subscription price of HK\$3.80 per new H Share (the “Subscription Price”) payable by CEA Holding under the CEA Holding Subscription Agreement was agreed after arm’s length negotiations between the parties to the agreement. We note that the Subscription Price is the same as the subscription price payable by SIA and Temasek under the Investor Subscription Agreement.

We have reviewed the closing prices of the H Shares as quoted on the Stock Exchange over the six-month period (the “Review Period”) from 22 November 2006 to 21 May 2007 (the “Last Trading Day”), being the last trading day of the H Shares immediately prior to the suspension of trading in the H Shares pending release of the announcement dated 2 September 2007 made by the Company in relation to, among other things, the commercial consensus with SIA and Temasek on strategic investment in the Company, and the proposed subscription of new H Shares by CEA Holding in connection therewith (the “September Announcement”). The Subscription Price of HK\$3.80 represents:

- (i) a premium of approximately 1.88% over the closing price of HK\$3.73 per H Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a premium of approximately 12.43% over the average closing price of HK\$3.38 per H Share as quoted on the Stock Exchange for the last five consecutive trading days up to and including the Last Trading Day;
- (iii) a premium of approximately 35.71% over the average closing price of HK\$2.80 per H Share as quoted on the Stock Exchange for the one-month period from 22 April 2007 to the Last Trading Day;
- (iv) a premium of approximately 52.00% over the average closing price of HK\$2.50 per H Share as quoted on the Stock Exchange for the three-month period from 22 February 2007 to the Last Trading Day; and
- (v) a premium of approximately 68.14% over the average closing price of HK\$2.26 per H Share as quoted on the Stock Exchange for the six-month period from 22 November 2006 to the Last Trading Day.

We note that the closing prices of the H Shares started an upward trend in September 2007 after the release of the September Announcement and the resumption of trading in the H Shares on 3 September 2007. Chart 1 below illustrates the closing prices of the H Shares as quoted on the Stock Exchange during the period from 22 November 2006 to the Latest Practicable Date.

Source: Bloomberg

Notes:

A represents the 6-month period from 22 November 2006 to the Last Trading Day.

B represents the period from 22 May 2007 to 2 September 2007, being the period of suspension of trading in the H Shares pending release of the September Announcement.

C represents the period from 3 September 2007, being the first trading day of the H Shares immediately upon resumption of trading in the H Shares after the release of the September Announcement, to the Latest Practicable Date.

During the period marked A in Chart 1 above, closing prices of the H Shares as quoted on the Stock Exchange ranged from HK\$1.43 to HK\$3.73 which were below the Subscription Price.

We note that prices of the H Shares closed at levels above the Subscription Price subsequent to the date of the September Announcement (being 2 September 2007) during the period marked C in Chart 1 above and the closing price of the H Shares reached a high of HK\$9.72 on 21 September 2007 during that period. As at the Latest Practicable Date, the H Share price closed at HK\$6.05. However, as illustrated in Chart 1 above, during the period from 22 November 2006 to the Latest Practicable Date, the closing prices of the H Shares ranged from HK\$1.43 to HK\$9.72 and the Subscription Price lies within this range.

- 33 -

LETTER FROM SHENYIN WANGUO

The Subscription Price represents:

- (i) a discount of approximately 50.59% to the closing price of HK\$7.69 per H Share as quoted on the Stock Exchange on 2 November 2007, being the last trading day of the H Shares immediately prior to the suspension of trading in the H Shares pending release of the announcement dated 9 November 2007 made by the Company in relation to, among other things, the Share Subscriptions;
- (ii) a discount of approximately 53.03% to the average closing price of HK\$8.09 per H Share as quoted on the Stock Exchange for the last ten consecutive trading days up to and including 2 November 2007; and
- (iii) a discount of approximately 37.19% to the closing price of HK\$6.05 per H Share as quoted on the Stock Exchange on the Latest Practicable Date.

We also note that the Subscription Price represents a premium of approximately 326.97% over the unaudited consolidated net asset value per share of the Company of approximately RMB0.8511 (or approximately HK\$0.891) as at 30 September 2007.

In assessing the Subscription Price, we have attempted to select companies that are comparable to the Company based on the criteria that these companies (i) are PRC state controlled public aviation transportation enterprises whose H shares are listed on the Stock Exchange; and (ii) have issued new H shares during the past two years. Based on our research of published information, we have identified one company, being Air China, that meets our criteria for comparison purpose and made reference to a recent transaction relating to the subscription for new H shares in Air China by Cathay Pacific Airways Limited (“Cathay”). As set out in the joint announcement dated 8 June 2006 made by, among others, Air China and Cathay, trading in Air China H shares was suspended on 5 June 2006. On 8 June 2006, Air China, Cathay and others entered into a conditional agreement (the “Air China Agreement”) in relation to, among other things, the subscription by Cathay in cash for 1,179,151,364 new Air China H shares at an aggregate subscription price of HK\$4.07 billion, representing HK\$3.45 per Air China H share (the “Air China Subscription”). We understand from the circular issued by Air China dated 3 July 2006 that the subscription price per Air China H share under the Air China Subscription was determined by the parties after arm’s length negotiation, in particular with reference to the then prevailing and average trading prices of Air China H shares prior to the entering into of the Air China Agreement on 8 June 2006.

1. Unless otherwise specified in this letter, translation of RMB into HK\$ is made in this letter, for illustration only, at the rate of RMB1.00 to HK\$1.04. No representation is made that any amount in RMB could have been or could be converted at this rate or any other rate.

LETTER FROM SHENYIN WANGUO

The subscription price per Air China H share of HK\$3.45 under the Air China Subscription represents:

- (i) a premium of approximately 11.29% over the closing price of HK\$3.10 per Air China H share as quoted on the Stock Exchange on 2 June 2006, being the last trading day of the Air China H shares immediately prior to the suspension of trading in the Air China H shares pending release of the joint announcement dated 8 June 2006 made by, among others, Air China and Cathay in relation to, among other things, the Air China Subscription;
- (ii) a premium of approximately 11.65% over the average closing price of HK\$3.09 per Air China H share as quoted on the Stock Exchange for the last five consecutive trading days up to and including 2 June 2006;
- (iii) a premium of approximately 4.23% over the average closing price of HK\$3.31 per Air China H share as quoted on the Stock Exchange for the one-month period up to 2 June 2006;
- (iv) a premium of approximately 11.29% over the average closing price of HK\$3.10 per Air China H share as quoted on the Stock Exchange for the three-month period up to 2 June 2006; and
- (v) a premium of approximately 20.21% over the average closing price of HK\$2.87 per Air China H share as quoted on the Stock Exchange for the six-month period up to 2 June 2006.

As mentioned in the Letter from the Board, the Subscription Price is the same as the subscription price under the Investor Subscriptions. It is stated in the Letter from the Board that the subscription price under the Investor Subscriptions was determined by reference to the trading prices of H Shares in May 2007. We note that the last trading day of the H Shares immediately prior to the suspension of trading in the H Shares pending the release of the September Announcement was 21 May 2007. Trading in the H Shares was resumed on 3 September 2007 after the entering into of the heads of agreement by the Company, CEA Holding, SIA and Temasek on 2 September 2007.

Having taking into account that both the Subscription Price and the subscription price per Air China H share under the Air China Subscription were arrived at between the relevant parties prior to the entering into of the relevant agreements with reference to their respective trading prices before the suspension of trading, we consider that it is appropriate to compare the Subscription Price and the subscription price per Air China H share under the Air China Subscription against the respective closing shares prices of both companies prior to the suspension of trading. The following table summarises the premiums represented by the subscription price per H share under each of the CEA Holding Subscription and the Air China Subscription over the relevant closing prices:

LETTER FROM SHENYIN WANGUO

Date/Period	Premium represented by subscription price	
	CEA Holding Subscription	Air China Subscription
Closing price on the last trading day immediately prior to the suspension of trading in the relevant H shares pending release of the initial announcement (the “Latest Trading Day”)	1.88%	11.29%
Average closing price for the last five consecutive trading days immediately prior to the suspension of trading in the relevant H shares pending release of the initial announcement (the “Last 5 Days”)	12.43%	11.65%
Average closing price for the one-month period up to the Latest Trading Day (“One-month Period”)	35.71%	4.23%
Average closing price for the three-month period up to the Latest Trading Day (“Three-month Period”)	52.00%	11.29%
Average closing price for the six-month period up to the Latest Trading Day (“Six-month Period”)	68.14%	20.21%

As demonstrated in the table above, the premium represented by the subscription price per H share under the Air China Subscription over the closing price on the Latest Trading Day is higher than that under the CEA Holding Subscription. However, the premiums represented by the Subscription Price under the CEA Holding Subscription over the average closing price for each of the Last 5 Days, One-month Period, Three-month Period and Six-month Period are well above those under the Air China Subscription.

LETTER FROM SHENYIN WANGUO

We consider that as (i) the Subscription Price lies above the range of the closing prices of the H Shares during the Review Period; (ii) the Subscription Price represents a premium over the closing price of the H Shares as quoted on the Stock Exchange on the Last Trading Day; (iii) the premiums represented by the Subscription Price over the relevant closing prices of the H Shares generally lie above those of the Air China Subscription; and (iv) the Subscription Price represents a premium of approximately 326.97% over the unaudited consolidated net asset value per share of the Company as at 30 September 2007, the Subscription Price is fair and reasonable so far as the Company and the Independent Shareholders are concerned.

4. Dilution effect

Completion of the Investor Subscriptions and the CEA Holding Subscription will be inter-conditional and will take place simultaneously. Upon completion of the Share Subscriptions, a total of 2,984,850,000 new H Shares will be issued. As illustrated in the table set out under the paragraph headed “Regulatory requirements” above, the existing independent H shareholders of the Company (being holders of H Shares other than CEA Holding and its associates) will suffer a dilution to their shareholdings from approximately 32.19% to approximately 19.96% upon completion of the Share Subscriptions.

Having take into account that:

- (i) the CEA Holding Subscription would enable the Company to comply with the requirements under the Civil Aviation Investment Regulations; and
- (ii) the capital injection through the Share Subscriptions will help improve the financial position of the Group as set out in the paragraph headed “Financial effects of completion of the Share Subscriptions” below,

we consider that the dilution on the shareholding interest of the existing independent H shareholders of the Company as mentioned above is acceptable.

LETTER FROM SHENYIN WANGUO

5. Financial effects of completion of the Share Subscriptions

The total proceeds of the CEA Holding Subscription will be approximately HK\$4,181,588,400 before deduction of expenses. As completion of the Investor Subscriptions and the CEA Holding Subscription will be inter-conditional and will take place simultaneously, the Company will receive total proceeds of approximately HK\$11,342,430,000 before deduction of expenses upon completion of the Share Subscriptions.

(i) Current ratio

According to the interim report of the Company for the six months ended 30 June 2007, the Group had unaudited current assets and current liabilities of approximately RMB8,800,906,000 (or approximately HK\$9,152,942,000) and RMB33,927,814,000 (or approximately HK\$35,284,927,000) respectively. The current ratio, being current assets divided by current liabilities, of the Group as at 30 June 2007 was approximately 0.26. With the receipt of the gross proceeds from the Share Subscriptions of approximately HK\$11,342,430,000, the cash and bank balances of the Group would be increased and hence the current ratio would rise to approximately 0.58.

(ii) Gearing ratio

According to the interim report of the Company for the six months ended 30 June 2007, the Group had unaudited total liabilities and total assets of approximately RMB59,534,563,000 (or approximately HK\$61,915,946,000) and RMB62,644,315,000 (or approximately HK\$65,150,088,000) respectively. The gearing ratio (being the ratio of total liabilities over total assets) of the Group was approximately 0.95 as at 30 June 2007. With the receipt of the gross proceeds from the Share Subscriptions of approximately HK\$11,342,430,000 in cash, the total assets of the Group would be increased and hence the gearing ratio would drop to approximately 0.81.

In view of the above, we consider that completion of the Share Subscriptions will strengthen the financial position of the Group.

LETTER FROM SHENYIN WANGUO

RECOMMENDATION

We have considered the above principal factors and reasons and, in particular, have taken into account the following factors in arriving at our opinion:

- (i) the CEA Holding Subscription would enable the Company to comply with the requirements under the Civil Aviation Investment Regulations;
- (ii) the Subscription Price is fair and reasonable so far as the Company and the Independent Shareholders are concerned;
- (iii) the dilution on the shareholding interest of the existing independent H shareholders of the Company as mentioned above is acceptable; and
- (iv) the completion of the Share Subscriptions will strengthen the financial position of the Group.

Having considered the above, we are of the view that the CEA Holding Subscription is fair and reasonable, on normal commercial terms, and in the interests of the Company and the Independent Shareholders as a whole. Accordingly, we would recommend the Independent Shareholders, and advise the Independent Board Committee to recommend to the Independent Shareholders, to vote in favour of the resolutions to be proposed at the EGM to approve the CEA Holding Subscription.

Yours faithfully,

For and on behalf of

Shenyin Wanguo Capital (H.K.) Limited
