Item 1.01 Entry into a Material Definitive Agreement.

On May 4, 2009, American Petro-Hunter, Inc. (the “Company”) entered into a binding Letter of Intent (“LOI”) with S&W Oil & Gas, LLC (“S&W”) to participate in the drilling for oil in the Poston Prospect #1 Lutters in Southwest Trego County, Kansas (the “Prospect”). Pursuant to the LOI, the Company agreed to pay S&W \$64,536 in exchange for a 25% working interest and 81.5% net revenue interest in the Prospect. In the event S&W determines that the drill stem tests and or logs support commercial production, an additional \$44,624 per 25% working interest held by the Company is due for completion of the oil well and for the purchase of necessary equipment. If any party hereto decides to not pursue the transactions contemplated by the LOI, and if the drilling rig is not on site by May 25, 2009, all funds advanced by the Company pursuant to the LOI will be due immediately and shall be repaid in full to the Company. The LOI contains customary representations and warranties by the parties.

The LOI is attached to this report as Exhibit 10.1, and the terms and conditions incorporated herein. The foregoing statement is not intended to be a complete description of all terms and conditions.
