Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company anticipates it will report revenue of approximately \$360,000 for the nine month period ending September 30, 2009 compared to revenue of \$702,360 for the nine month period ending September 30, 2008. The Company anticipates it will report a net loss attributable to common shareholders of approximately \$8,200,000, including approximately \$5,600,000 of non-cash charges for the nine month period ending September 30, 2009 compared to a net loss attributable to common shareholders of \$8,666,262, including approximately \$3,400,000 of non-cash charges for the nine month period ending September 30, 2008. The decrease in net loss is primarily due to a decrease in operating expenses of approximately \$3,000,000 partially offset by a decrease in interest income of approximately \$1,000,000, an increase in deemed preferred stock dividend of approximately \$1,000,000, and a decrease in revenue of approximately \$340,000. Results for the nine months ended September 30, 2009 are subject to further review and adjustment.
