Item 1.01. Entry into a Material Definitive Agreement.

On December 2, 2009, Education Realty Trust, Inc. (the “Company”), through 21 wholly-owned special purpose entities, entered into an Amended and Restated Master Credit Facility Agreement for a \$246 million secured credit facility with Red Mortgage Capital, Inc., a Fannie Mae DUS(R) lender (the “Amended Facility”). The Amended Facility amends and restates the existing \$222 million secured credit facility with Red Mortgage Capital, dated December 31, 2008 (the “Original Facility”). Pursuant to the Amended Facility, the Company has the ability to expand the facility up to \$300 million, provided certain conditions are met.

The Original Facility provided for fixed rate loans of approximately \$16 million, \$72 million, and \$60 million with maturities of five, seven, and ten-year terms, respectively, with a weighted average annual fixed interest rate of approximately 6.01%. The Original Facility also provided five-year variable interest rate loans based on 30-day LIBOR totaling approximately \$50 million. The variable rate loans are currently priced at a weighted average interest rate of 3.63% per annum. The Amended Facility added three new term loans totaling approximately \$48 million. The new loans consist of fixed rate loans of approximately \$8 million, \$17 million and \$23 million with maturities of five, seven and ten year terms, respectively. The weighted average annual fixed interest rate for the new term loans is approximately 5.48%. The Company provided eight student housing communities as collateral to facilitate the expansion of the Amended Facility.

Immediately prior to closing on the Amended Facility, we had existing borrowings outstanding on the Original Facility of approximately \$196 million. These borrowings were rolled over to and remain outstanding under the terms of the Amended Facility. With this funding, the Company has drawn approximately \$246 million in total loans under the Fannie Mae facility and has five unencumbered student housing properties remaining in its portfolio.

The obligations under the Amended Facility are secured by cross-collateralized first priority mortgages on 21 of the Company’s student housing communities. In addition, the nonrecourse loans are subject to standard nonrecourse carveouts, which are guaranteed by the Company and Education Realty Operating Partnership, LP.

The Amended Facility contains customary affirmative and negative covenants and also contains financial covenants that, among other things, require the Company to comply with certain liquidity and networth tests. The loans may be accelerated at the option of the lender upon the occurrence of an event of default under the terms of the facility including, without limitation, the failure to pay amounts due or filing of bankruptcy proceedings.

The amount available to the Company and the Company’s ability to borrow from time to time under the Amended Facility is subject to certain conditions and the satisfaction of specified financial covenants, which include limiting distributions to the Company’s stockholders.

The foregoing description of the Amended Facility does not purport to be complete and is qualified in its entirety by the terms of the Amended and Restated Master Credit Facility Agreement which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
