The annual meeting is being held for the following purposes:

- 1 To elect four (4) members to the Board of Directors;
- 2 To ratify the appointment of the accounting firm BDO Seidman, LLP as the Company's Independent Registered Public Accountants for the current fiscal year; and

PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of SMITH-MIDLAND CORPORATION (the “Company”) for use at the Annual Meeting of Stockholders to be held on Wednesday, August 11, 2010, at 5:00 p.m. local time at the Fauquier Springs Country Club located at 9236 Tournament Drive, Warrenton, Virginia 20186 and at any adjournment or adjournments thereof.

These proxy solicitation materials will be mailed on or about July 16, 2010, together with the Company’s Annual Report to Stockholders entitled to vote at the meeting.

This proxy statement and the annual report are available at: <http://www.edocumentview.com/SMID>

Stockholders of record at the close of business on June 22, 2010, will be entitled to vote at the annual meeting or any adjournment thereof. On or about the record date, 4,661,962 shares of the Company’s Common Stock, \$.01 par value per share (“Common Stock”), were issued and outstanding. The Company has no other outstanding voting securities.

Each share of Common Stock entitles the holder to one vote with respect to all matters submitted to Stockholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the shares outstanding. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner and (2) the broker lacks discretionary authority to vote the shares.

Abstentions or broker non-votes or failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

The affirmative vote of the holders of a majority of the shares present in person or by proxy and entitled to vote to ratify the appointment of BDO Seidman, LLP as the Company’s independent auditors for the current fiscal year will be required for approval. An abstention will be counted as a vote against this proposal and broker non-votes will have no effect on the vote.

An Annual Report, containing the Company’s audited financial statements for the years ended December 31, 2009 and December 31, 2008, is being mailed to all Stockholders entitled to vote. This Proxy Statement and the accompanying proxy will be first mailed to Stockholders on or about July 16, 2010.

Execution of a proxy will not in any way affect a Stockholder’s right to attend the Annual Meeting and vote in person. The proxy may be revoked at any time before it is exercised by written notice to the Secretary prior to the Annual Meeting, or by giving to the Secretary a duly executed proxy bearing a later date than the proxy being revoked at any time before such proxy is voted, or by appearing at the Annual Meeting and voting in person. The shares represented by all properly executed proxies received in time for the Annual Meeting will be voted as specified therein. In the absence of a special choice, shares will be voted in favor of the election of Directors of those persons named in this Proxy Statement and in favor of the proposal to ratify and approve the selection of BDO Seidman, LLP as the independent auditors for the Company for the year ending December 31, 2010.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote may be taken, such shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies. The Board of Directors knows of no matter to be acted upon at the Annual Meeting that would give rise to appraisal rights for dissenting stockholders.

Proposal No. 1

ELECTION OF DIRECTORS

Four Directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting. Each Director of the Company is elected at the Company's Annual Meeting of Stockholders and serves until his successor is elected and qualified. Vacancies and newly created directorships resulting from any increase in the number of authorized Directors may be filled by a majority vote of Directors then remaining in office. Officers are elected by and serve at the discretion of the Board of Directors.

Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for an individual Director, or for all Directors, will be voted (unless one or more nominees are unable or unwilling to serve) for the election of the nominees named below. The Board of Directors knows of no reason why any such nominee should be unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person or for fixing the number of Directors at a lesser number.

The Board unanimously recommends that Stockholders vote FOR election of the four nominees for Director.

The following table sets forth certain information concerning each nominee for election as a Director of the Company:

Name	Age	Director Since	Position
Rodney I. Smith	71	1970	Chairman of the Board of Directors, President and Chief Executive Officer

Wesley A. Taylor	62	1994	Vice President of Administration, Secretary and Director
Andrew G. Kavounis	85	1995	Director

Background

The following is a brief summary of the background of each nominee for Director of the Company:

Rodney I. Smith. Chairman of the Board of Directors, Chief Executive Officer and President. Rodney I. Smith co-founded the Company in 1960 and became its President and Chief Executive Officer in 1965. He has served on the Board of Directors and has been its Chairman since 1970. Mr. Smith is the principal developer and inventor of the Company's proprietary and patented products. He is the past President of the National Precast Concrete Association. Mr. Smith has served on the Board of Trustees of Bridgewater College in Bridgewater, Virginia since 1986. The Company believes that Mr. Smith's extensive experience in the precast concrete products industry and his knowledge of the marketplace gives him the qualifications and skills necessary to serve in the capacity as the Chairman of the Board of Directors.

Ashley B. Smith. Vice President and Director. Ashley B. Smith has served as Vice President of the Company since 1990 and as a Director since 1994. Mr. Smith holds a Bachelor of Science degree in Business Administration from Bridgewater College. Mr. Ashley B. Smith is the son of Mr. Rodney I. Smith. The Company believes that Mr. Smith's education, experience in the precast concrete industry and business experience give him the qualifications and skills necessary to serve in the capacity as a director.

Wesley A. Taylor. Vice President of Administration and Director. Wesley A. Taylor has served as Vice President of Administration of the Company since 1989 and as a Director since 1994, and previously held positions as Controller and Director of Personnel and Administration. Andrew Kavounis. Director. Andrew Kavounis has served as a Director of the Company since December 1995. Mr. Kavounis was President of Core Development Co., Inc., a privately held construction and development concern, from 1991 until he retired in 1995. From 1989 to 1991, Mr. Kavounis was the Executive Vice President of the Leadership Group, a Maryland based builder and developer. Prior to that time, Mr. Kavounis spent 37 years as an executive at assorted construction and development companies, which included a position as the National Vice President of Ryland Homes, a privately held company, in which capacity he was directly responsible for the construction of 17,000 homes annually, nationwide. Mr. Kavounis received a Bachelor of Science degree in Chemical Engineering from Presbyterian College, a Bachelor of Science degree in Civil and Mechanical Engineering from Wofford College, and a Master's degree in Business Administration from the University of South Carolina. The Company believes that Mr. Kavounis' degrees in Chemical Engineering and Civil and Mechanical Engineering and his experience in the construction industry give him the qualifications and skills necessary to serve in the capacity as a director.

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS AND OFFICERS

Director Independence

Andrew G. Kavounis is the only independent director of the Company as determined under the NASDAQ Marketplace Rules. The other Directors are not considered independent in view of their positions as executive officers of the Company.

Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation Committee which consists of Andrew Kavounis and Wesley A. Taylor. The Compensation Committee was established to set and administer the policies that govern annual compensation for the Company's executives. Following review and approval by the Compensation Committee of the compensation policies, all issues pertaining to executive compensation are submitted to the Board of Directors for approval. The Compensation Committee negotiates and approves compensation arrangements for officers, board advisors and directors of the Company, including, but not limited to, the grant of options to purchase the Common Stock pursuant to the Company's 2008 Stock Option Plan or other plans which may be established. The Compensation Committee did not meet during fiscal 2009. Instead, the Board of Directors as a whole addressed these matters. The Company also does not have a Compensation Committee charter.

The Company believes that a standing nominating committee is not necessary or cost efficient for a company its size. All directors participate in the consideration of director nominees, including Andrew Kavounis, who is the Company's independent director. The Company does not have a formal nominating committee charter. For at least the past six years, the Board of Directors has not received a recommendation from a stockholder as to a candidate for nomination to the Board of Directors and therefore has not previously formed a policy with respect to consideration of such a candidate. However, it is the Board's intent to consider any stockholder nominees that may be put forth in the future. The Board has not identified any specific minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the Board and the requirements and needs of the Company at a given time. Given the current composition, stability and size of the Board of Directors of the Company, the fact that all director-nominees are standing for re-election and that the Board has received no nominee candidates from stockholders, the Board has not considered other candidates for election at the upcoming annual meeting of stockholders.

In selecting nominees for the Board, the Company considers the diversity of each candidate in regards to the anticipated needs of the Company as a whole so as to leverage the experience and education of each director in

achieving the goals of the Company.

The Board of Directors met formally three times during 2009 and met informally on a number of occasions, voting on corporate actions, in some cases, by written consent. All of the Company's current directors attended all of the meetings of the Board of Directors either in person or by telephone.

With the exception of Rodney I. Smith and Ashley B. Smith, who are father and son, respectively, no Director or executive officer of the Company is related by blood, marriage, or adoption to any of the Company's other Directors or executive officers.

Leadership Structure

We believe that the Company is better served by the combined Chairman/CEO type of leadership. By having a strong single leader, a company of our size can adapt to market changes faster with fewer levels of decision makers. It provides a cohesive vision and strategy for the Company and strong execution ability. This type of leadership model helps assure a clear and direct line of communication to the Board of any risks, challenges or other key management issues and opportunities.

Risk Oversight

It is the responsibility of the Board to oversee the assets of the Company and to ensure that appropriate controls are in place to minimize risks associated with such assets. While the Board is tasked with the responsibility to detect potential high level risks, management is tasked with managing risk on a daily basis. Where possible, management, in conjunction with the Board, has defined high level risk controls to help mitigate the most significant risks to the Company.

Audit Committee

The Company does not have an audit committee, or a committee performing functions similar to an audit committee. The entire Board of Directors acts as the audit committee. The Company also does not have an audit committee charter. The Board of Directors has determined that the Company does not have a person serving on its Board that qualifies as an "Audit Committee Financial Expert", as defined by Securities and Exchange Commission Rules. As a small company, the Company has not had the resources to recruit a person that so qualifies.

The Board of Directors reviewed and discussed our audited financial statements as of and for the year ended December 31, 2009 with management.

The Board of Directors reviewed and discussed with representatives of BDO Seidman, LLP, our independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380), as amended. The Board of Directors has also received and reviewed the written disclosures and the letter from BDO Seidman, LLP required by PCAOB Standards, and has discussed with BDO Seidman, LLP their independence.

Based on the foregoing reviews and decisions, the Board of Directors recommended that the audited financial statements for fiscal year ended December 31, 2009 be included in the Company's Annual Report on Form 10-K.

Communication Between Stockholders and the Board of Directors

Stockholders wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the Company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the stockholder or, if no individual director is identified, to all members of the Board of Directors. The Company has not in the past required members of the Board of Directors to attend each annual meeting of the stockholders because the formal meetings have been attended by very few stockholders, and have generally been brief and procedural in nature. All of the Company's directors, however, attended the 2008 and 2009 annual meetings of stockholders. The Board will continue to monitor

stockholder interest and attendance at future meetings and re-evaluate this policy as appropriate.

Compensation of Directors

All non-employee Directors receive \$1,000 per meeting attended as compensation for their services as Directors and are reimbursed for expenses incurred in connection with the performance of their duties. All employee Directors receive \$500 per meeting attended as compensation for their services and are reimbursed for expenses incurred in connection with the performance of their duties. For the twelve months ended December 31, 2009, total payments made to all Directors were \$7,500.

Employment Contracts and Termination of Employment and Change in Control Arrangements.

The Company entered into a four-year Employment Agreement with Rodney I. Smith, its current President and Chief Executive Officer, effective as of September 30, 2002. The term of employment automatically renews commencing on the date one year after the effective date, and on an annual basis thereafter, for an additional one year, unless earlier terminated or not renewed as provided for therein. The agreement provides for an annual base salary of \$99,000 (“Base Salary”), which will be reviewed at least annually and adjusted from time to time at the determination of the Board of Directors. It also provides for an annual royalty fee of \$99,000 payable as consideration for Mr. Smith’s assignment to the Company of all of his rights, title and interest in and to the Patents (as defined in the agreement). Payment of the royalty continues only for as long as the Company is using the inventions underlying the Patents. Mr. Smith is also entitled to performance-based bonus as determined by the Board each calendar year.

Mr. Smith’s employment agreement provides further that if Mr. Smith (i) voluntarily leaves the employ of the Company within six months of his becoming aware of a Change of Control (as defined in the agreement) of the Company, then he shall be entitled to receive a lump sum amount equal to three times the five-year average of his combined total annual compensation, which includes the Base Salary and bonus, less one dollar (\$1.00), and certain other unpaid accrued amounts as of the date of his termination, or (ii) is terminated by the Company without Cause (as defined in the agreement) or leaves the Company with Good Reason (as defined in the agreement), Mr. Smith shall be entitled to a lump sum payment equal to three times the combined Base Salary and bonus paid during the immediately preceding calendar year, and such other unpaid accrued amounts. In any of such cases, the Company will provide Mr. Smith with certain Company fringe benefits for two years, subject to certain conditions as provided for in the agreement, and all of Mr. Smith’s unvested options to purchase Company stock shall become fully vested and exercisable on the date of termination. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) (“Section 16(a)”) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires executive officers and Directors and persons who beneficially own more than ten percent (10%) of the Company’s

Common Stock to file initial reports of ownership on Form 3 and reports of changes in ownership on Form 4 with the Securities and Exchange Commission (the "Commission") and any national securities exchange on which the Corporation's securities are registered.

Based solely on a review of the copies of such forms furnished to the Company and written representations from the executive officers and Directors, the Company believes that all Section 16(a) filing requirements applicable to its executive officers, Directors and greater than ten per cent (10%) beneficial owners were satisfied during 2009, except as follows: Ashley B.
