Revised segmental information for prior reporting periods

On 25 May 2011 Diageo announced changes to its reporting regional structure. From 1 July 2011 two autonomous regions, Diageo Latin America and Caribbean and Diageo Africa, replaced the International region. The Global Travel and duty free operations are now reported within the five geographical regions in which the external sales take place. The Middle East business has become part of Asia Pacific.

As a result of this change Diageo now reports the following operating segments externally:

.	North America
.	Europe
.	Africa
.	Latin America and Caribbean
.	Asia Pacific
.	Corporate

In addition, for the year ending 30 June 2012, changes have been made to the allocation of specific corporate items better reflecting the geographic segments for which they are in respect of.

As a consequence of these changes the figures for the operating segments for prior periods have been restated.

Revised segmental information for the years ended 30 June 2011 and 2010 and the six month period ended 31 December 2010 are provided below.

In addition, organic growth percentages by segment have been restated for the year ended 30 June 2011.

Diageo concludes acquisition of the Meta Abo Brewery company in Ethiopia

Diageo plc has completed the acquisition of Meta Abo Brewery Share Company SC ('Meta Brewery') with the purchase of the entire share capital for a consideration of USD225 million, subject to customary post completion adjustments.

Meta Brewery is the second largest beer company in Ethiopia with a volume share of approximately 15%. From its brewery near the Ethiopian capital Addis Ababa, it produces and distributes its flagship national lager brands Meta and Meta Premium. The acquisition will give Diageo direct access to the Ethiopian beer market and will complement Diageo's existing premium spirits business in the country.

Nick Blazquez, President, Diageo Africa, said:

"Gaining access to this exciting beer market is part of our strategy of participating at scale in beer and spirits in growth markets in Africa, and I am delighted that we are able to announce the completion of this acquisition. Meta is a strong national brand that has great heritage in Ethiopia. We will invest behind the sustainable growth of the brand, the business and the wider communities in Ethiopia.

"Over the past five years, Diageo has invested more than GBP 1 billion in building its businesses in Africa, and we will continue to look at opportunities to expand our footprint, grow our brands and secure strong routes to market."

Diageo currently distributes its premium spirits brands in Ethiopia through third party distributor arrangements. Its principle brands include Johnnie Walker Scotch whisky, Smirnoff vodka and White Horse Scotch whisky.

The beer market in Ethiopia is estimated to grow at more than 10% per annum to 2015, driven by strong GDP growth and increased disposable incomes (source: Access Capital, 2011).
