Following the Company's September 11, 2013 filing regarding the receipt and evaluation of several applications to acquire all of its holdings in Proteologics Ltd. (hereinafter "Proteologics"), which amounts to 6,738,828 ordinary shares of Proteologics (reflecting 44.95% of the issued and outstanding share capital of Proteologics as of the date of this report (hereinafter the "Sale Shares")), the Company hereby announces that today, following the approval of the board of directors of the Company, the Company has entered into an agreement with Zmiha Investment House Ltd. 1. On the date that the Buyer appoints its directors to the board of Proteologics (such that Buyer will control a majority of the directors on the board) (hereinafter: the "Completion Date") and in exchange for the payment of NIS 12,121 thousand, which includes a premium for gaining control of Proteologics (hereinafter "the Consideration"), the Buyer shall acquire from the Company, in a private transaction, the Sale Shares, free and clear of any encumbrances.
