Item 5.02(a). Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(1) Effective October 22, 2013, Mr. Henry Michon (“Mr. Michon”) resigned as a director and committee member of the Board of Directors (the “Board”) of Sugarmade, Inc. (the “Registrant” or the “Company”). At the time of Mr. Michon’s resignation, he was a board member and a committee member of the Compensation Committee of the Board of Directors of the Registrant. The Registrant believes that Mr. Michon’s resignation was a result of a disagreement with some members of the Board of Directors regarding certain board resolutions that were passed at the September 18, 2013 board meeting, which Mr. Michon believes were self-interested transactions. The Registrant has explained to Mr. Michon that each of the resolutions was unanimously approved by the disinterested directors of the Registrant who were present at the board meeting on September 18, 2013, and that the approved transactions remove approximately \$591,071 of debt from the Registrant’s balance sheet. A copy of the board minutes from the September 18, 2013 board meeting was furnished to all the board members (including Mr. Michon) on October 8, 2013. The Registrant believes that Mr. Michon’s resignation was also caused by differences of opinion between Mr. Michon and other board members regarding the conduct of the Board, the Registrant’s business operations and other transactions of the Registrant not in the ordinary course of its business.

Item 8.01. Other Events.

Edgar Filing: Sugarmade, Inc. - Form 8-K

The Registrant has compiled the required information to complete the Annual Report and its independent registered public accounting firm is in the process of auditing the financial statements for the year ended June 30, 2013 to be incorporated in the Annual Report. The Registrant expects to file the Annual Report no later than Tuesday, November 19, 2013.

The Company is currently in the process of organizing a strategic re-launch of its tree-free paper products. This re-launch is expected to take place during the first quarter of 2014. The Company is currently working to redesign the graphical and physical packaging of its products.
