PROXY STATEMENT

Dated November 5, 2013

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON DECEMBER 6, 2013

GENERAL

This Proxy Statement is being furnished to the shareholders of Accelerate Diagnostics, Inc., a Delaware corporation (the "Company"), as of October 24, 2013 (the "Shareholders"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board") from the Shareholders for use at the Annual Meeting of Shareholders for the period ended December 31, 2012, to be held at 8:00 a.m., local time, on Friday, December 6, 2013, the Herbert K. Abrams Public Health Center, 1st Floor Conference Room, 3950 South Country Club Road, Tucson, Arizona 85714, and any continuations, postponements or adjournments thereof (the "Annual Meeting"). This Proxy Statement and the accompanying Notice and proxy card are first being mailed to Shareholders on or about November 5, 2013.

INFORMATION ABOUT THE ANNUAL MEETING

When and where is the Annual Meeting?

The Annual Meeting will be held at 8:00 a.m., local time, on Friday, December 6, 2013, the Herbert K. Abrams Public Health Center, 1st Floor Conference Room, 3950 South Country Club Road, Tucson, Arizona 85714.

What is being considered at the Annual Meeting?

At the Annual Meeting, our Shareholders will be acting on the following proposals:

1. to elect the following six persons to serve as directors of the Company until the next Annual Meeting of Shareholders and thereafter until their successors shall have been elected and qualified: Lawrence Mehren, Mark C. Miller, John Patience, Jack Schuler, Matthew W. Strobeck, Ph.D. and Frank J.M. ten Brink;
2. to approve, on an advisory basis, the compensation of our named executive officers (“say-on-pay”);
3. to vote, on an advisory basis, on the frequency of future “say-on-pay” votes;
4. to ratify the selection of Ernst & Young LLP as the independent public accountants of the Company for the fiscal year ending December 31, 2013; and
5. to transact such other business as may properly come before the meeting or any continuation, postponement or adjournment thereof.

In addition, our management will report on our progress and respond to your questions.

Who is entitled to vote at the Annual Meeting?

You may vote at the Annual Meeting if you owned shares of the Company’s common stock (“Common Stock”) as of the close of business on the record date for the Annual Meeting, which was October 24, 2013. You are entitled to one vote for each share of Common Stock that you held as of the record date.

How many shares are eligible to be voted at the Annual Meeting?

There were 41,469,521 shares of Common Stock issued and outstanding as of the record date (close of business on October 24, 2013), each of which entitles the holder thereof to one vote at the Annual Meeting.

How do I vote?

You can vote in the following ways:

- by attending the Annual Meeting and voting in person;
- over the Internet or by telephone using the instructions on the enclosed proxy card;
- by completing, signing, dating and returning the enclosed proxy card (applicable only to shareholders of record); or
- by following the instructions on the voting instruction form (applicable only to beneficial holders of shares of Common Stock held in “street name”).

What if I return my proxy card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted in accordance with the Board’s recommendations, which are as follows:

- FOR election of the six director nominees;
- FOR the resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”);
- FOR holding future “say-on-pay” votes every THREE years; and

FOR ratification of the selection of Ernst & Young LLP as the Company's independent public accountants for the fiscal year ending December 31, 2013.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy or attend the Annual Meeting and vote in person.

Your shares may be voted under certain circumstances if they are held in "street name." Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. With the sole exception of the ratification of Ernst & Young LLP as the Company's independent public accountants for the fiscal year ending December 31, 2013, no matters submitted for shareholder approval herein are "routine" matters. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the selection of Ernst & Young LLP as Company's independent public accountants for the fiscal year ending December 31, 2013.

How do I vote if I hold shares registered in the name of a broker or bank?

If, on the record date (October 24, 2013), your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the Annual Meeting. If you want to attend and vote at the Annual Meeting, you must provide proof of beneficial ownership as of the record date, such as your most recent account statement showing ownership as of October 24, 2013, a copy of the voting instruction card provided by your broker or other agent, or other similar evidence of ownership. Whether or not you plan to attend the Annual Meeting, we urge you to provide voting instructions to your broker or other agent in advance of the Annual Meeting to ensure your vote is counted. Your broker or other agent will furnish you with additional information regarding the submission of such voting instructions.

Can I change my mind after I return my proxy?

Yes. You may change your vote at any time before your proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to the corporate secretary, by submitting another proxy with a later date, or by attending the Annual Meeting and voting in person. If you hold your shares in “street name,” you should consult with your bank, broker or other nominee regarding the procedures for changing your voting instructions.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by mail or the other methods described in these materials. In order for us to conduct business at the Annual Meeting, one-third (33-1/3%) of our outstanding shares of Common Stock as of the record date must be present in person or by proxy at the Annual Meeting. This is referred to as a quorum. In order to ensure that there is a quorum, it may be necessary for certain directors, officers, regular employees and other representatives of the Company to solicit proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

If a quorum is not present, then either the Chairman of the Annual Meeting or the Shareholders may adjourn the meeting until a later time. Abstentions and “broker non-votes” are counted as present or represented for purposes of determining the presence or absence of a quorum. A “broker non-vote” occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received voting instructions from the beneficial owner.

What vote is required to approve each item of business to be considered at the Annual Meeting?

Election of Directors. Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The six persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

Pursuant to rules approved by the Securities and Exchange Commission (the “SEC”) brokers are not entitled to use their discretion to vote uninstructed proxies in, among other things, uncontested director elections. In other words, if your shares are held by your broker in “street name” and you do not provide your broker with instructions about how your shares should be voted in connection with this proposal, your shares will not be voted and a “broker non-vote” will result. Therefore, if you desire that your shares be voted in connection with the election of the Board, it is imperative that you provide your broker with voting instructions. If your shares are held by your broker in “street name,” you will receive a voting instruction form from your broker or the broker’s agent asking you how your shares should be voted. Please complete the form and return it in the envelope provided by the broker or agent.

Advisory Vote on Compensation of Named Executive Officers (“Say-on-Pay”). The resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”) will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast.

Advisory Vote on Frequency of Future “Say-on-Pay” Votes. Proposal No. 3 is being submitted to enable Shareholders to express a preference as to whether future “say-on-pay” votes should be held every year, every two years or every three years. The selection that receives a plurality of affirmative votes will be considered the preference of the Shareholders. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast. Abstentions will not affect the outcome of this proposal.

Ratification of Independent Public Accountants. The ratification of the Audit Committee’s selection of Ernst & Young LLP as our independent public accountants for the fiscal year ending December 31, 2013 will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent public accountants.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed proxy card gives authority to the proxy holder(s) to vote on those matters at their discretion.

Can I dissent or exercise rights of appraisal?

Under Delaware law, Shareholders are not entitled to dissenters’ rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to Shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial

owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

There are no agreements or understandings for any of our executive officers or director to resign at the request of another person and no officer or director is acting on behalf of nor will any of them act at the direction of any other person.

Director Independence

The Board has affirmatively determined that Messrs. Miller, Patience, Schuler, Strobeck and ten Brink (constituting a majority of the full Board) are "independent directors" under NASDAQ Listing Rule 5605(a)(2) and the related rules of

the SEC. The Company's independent directors conduct executive sessions at regularly scheduled meetings as required by NASDAQ Listing Rule 5605(b)(2).

Family Relationships

There are no family relationships among any of our directors and executive officers.

Board Leadership Structure

The Board does not have an express policy regarding the separation of the roles of Chief Executive Officer and Board Chairman, as the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. Currently, Lawrence Mehren serves as the Company's Chief Executive Officer and John Patience serves as the Chairman of the Board. The Board believes that its current leadership structure best serves the objectives of the Board's oversight of management; the ability of the Board to carry out its roles and responsibilities on behalf of the shareholders; and the Company's overall corporate governance. The Board also believes that the current separation of the Chairman and CEO roles allows the CEO to focus his time and energy on operating and managing the Company and leverage the experience and perspectives of the Chairman.

Board Oversight of Risk Management

The full Board has responsibility for general oversight of risks facing the Company. The Board is informed by senior management on areas of risk facing the Company and periodically conducts discussions regarding risk assessment and risk management. The Board believes that evaluating how the executive team manages the various risks confronting the Company is one of its most important areas of oversight. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk and to manage investment, tax, and other financial risks. Finally, management periodically reports to the Board or relevant committee, which provides guidance on risk assessment and mitigation.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of securities ownership and changes in such ownership with the SEC. Directors, executive officers and greater than 10% shareholders also are required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to the Company or written representations that no Forms 5 were required, the Company believes that all Section 16(a) filing requirements were timely met during the period ended December 31, 2012, except that a Form 4 was filed late for Steve Reichling disclosing one transaction (a grant of unvested stock options that was approved on September 10, 2012).

Code of Ethics

The Company has adopted a code of ethics for its principal executive officer and senior financial officers and a code of ethics and standards of conduct that is applicable to all directors, officers and employees. Shareholders may request a free copy of these documents from: ACCELERATE DIAGNOSTICS, INC., 3950 South Country Club, Suite 470, Tucson, Arizona 85714, Attn: Corporate Secretary.

Board Committees and Meeting Attendance

The Board maintains a standing Audit Committee comprised of Mr. ten Brink (Chairman), Mr. Schuler and Dr. Strobeck. Each member of the Audit Committee satisfies the independence standards specified in Rule 5605(a)(2) of the NASDAQ Listing Rules and the related rules of the SEC and has been determined by the Board to be “financially literate” with accounting or related financial management experience. The Board has also determined that Mr. ten Brink is an “audit committee financial expert” as defined under SEC rules and regulations, and qualifies as a financially sophisticated audit committee member as required under Rule 5605(c)(2)(A) of the NASDAQ Listing Rules. The Audit Committee has a written charter, which was adopted on November 3, 2005 (when the Company’s name was “Accelr8 Technology Corporation” and the Company’s common stock was listed for trading on the AMEX Stock Market), a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee met three times during the period ended December 31, 2012.

The Audit Committee is responsible primarily for overseeing the qualifications, independence and performance of our independent public accountants; the services performed by our independent public accountants; evaluating the Company’s accounting policies and system of internal controls; and reviewing significant financial transactions. In carrying out this purpose, the Audit Committee maintains and facilitates free and open communication between the Board, the independent public accountants, and our management.

Currently, the Board does not maintain a standing Compensation Committee, but the Board intends to form a Compensation Committee comprised of independent directors and comply with the other applicable rules set forth in NASDAQ Listing Rule 5605(d) within the compliance time frames set forth therein. Until such time as a Compensation Committee is constituted, the independent directors are carrying out the functions typically performed by a Compensation Committee, including reviewing the compensation arrangements for the Company's executive officers, including the CEO; administering the Company's equity compensation plans; and reviewing the compensation of the Board.

During the period ended December 31, 2012, the Board held four meetings and took action by written consent on two occasions. Each member of the Board attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served).

The Company does not have a written policy requiring directors to attend the Annual Meeting, but attendance is encouraged. In 2012, two of the directors attended our Annual Meeting of Shareholders. We presently anticipate that one director will attend the Annual Meeting this year.

Director Nominations

The independent members of the Board have nominated Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink for election at the Annual Meeting. Each of Messrs. Mehren, Patience, Schuler, Strobeck and ten Brink is a current member of the Board. Mr. Miller was recently appointed to the Board on November 5, 2013, effective immediately.

The Board seeks to ensure that it is composed of members whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board to satisfy its oversight obligations effectively. The Board does not currently have a separate Nominating Committee because the Board does not yet believe such a committee is necessary. However, as the Company continues to grow, the Board may consider establishing a separate Nominating Committee. Currently, the independent members of the Board are responsible for identifying and appointing appropriate persons to add to the Board when necessary. In selecting Board candidates, it is the independent directors' goal to identify persons who it believes have appropriate expertise and experience to contribute to the oversight of a company of the Company's nature while also reviewing other appropriate factors.

Qualifications of Director Nominees

The Board believes that each of the persons nominated for election at the Annual Meeting have the experience, qualifications, attributes and skills that, when taken as a whole, will enable the Board to satisfy its oversight responsibilities effectively. With regard to the nominees (each of whom is currently a member of our Board), the following factors were among those considered in determining that each nominee would make valuable contributions to the Board:

Board Communications with Shareholders

To date, the Board of Directors has not adopted a formal procedure by which shareholders may recommend nominees to the Board. However, any shareholder who desires to submit a nomination of a person to stand for election of directors at the next annual or special meeting of the shareholders at which directors are to be elected must submit a notification of the shareholder's intention to make a nomination ("Notification") to the Company by the date mentioned in the most recent proxy statement under the heading "Shareholder Proposals" and in that notification must provide the following additional information to the Company:

AUDIT COMMITTEE REPORT

The Audit Committee oversees the financial reporting process of our company on behalf of our Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in our Transition Report on Form 10-K for the period ended December 31, 2012 with management, including a discussion of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Comiskey & Company, Professional Corporation (“Comiskey”), our independent registered public accounting firm that was responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles and an opinion on our internal controls over financial reporting, its judgments about our accounting principles and the other matters required to be discussed with the Audit Committee under generally accepted auditing standards, including AU Section 980 - Communication with Audit Committees. The Audit Committee has received from Comiskey the written disclosure and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Comiskey their independence. The Audit Committee has considered the effect of non-audit fees on the independence of Comiskey and has concluded that such non-audit services are compatible with the independence of Comiskey.

The Audit Committee discussed with Comiskey the overall scope and plans for its audits. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its audits and quarterly reviews, its observations regarding our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements for the period ended December 31, 2012 be included in the Transition Report on Form 10-K for the period ended December 31, 2012 for filing with the Securities and Exchange Commission.

This report has been furnished by the members of the Audit Committee.

**PROPOSAL NO. 1:
ELECTION OF DIRECTORS**

Nominees for Election at the 2013 Annual Meeting of Shareholders

The Board has nominated Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink for election as directors to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified. If elected, each of the directors will hold office as a director until our 2014 Annual Meeting of Shareholders.

If you sign your proxy or voting instruction card but do not give instructions with respect to the voting of directors, your shares will be voted for the nominees recommended by our Board. If you wish to give specific instructions with respect to the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card. The Board expects that the nominees will be available to serve as directors. If any nominee becomes unavailable, however, the proxy holders intend to vote for any nominee designated by the Board, unless the Board chooses to reduce the number of directors serving on the Board. If additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink.

Vote Required and Board Recommendation

Election of a director requires the affirmative vote of the holders of a plurality of the shares for which votes are cast at a meeting at which a quorum is present. The six persons receiving the greatest number of votes will be elected as directors. Since only affirmative votes count for this purpose, a properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders may not cumulate votes in the election of directors.

The Board recommends that shareholders vote "FOR" the election of each of Messrs. Mehren, Miller, Patience, Schuler, Strobeck and ten Brink as directors of the Company.

PROPOSAL NO. 2:

Advisory Vote on Compensation of Named Executive Officers (“Say-on-Pay”)

Proposed Advisory Resolution of Shareholders

At the Annual Meeting, shareholders will be given the opportunity to vote on the following advisory resolution:

RESOLVED, that the shareholders of Accelerate Diagnostics, Inc. hereby approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement.

Background on Proposal

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) and related SEC rules, shareholders are being given the opportunity to vote at the Annual Meeting on this advisory resolution regarding the compensation of our named executive officers (commonly referred to as “say-on-pay”). For more information about the compensation that we paid to our named executive officers during 2012, as well as a description of our overall executive compensation philosophy and program, please refer to the “Executive Compensation” section of this Proxy Statement, as well as the compensation tables and accompanying narrative disclosures that follow such section.

Effects of Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our named executive officers and will not be binding on the Board. However, the Board will consider the outcome of the vote when making future executive compensation decisions.

Vote Required and Board Recommendation

The resolution approving, on an advisory basis, the compensation of our named executive officers (“say-on-pay”) will be approved if a majority of the votes cast affirmatively or negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked “ABSTAIN” with respect to the proposal will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of the proposal. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast.

The Board recommends that shareholders vote “FOR” approval of the resolution set forth above regarding the compensation of our named executive officer.

**PROPOSAL NO. 3:
Advisory Vote on Frequency of Future “Say-on-Pay” Votes**

Shareholder Advisory Vote

At the Annual Meeting, shareholders will be given the opportunity to vote on whether they prefer to have future “say-on-pay” votes occur:

- every year;
- every two years; or
- every three years.

Background on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, shareholders are being given the opportunity to vote at the Annual Meeting on an advisory resolution regarding the compensation of our named executive officers (“say-on-pay”). See Proposal No. 2 above in this Proxy Statement. The Dodd-Frank Act and applicable SEC rules also require that, at least once every six years, shareholders be given the opportunity to vote on the advisory resolution set forth immediately above regarding the frequency of future say-on-pay votes.

Shareholders may vote to recommend that future “say-on-pay” votes be held every year, every two years or every three years. The Board currently believes that future “say-on-pay” votes should occur every three years. There are advantages and disadvantages associated with each of the frequencies permitted under the Dodd-Frank Act and applicable SEC rules. The Board believes that holding a “say-on-pay” vote every three years offers the closest alignment with the Company’s approach to executive compensation and its underlying philosophy that seek to enhance the long-term growth of the Company and to attract, retain and motivate our executive officers over the long term. The Board believes a three-year cycle for the advisory vote on executive compensation will provide investors the most meaningful timing alternative by which to evaluate the effectiveness of our executive compensation strategies and their alignment with the Company’s business and results of operations. It will also minimize the administrative, compliance and other corporate expenses associated with holding “say-on-pay” votes more frequently (e.g., every year or every two years).

Effects of Advisory Vote

Because the vote on this proposal is advisory in nature, it will not be binding on the Board. However, the Board will consider the outcome of the vote along with other factors when making its decision about the frequency of future “say-on-pay” votes.

Vote Required and Board Recommendation

This proposal is being submitted to enable shareholders to express a preference as to whether future “say-on-pay” votes should be held every year, every two years or every three years. The selection that receives a plurality of affirmative votes will be considered the preference of the stockholders. Brokers are not entitled to use their discretion to vote uninstructed proxies with respect to the proposal, and any such “broker non-votes” will not be deemed a vote cast.

The Board recommends that shareholders vote in favor of holding future “say-on-pay” advisory votes every THREE years.

PROPOSAL NO. 4:

Ratification of Ernst & Young LLP as Our Independent Public Accountants

Audit Committee Appointment – Ernst & Young LLP

Our Audit Committee, pursuant to authority granted to it by the Board, has selected Ernst & Young LLP as the Company's independent public accountants to examine our annual consolidated financial statements for the fiscal year ending December 31, 2013. The Board is submitting this proposal to the vote of the shareholders in order to ratify the Audit Committee's selection. If shareholders do not ratify the selection of Ernst & Young LLP, the Audit Committee will reconsider its selection of our independent public accountants for fiscal 2013, although the Audit Committee will be under no obligation to change its selection. Ernst & Young LLP has been our independent public accounting firm since the beginning of fiscal 2013.

Change in Independent Public Accountants

On July 1, 2013, the Audit Committee dismissed Comiskey & Company, P.C. ("Comiskey") as its independent registered public accounting firm and approved the engagement of Ernst & Young LLP to replace Comiskey as its independent registered public accounting firm for the fiscal year ending December 31, 2013.

The reports issued by Comiskey with respect to the Company's financial statements for (i) the past two fiscal years, which ended on July 31, 2011 and July 31, 2012, respectively, and (ii) the transition period that began on August 1, 2012 and ended on December 31, 2012, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and the transition period that ended on December 31, 2012 (and the subsequent interim period preceding Comiskey's dismissal), there were no disagreements between the Company and Comiskey on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of Comiskey, would have caused Comiskey to make reference to the matter.

During the Company's two most recent fiscal years and the transition period that ended on December 31, 2012 (and the subsequent interim period preceding the Company's engagement of Ernst & Young LLP), neither the Company nor anyone on its behalf consulted Ernst & Young LLP regarding any of the matters or events set forth in Item 304(a)(2)

of Regulation S-K.

As required by Item 304(a)(3) of Regulation S-K, the Company furnished a copy of the above disclosures to Comiskey and requested that Comiskey furnish the Company with a letter addressed to the SEC stating whether Comiskey agrees with the above statements. A copy of Comiskey's letter to the SEC, dated July 1, 2013, was filed as Exhibit 16.1 to the Current Report on Form 8-K filed by the Company with the SEC on July 2, 2013.

Fees Billed by Comiskey & Company, P.C.

Fees and related expenses for the transition period ended December 31, 2012 and the fiscal years ended July 31, 2012 and 2011 audits by Comiskey & Company, P.C. of our annual financial statements, its review of the financial statements included in our quarterly reports and other services that are provided in connection with statutory and regulatory filings totaled approximately \$34,257, \$38,000 and \$36,200, respectively. Fees for the fiscal years ended July 31, 2012 included billings for the issuance of consents related to our filing of registration statements during the fiscal year ended July 31, 2012.

Audit-Related Fees

During the transition period ended December 31, 2012 and the fiscal years ended July 31, 2012 and 2011, Comiskey & Company, P.C. did not bill us for any audit-related fees.

Tax Fees

During the transition period ended December 31, 2012 and the fiscal years ended July 31, 2012 and 2011, Comiskey & Company, P.C. did not bill us for any tax-related professional services.

All Other Fees

During the transition period ended December 31, 2012 and the fiscal years ended July 31, 2012 and 2011, Comiskey & Company, P.C. did not bill us for any other professional services.

Policy on Audit Committee Pre-Approval of Fees

The Audit Committee must pre-approve all services to be performed for us by our independent auditors. Pre-approval is granted usually at regularly scheduled meetings of the Audit Committee. If unanticipated items arise between regularly scheduled meetings of the Audit Committee, the Audit Committee has delegated authority to the chairman of the Audit Committee to pre-approve services, in which case the chairman communicates such pre-approval to the full Audit Committee at its next meeting. The Audit Committee also may approve the additional unanticipated services by either convening a special meeting or acting by unanimous written consent. During the transition period ended December 31, 2012 and the fiscal years ended July 31, 2012 and 2011, all services billed by Comiskey & Company, P.C. were pre-approved by the Audit Committee in accordance with this policy.

Attendance at Annual Meeting

Representatives of Ernst & Young LLP and Comiskey & Company, P.C. are not expected to be present at the Annual Meeting.

Vote Required and Board Recommendation

The ratification of the Audit Committee's appointment of Ernst & Young LLP as our independent public accountants for the fiscal year ending December 31, 2013 will be approved if a majority of the votes cast affirmatively or

negatively at the Annual Meeting are voted in favor of the proposal, assuming a quorum is present. A properly executed proxy marked "ABSTAIN" with respect to such matter will not be voted or treated as a vote cast, although it will be counted for purposes of determining whether a quorum is present. Accordingly, an abstention will not affect the outcome of this proposal. Brokers are entitled to use their discretion to vote uninstructed proxies with respect to ratification of our independent auditors.

The Board recommends a vote FOR ratification of the Audit Committee's appointment of Ernst & Young LLP as our independent public accountants for fiscal 2013.
