We are bearing all costs of this solicitation.

What matters am I voting on?

You are being asked to vote on the following matters:

- (1) To elect two Class II directors to serve for the ensuing three-year period until their successors are elected and qualified;
- (2) To approve, on an advisory basis, the executive compensation of our named executive officers;
- (3) To ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and
- (4) To transact such other business as may properly come before the meeting and any and all postponements or adjournments thereof.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 22, 2015, the record date, are entitled to vote at the Annual Meeting. As of the record date, we had issued and outstanding 8,551,578 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

How do I vote?

If you hold your shares of record, you may vote by proxy via the Internet. In addition, if you requested printed copies of the proxy materials by mail, you may vote by proxy via mail by filling out the proxy card and sending it back in the envelope provided. You may also vote in person at the Annual Meeting by submitting the ballot that will be provided to you at the meeting.

If you hold your shares in street name through a bank, broker or other holder of record, please refer to the materials provided to you by your bank, broker or other holder of record for information on communicating your voting instructions. If you hold your shares in street name and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from your bank, broker or other holder of record authorizing you to vote. You must bring this legal proxy to the Annual Meeting, present it to the inspector of election and produce valid identification. *If you hold*

your shares in street name, your bank, broker or other holder of record will not be permitted to vote on your behalf on certain matters, including with respect to the election of our directors, unless it receives voting instructions from you. To ensure that your vote is counted, please communicate your voting instructions to your broker, bank, or other holder of record before the Annual Meeting, or obtain a legal proxy and arrange to attend the Annual Meeting in person.

1

What is the effect of giving a proxy?

The persons named in the proxy have been designated as proxies by our board of directors. If you return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by our board of directors will vote your shares at the meeting as specified in your proxy.

If you return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will not be voted with respect to the election of the director nominees (Proposal 1), FOR the approval of executive compensation (Proposal 2) and will be voted FOR the ratification of the appointment of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 (Proposal 3).

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any postponements or adjournments. If any other matters are properly brought before the meeting, the persons named in the proxy will vote the proxies in accordance with their best judgment.

May I change my vote after I return my proxy card?

You may revoke your proxy at any time before it is exercised by:

delivering written notification of your revocation to our secretary;
voting in person at the meeting; or
delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted (shareholder withholding) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (broker non-vote) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum.

Abstentions are voted neither for nor against a matter, but are counted in the determination of a quorum.

How many votes are needed for approval of each matter?

The election of directors. The election of directors requires a plurality vote of the votes cast at the meeting. Plurality means that the individual who receives the largest number of votes cast FOR is elected as director. Consequently, any shares not voted FOR such nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee's favor.

Approval of executive compensation (Say on Pay). The results of the Say on Pay vote are advisory and non-binding on our board of directors. A vote FOR the Say on Pay proposal by a majority of the votes cast at the meeting with respect to such proposal will constitute the shareholders non-binding approval of our current executive compensation and related policies and procedures. Abstentions and broker non-votes will not be counted in determining the number of votes required for a majority and will therefore have no effect on the outcome.

2

Ratification of accounting firm. The ratification of the appointment of CohnReznick LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 must be approved by a majority of the votes cast at the meeting with respect to the proposal. Abstentions and broker non-votes will not be counted in determining the number of votes required for a majority and will therefore have no effect on the outcome.

3

Our common stock is listed on the NYSE MKT LLC (NYSE MKT). As a result, we follow the rules of the NYSE MKT in determining whether a director is independent. The current NYSE MKT listing standards define an independent director generally as a person, other than an officer or employee of the Company, who does not have a relationship with the Company that would interfere with the director's exercise of independent judgment. Our board of directors consults with our legal counsel to ensure that our board of directors' determinations are consistent with the NYSE MKT rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, our board of directors has determined that Kenneth McSweeney, Walter Paulick, Harvey J. Bazaar, Eric Rosenfeld, Michael Faber and Terry Stinson will be independent directors of the Company for the ensuing year. The remaining director, Douglas McCrosson, is not independent because he is currently employed by us. All members of our audit, compensation and nominating and corporate governance committees are independent.

Code of Ethics

Our board of directors has adopted a written code of ethics that applies to our directors, officers and employees that is designed to deter wrongdoing and to promote ethical conduct, full, fair, accurate, timely and understandable disclosure in reports that we file or submit to the Securities and Exchange Commission and others, compliance with applicable government laws, rules and regulations, prompt internal reporting of violations of the code and accountability for adherence to the code. A copy of the code of ethics may be found on our website at www.cpiaero.com.

Board of Directors Meetings and Committees

Our board of directors held seven meetings in 2014. All directors attended the 2014 annual shareholder meeting. Although we do not have any formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. With the exception of one director who on one circumstance could not attend a meeting, every director attended all of the meetings of the board and of the committees thereof upon which he served in 2014. We have standing compensation, audit, nominating and corporate governance and strategic planning committees. Copies of our committee charters are available free of charge on our website at www.cpiaero.com.

Leadership Structure

Our board of directors has determined to keep separate the positions of board chairman and principal executive officer at this time. This permits our principal executive officer to concentrate his efforts primarily on managing the Company's business operations and development. This also allows us to maintain an independent board chairman who oversees, among other things, communications and relations between our board of directors and senior management, consideration by our board of directors of the Company's strategies and policies and our board of director's principal executive officer evaluation processes.

Risk Oversight

Our board of directors' primary function is one of oversight. Our board of directors as a whole has responsibility for risk oversight and reviews management's risk assessment and risk management policies and procedures. Our audit committee discusses with management the Company's major financial risk exposures and reports its findings to our board of directors in connection with our board of directors' risk oversight review.

Compensation Committee Information

Our compensation committee is currently comprised of Terry Stinson (chairman), Kenneth McSweeney, Walter Paulick and Eric Rosenfeld, each an independent director under the NYSE MKT listing standards. Our board of directors has adopted a written compensation committee charter, which is reviewed annually and which the compensation committee intends to review at its next regularly scheduled meeting. The responsibilities of our Compensation Committee include:

establishing the general compensation policy for our executive officers, including the chief executive officer; reviewing the compensation paid to non-employee directors and making recommendations to the board for any adjustments;

administering our stock option and performance equity plans and determining who participates in the plans, establishing performance goals, if any, and determining specific grants and bonuses to the participants; and ensuring that any compensation plan for key executives does not encourage undue risk-taking.

Our compensation committee held five meetings this year to review, discuss and make any necessary changes to our executive and non-employee director compensation. Our compensation committee makes all final determinations with respect to compensation of executive officers, considering, among other things, its assessment of the value of each executive officer's contribution to the Company, the Company's financial performance during recent fiscal years in light of prevailing business conditions and the Company's goals for the ensuing fiscal year. Our compensation committee considers recommendations from our chief executive officer relating to the compensation of our other executive officers. For a complete discussion of our compensation committee's policies and procedures respecting executive compensation of our Named Executive Officers, please see the Compensation Discussion and Analysis below.

Our compensation committee did not engage the services of a compensation consultant in the last fiscal year, and has not engaged such consultant this fiscal year to date. However in the future, our compensation committee may utilize the services of third parties, including subscriptions to executive compensation surveys and other databases, to assist with their review of compensation for executive officers. Our compensation committee is charged with performing an annual review of the compensation of our executive officers to determine whether they are provided with adequate incentives and motivation, and whether they are compensated appropriately in accordance with our compensation policies.

Audit Committee Information and Report

Our audit committee is currently comprised of Harvey J. Bazaar (chairman), Michael Faber, Kenneth McSweeney and Walter Paulick. During the year ended December 31, 2014, our audit committee held seven meetings. All of the members of our audit committee are independent directors, as defined under the NYSE MKT listing standards and are able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

Financial Expert on Audit Committee

We must certify to the NYSE MKT that our audit committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. Our board of directors has determined that Harvey J. Bazaar's qualifications satisfy the NYSE MKT's definition of financial sophistication and also qualify him as an audit committee financial expert, as defined under the rules and regulations of the Securities and Exchange Commission.

Audit Committee Report

Our board of directors has a written audit committee charter. Our audit committee charter was last reviewed and amended by the audit committee on July 31, 2014. According to our audit committee charter, our audit committee's responsibilities include, among other things:

meeting with the independent auditor prior to the audit to review the scope, planning and staffing of the audit; reviewing and discussing with management and our independent auditor the annual audited financial statements, and recommend to the board whether the audited financial statements should be included in our Form 10-K; reviewing and discussing with management and the independent auditor the Company's quarterly financial statements prior to the filing of its Form 10-Q, including the results of the independent auditor's review of the quarterly financial statement;

discussing with management and our independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;

discussing with management the Company's earnings press releases generally, including the use of pro forma or adjusted non-GAAP information, and financial information and earnings guidance provided to analysts and rating agencies;

discussing with management and our independent auditor the effect on our financial statements of (i) regulatory and accounting initiatives and (ii) off-balance sheet structures;

discussing with management major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies;

discussing with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit, including any difficulties encountered in the course of the audit work, any restrictions on the scope of activities or access to requested information, and any significant disagreements with management;

reviewing disclosures made to our audit committee by our chief executive officer and chief financial officer during their certification process for our Form 10-Ks and Form 10-Qs about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in our internal controls;

Review the scope, planning and staffing of the audit for the Company's 401(k) Plan and review the audited financial statements for the 401(k) Plan;

verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;

reviewing and approving all related-party transactions;

inquiring and discussing with management our compliance with applicable laws and regulations; pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;

appointing or replacing our independent auditor;

determining the compensation and oversight of the work of our independent auditor (including resolution of disagreements between management and our independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work; and

establishing procedures for the receipt, retention, and treatment of complaints received by us regarding accounting, internal accounting controls, or reports which raise material issues regarding our financial statements or accounting policies.

Management has reviewed the audited financial statements in the Company's annual report on Form 10-K with our audit committee, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of our audit committee asked for management's representations and reviewed certifications prepared by the chief executive officer and chief financial officer that the unaudited quarterly and audited financial statements of the Company fairly present, in all material respects, the financial condition and results of operations of the Company.

In performing all of these functions, our audit committee acts only in an oversight capacity. The committee reviews the Company's annual reports and generally reviews its quarterly reports prior to filing with the Securities and Exchange Commission. In its oversight role, our audit committee relies on the work and assurances of the Company's management, which has the responsibility for financial statements and reports, and of our independent registered public accounting firm, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles. Our audit committee has met and held discussions with management and the Company's independent registered public accounting firm. Management represented to our audit committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and our audit committee has reviewed and discussed the financial statements with management and our independent registered public accounting firm. Our audit committee discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Company's independent registered public accounting firm also provided our audit committee with the written disclosures required by Independence Standard Board Standard No. 1 (Independence Discussions with Audit Committees) and our audit committee discussed with our independent registered public accounting firm and management the auditor's independence, including with regard to fees for services rendered during the fiscal year and for all other professional services rendered by the Company's independent registered public accounting firm. In reliance on these reviews and discussions and the report of our independent registered public accounting firm, our audit committee recommended to our board of directors, and the board has approved, that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the Securities and Exchange Commission.

Nominating and Corporate Governance Committee Information

Our board of directors has a nominating and corporate governance committee comprised of Michael Faber (chairman), Walter Paulick, Kenneth McSweeney, and Eric Rosenfeld, each an independent director under the NYSE MKT listing standards. Our nominating and corporate governance committee held four meetings during 2014. Our nominating and corporate governance committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors, and for developing and recommending corporate governance guidelines. Our nominating and corporate governance committee considers persons identified by its members, management, shareholders, investment bankers and others.

Our board of directors has adopted a written charter and established guidelines for corporate governance, the selection of director nominees and a method by which shareholders may propose to our nominating and corporate governance

committee candidates for selection as nominees for director. On April 7, 2015, the nominating and corporate governance committee reviewed its charter, the guidelines for corporate governance and criteria for the selection of director nominees.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees generally provide that persons to be nominated should be accomplished in his or her field with a reputation that is consistent with that of the Company, have relevant experience and expertise, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company and be able to promote a diversity of views based on the person's education, experience and professional employment. Our nominating and corporate governance committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. Our nominating and corporate governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. Our nominating and corporate governance committee does not distinguish among nominees recommended by shareholders and other persons.

Procedure for Shareholders to Recommend Director Candidates

Shareholders and others who wish to recommend candidates to our nominating and corporate governance committee for consideration as directors must submit their written recommendations to our nominating and corporate governance committee and include all of the information described in the section 2016 Annual Meeting Shareholder Proposals and Nominations.

Our nominating and corporate governance committee recommended to our board of directors to nominate Walter Paulick and Eric Rosenfeld for re-election as Class II directors. Our nominating and corporate governance committee did not receive proposals from any shareholders or others for suggested director candidates.

Guidelines for Corporate Governance

Our corporate governance guidelines are intended to ensure that the board of directors has the necessary authority and practices in place to review and evaluate the Company's business operations and to make decisions that are independent of the Company's management. The corporate governance guidelines also are intended to align the interests of the Company's directors and management with those of the Company's shareholders. The guidelines establish the practices the board of directors follows with respect to the obligations of the board and each director; board composition and selection; board meetings and involvement of senior management; chief executive officer performance evaluation and succession planning; board committee composition and meetings; director compensation; director orientation and education; and director access to members of management and to independent advisors.

The corporate governance guidelines were adopted by the board of directors in 2010 and are reviewed periodically and updated as necessary to reflect changes in regulatory requirements and evolving oversight practices. The guidelines were last reviewed April 7, 2015. The guidelines comply with corporate governance requirements contained in the listing standards of the NYSE MKT and enhance the Company's corporate governance policies.

Strategic Planning Committee Information

Our strategic planning committee is currently comprised of Eric Rosenfeld (chairman), Douglas McCrosson, Michael Faber and Terry Stinson. The main role of the strategic planning committee is to evaluate and analyze strategic options for the Company. The strategic planning committee held one meeting in 2014.

EXECUTIVE COMPENSATION

PROPOSAL 2 SAY ON PAY

At the 2015 annual meeting, shareholders will vote on the following resolution:

RESOLVED, that the shareholders of CPI Aerostructures, Inc. approve, on an advisory basis, the compensation of CPI Aerostructures, Inc. s named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (which include the Compensation Discussion and Analysis, the compensation tables and related narrative discussion).

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act), and rules promulgated by the Securities and Exchange Commission thereunder, enable our shareholders to vote to approve, on an advisory basis, the compensation of our Named Executive Officers as disclosed in this proxy statement in accordance with the Securities and Exchange Commission s rules. Our compensation policies are intended to ensure that executive compensation is competitive yet reasonable, supportive of organizational objectives and shareholder interests and designed to align the interests of executive officers with the Company s long-term performance and increase shareholder value. A detailed explanation of our policies and procedures in determining executive compensation is found below under the heading Compensation Discussion and Analysis and specific information regarding the current compensation of our Named Executive Officers is found in the compensation tables included below.

The Say on Pay vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the compensation policies and practices described in this proxy statement. We believe that the executive compensation as disclosed in our Compensation Discussion and Analysis, tabular disclosures and other narrative executive compensation disclosure in this proxy statement aligns with our compensation philosophy.

The Say on Pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our board of directors. As a matter of policy, the Compensation Committee has decided to include the results of the most recent Say on Pay vote when making compensation decisions and reviewing its compensation policies and practices.

THE BOARD RECOMMENDS A VOTE FOR THE APPROVAL OF THE COMPANY S COMPENSATION OF ITS NAMED EXECUTIVE OFFICERS.

Compensation Discussion and Analysis

References in this section to Employment Agreements are to the employment agreement in effect for each Named Executive Officer for the applicable period, giving effect to any and all amendments, unless context requires otherwise.

Overview

The Compensation Committee is composed of Kenneth McSweeney, Walter Paulick, Eric Rosenfeld and Terry Stinson (Chairman), each of whom is an independent director under NYSE MKT standards. The Compensation Committee oversees the compensation and employee benefit plans and practices of the Company, including its executive and non-employee director compensation plans. The Compensation Committee's goal is to ensure that executive compensation is competitive yet reasonable, supportive of organizational objectives and shareholder interests and designed to align the interests of executive officers with the Company's long-term performance and increase shareholder value.

This Compensation Discussion and Analysis concerns the compensation of Douglas McCrosson our Chief Executive Officer, Vincent Palazzolo our Chief Financial Officer and Edward J. Fred our former Chief Executive Officer, together our Named Executive Officers.

At our 2012 annual meeting of shareholders, we conducted two advisory votes regarding executive compensation – a Say on Pay vote, in which shareholders approved the then-current compensation of our Named Executive Officers, and a Say on When Pay vote, in which shareholders determined that a

Say on Pay vote should be held every three years. In accordance with the shareholder vote, the Company plans to hold a Say on Pay vote at this year's annual meeting. The following Say on When Pay vote will take place at our annual meeting to be held in 2018. The Compensation Committee considers the results of shareholder advisory votes regarding compensation when reviewing compensation and making compensation decisions.

In 2013, the Compensation Committee modified the process for determining annual salary increases for the Named Executive Officers. In 2014, the Compensation Committee also determined separation benefits and consulting compensation arrangements for Edward J. Fred in connection with his resignation as President and Chief Executive Officer of the Company.

The Compensation Committee believes that the incentives provided by the Company's compensation policies with respect to the Named Executive Officers have contributed significantly to the Company's performance. We also believe that the current compensation structure for Messrs. McCrosson and Palazzolo strikes an appropriate balance between maintaining competitive, yet reasonable, compensation levels and aligning pay with performance.

Compensation Policies and Practices

The Compensation Committee met five times during 2014 to review and discuss executive compensation matters. It has been the Company's practice to enter into three-year employment agreements with our Named Executive Officers and, if considered appropriate by our board of directors, to extend the term of the employment agreements for two additional years in the fourth quarter of the year prior to their expiration. In October 2013, the board extended the term of the Employment Agreements with each of Messrs. Fred, McCrosson and Palazzolo from December 31, 2014 to December 31, 2016. In connection therewith, the Compensation Committee tied annual base salary increases for the Named Executive Officers to achievement of performance goals established by the Compensation Committee, as described below.

In March 2014, Mr. McCrosson was appointed President and Chief Executive Officer and the Company entered into an amended and restated Employment Agreement with him. Concurrently, the Company entered into a separation agreement and an independent consulting agreement with Mr. Fred which provided for his resignation as President and Chief Executive Officer, the termination of his Employment Agreement and his engagement as a consultant to the Company. The Compensation Committee considered and determined the compensation offered to Messrs. McCrosson and Fred under each such agreement.

Determinations of executive compensation are not based on a rigid formula, but focus on both objective and subjective factors that the Compensation Committee believes indicative of a Named Executive Officer's success as an officer of the Company. The Compensation Committee assesses the value of each Named Executive Officer's contribution to the Company, the Company's financial performance during recent fiscal years in light of prevailing business conditions, the Company's goals for the ensuing fiscal years, prevailing compensation levels of the chief executive officer at companies considered to be comparable to the Company and, with respect to each other executive officer, their total compensation relative to the chief executive officer's total compensation.

As mentioned above, the Compensation Committee will also consider any recent shareholder approval votes with respect to executive compensation. The Compensation Committee considers recommendations, if any, from our chief executive officer relating to the compensation of our other executive officers. We currently do not use compensation consultants.

Compensation Components

Each of the Employment Agreements, as amended, provides for three primary compensation components: base salary, a performance-based annual bonus and perquisites and other personal benefits, each of which is discussed in detail below.

Base Salary. In addition to the factors addressed above, the Compensation Committee focuses on whether the base salary of each Named Executive Officer is commensurate with the level of responsibility his position entails and with his experience. When determining base salary, the Compensation Committee endeavors to maintain a balance in the range of base salaries of the Named Executive Officers and their respective responsibilities. For fiscal years ended December 31, 2012, 2013 and 2014, Messrs. Fred s, McCrosson s and Palazzolo s base salary under their respective Employment Agreements was:

Executive Officer	2012	2013	2014
	(\$)	(\$)	(\$)
Edward J. Fred	364,000	378,500	151,924
Douglas McCrosson	240,000	253,000	313,462
Vincent Palazzolo	243,300	253,000	263,000

Prior to its termination, Mr. Fred s Employment Agreement provided for an annual base salary of \$395,000 for 2014. Mr. Fred was paid for 20 weeks of salary in 2014. Pursuant to his separation agreement with the Company, Mr. Fred was employed by the Company as an advisor at the rate of \$395,000 per year through May 16, 2014, when his employment with the Company ended.

Before his appointment as President and Chief Executive Officer, Mr. McCrosson was the Company s Chief Operating Officer and his Employment Agreement provided for an annual base salary of \$265,000 for 2014. Upon his appointment as President and Chief Executive Officer, the Compensation Committee determined to increase his base salary to an annual rate of \$325,000 for the remainder of 2014 in consideration of his increased level of responsibility. Mr. McCrosson was paid 10 weeks of salary as COO and 42 weeks of salary as CEO in 2014.

Mr. Palazzolo s Employment Agreement provided for a base salary of \$263,000 for 2014.

The Compensation Committee s past practice has been to set annual base salary increases for each year during the term of the Employment Agreements. When renewing Employment Agreements in October 2013, the Compensation Committee determined that Messrs. McCrosson s and Palazzolo s annual base salary increases for 2015 and 2016 would now be tied to the achievement of individual performance goals. Accordingly, Messrs. McCrosson s and Palazzolo s Employment Agreements provide for discretionary base salary increases in 2015 and 2016, not to exceed 5% of the prior year s base salary, based upon the attainment of individual performance goals. Such goals are established by the Compensation Committee after consultation with Messrs. McCrosson and Palazzolo for the applicable year. The Compensation Committee believes that rewarding management based on achievement of individual performance goals provides additional incentives aligning the executive s goals with the Board s direction for the Company and the Company s overall performance. Based on Messrs. McCrosson s and Palazzolo s performance in relation to the 2014 performance goals, the Compensation Committee determined to increase each of their base salaries by 2.5% for 2015.

Performance-Based Annual Bonus. Each of the Employment Agreements provides for an annual non-discretionary bonus based on changes in our revenues and earnings before interest, taxes, depreciation, and amortization (EBITDA) from the prior year. Per each Employment Agreement, 25% of the bonus amount is determined by revenues and 75% by EBITDA. If growth targets are met on each metrics, each executive receives his baseline bonus. The current

baseline bonus for Mr. McCrosson is 60% of 100% of his base salary, an increase from 45% of his base salary as provided in his Employment Agreement prior to appointment as President and Chief Executive Officer. The current baseline bonus for Mr. Palazzolo is 45% of 100% of his base salary. Prior to termination of his Employment Agreement, Mr. Fred s baseline bonus was 65% of his base salary.

The percent of base salary used to calculate the bonus amount decreases or increases depending upon the percent increase or decrease in revenues and EBITDA. For example, if EBITDA and revenues both increase by a 25% margin for a fiscal year ending on or before December 31, 2014, then Mr. McCrosson would receive a bonus equal to (1) 75% of 60% of 110% of his base salary plus (2) 25% of 60% of 110% of his base salary. If EBITDA decreases by 5% and revenues remain the same for a fiscal year ending on or before December 31, 2014, then Mr. McCrosson would receive a bonus equal to (1) 75% of 60% of 50% of his base salary plus (2) 25% of 60% of 75% of his base salary. The performance targets and corresponding percentage of base salary used to calculate the bonus (for the applicable fiscal year) are listed in the tables below. The amounts are adjusted pro rata in the event EBITDA or revenue growth falls between two targets.

Fiscal Years Ending on or before December 31, 2014		Fiscal Years Beginning on or after January 1, 2015	
Growth	Percent of Base Salary Used to Calculate Bonus Amount	Growth	Percent of Base Salary Used to Calculate Bonus Amount
Decrease 15% or Greater	No Bonus	Decrease 15% or Greater	No bonus
Decrease 10%	75% Decrease	Decrease 10%	75% Decrease
Decrease 5%	50% Decrease	Decrease 5%	50% Decrease
Flat	25% Decrease	Flat	25% Decrease
Increase 5%	10% Decrease	Increase 2%	10% Decrease
Increase 10%	Baseline	Increase 5%	Baseline
Increase 15%	5% Increase	Increase 10%	10% Increase
Increase 25%	10% Increase	Increase 20%	25% Increase
Increase 50%	50% Increase	Increase 30%	50% Increase
Increase 100% or Greater	75% Increase	Increase 50% or Greater	75% Increase

Each executive receives part of his bonus in cash, and the balance in shares of the Company's common stock valued at the volume weighted average price of the common stock on NYSE MKT for the five consecutive trading days ending two trading days before issuance. Shares of common stock are issued pursuant to the Company's Performance Equity Plan 2009 (described below). Under Mr. McCrosson's current Employment Agreement, the first \$100,000 of his bonus is paid in cash and the balance is paid half in cash and half in shares of common stock. For years prior to his appointment as President and Chief Executive Officer, however, the first \$75,000 of his bonus was paid in cash and the balance paid half in cash and half in shares. Under Mr. Palazzolo's Employment Agreement, the first \$75,000 of his bonus is paid in cash and the balance is paid half in cash and half in shares of common stock. Prior to his resignation, the first \$140,000 of Mr. Fred's bonus was to be paid in cash and the balance paid half in cash and half in shares of common stock. The bonus structure discussed here is set forth in the Employment Agreements and remains unchanged, except for the modification of growth targets for years beginning on or after January 1, 2015, since the Employment Agreements became effective.

Primarily as a result of the change in estimate on the Company's A-10 contract in 2014, for 2014 there was a decrease of more than 15% in both EBITDA and revenues from 2013. Accordingly, Messrs. McCrosson and Palazzolo were not entitled to performance-based annual bonuses for 2014.

Considering challenges addressed by Messrs. McCrosson and Palazzolo during 2014, particularly, the transition to a new Chief Executive Officer and the A-10 change in estimate, in December 2014, the Compensation Committee awarded discretionary merit bonuses to Messrs. McCrosson and Palazzolo in the amounts of \$50,000 and \$30,000, respectively. Because Messrs. McCrosson's and Palazzolo's performance-based annual bonuses are determined by changes in the Company's prior year performance, the A-10 change in estimate has the effect of increasing such bonuses for 2015. Accordingly, the discretionary bonuses were awarded subject to Messrs. McCrosson and Palazzolo agreeing to a reduction by such amounts of performance-based annual bonuses earned by them for 2015. The table below identifies bonuses awarded to Messrs. McCrosson and Palazzolo during 2014:

Name	Bonus Calculated Based on EBITDA (\$)	Bonus Calculated Based on Revenues (\$)	Discretionary Bonus (\$)	Total Bonus Awarded (\$)
Douglas McCrosson	0	0	50,000	50,000
Vincent Palazzolo	0	0	30,000	30,000

Perquisites and Other Personal Benefits. We maintain various employee benefit plans, including medical, dental, life and disability, and these plans are available to all of the Company's key employees. Each of Messrs. McCrosson and Palazzolo is reimbursed for expenses related to the use of an automobile to be used in connection with Company business. Such expenses include lease and insurance costs, repairs and maintenance. The Company maintains a corporate golf club membership that is made available to key employees, including Messrs. McCrosson and Palazzolo. The perquisites and other personal benefits provided to Messrs. McCrosson and Palazzolo are set forth in the Employment Agreements.

Prior to termination of his employment on May 16, 2014, Mr. Fred was eligible to participate in employee benefit plans and for reimbursement of expenses related to the use of an automobile in connection with Company business. The Company will pay, for up to 18 months, Mr. Fred's medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985.

Termination and Change in Control Payments

Potential Payments under Current Employment Agreements

Mr. McCrosson's current Employment Agreement provides that if, during the employment term, we terminate him without cause or he terminates his employment for good reason (as such terms are defined therein), we will be required to pay him his base salary through the end of the employment term and for up to six months thereafter, his medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985. Mr. Palazzolo's Employment Agreement provides that if, during the employment term, we terminate him without cause or he terminates his employment for good reason (as such terms are defined therein), we will be required to pay Mr. Palazzolo his base salary through the end of the employment term. We believe such termination payments are reasonable and appropriate in light of non-competition provisions in such executives' Employment Agreements, which prohibit them from competing with the Company for a period of two years following their employment with us.

Mr. McCrosson's current Employment Agreement contains an additional provision, which provides for certain compensation in the event of a change of control (as such term is defined in the agreement) if, within 18 months of such change of control, Mr. McCrosson's employment is terminated by us without cause or by Mr. McCrosson for good reason. In such event and at Mr. McCrosson's option, in lieu of the above-discussed compensation, we will pay

him a lump sum equal to 2 times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five calendar years ending before the change of control. We believe that providing Mr. McCrosson with benefits in the face of a change of control will help us retain him and most importantly, ensure his objectivity in connection with potential transactions that may result in a change of control of the Company.

Separation and Consulting Agreement with Edward J. Fred

Pursuant to the separation agreement mentioned above and in consideration of Mr. Fred signing a release of claims, Mr. Fred received separation benefits consisting of a cash payment of \$100,000 and, for up to 18 months, payment of his medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985. Concurrently with the separation agreement, the Company entered into an independent consulting agreement with Mr. Fred, the term which began after Mr. Fred's employment ended on May 16, 2014 and continuing for a period of 18 months thereafter. Pursuant to Mr. Fred's consulting agreement, Mr. Fred provides advice and assistance in connection with our business, customers and operations. Mr. Fred is paid at a monthly rate of \$20,000. The consulting agreement incorporates certain of the restrictive covenants contained in the separation agreement, including an agreement not to compete with the Company during, and for one year after, the term of the consulting agreement. The Compensation Committee determined that the separation benefits and compensation for Mr. Fred's ongoing consulting services were appropriate.

Other Compensation Matters

Risk Assessment. The Compensation Committee has also reviewed whether the Company's compensation policies and practices might encourage inappropriate risk taking by the Company's Named Executive Officers. The Compensation Committee determined that the current compensation structure aligns the Named Executive Officers' interests with those of the Company without providing rewards for excessive risk-taking by awarding a mix of fixed and incentive compensation, with the compensation structure related to the Company's performance counterbalancing revenue and EBITDA goals, as discussed above.

Tax Considerations. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million. Certain performance-based compensation, however, is specifically exempt from the deduction limit. At this time, the Compensation Committee has not taken steps to qualify compensation for deductibility primarily because at current base salaries and bonus potential, it is unlikely that any of our Named Executive Officers would exceed the \$1 million limit in a given year.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended that the Compensation Discussion and Analysis be included in this proxy statement.

Compensation Arrangements for Named Executive Officers

Douglas McCrosson

On December 16, 2009, we entered into an employment agreement with Douglas McCrosson, which provided for Mr. McCrosson to be employed as our Chief Operating Officer from January 1, 2010 until December 31, 2012. On each of November 4, 2011 and October 31, 2013, we amended our employment agreement with Mr. McCrosson to extend his term ultimately through December 31, 2016. On March 5, 2014, we entered into an amended and restated employment

agreement with Mr. McCrosson in connection with his appointment as our President and Chief Executive Officer, which supersedes his prior employment agreement with the Company.

Under his prior employment agreement, Mr. McCrosson's annual base salary was \$253,000 and \$265,000 during 2013 and 2014, respectively. However, beginning with the effectiveness of his amended and restated employment agreement beginning March 5, 2014, Mr. McCrosson's annual base salary is \$325,000 for fiscal year 2014. For each of fiscal year 2015 and 2016, Mr. McCrosson's annual base salary will be at least equal to his base salary for the prior fiscal year, subject to a merit increase of up to five percent to be determined at the discretion of the Company's Compensation Committee on the basis of Mr. McCrosson's attainment of

individual performance goals set by the Compensation Committee (after consultation with Mr. McCrosson). Mr. McCrosson also receives a performance-based annual bonus upon the attainment of certain Company growth targets measured by EBITDA and revenue. The manner of calculating and paying such bonus is set forth in the Compensation Discussion and Analysis above. For the year ended December 31, 2014, Mr. McCrosson's received no performance based compensation though he received a \$50,000 one-time discretionary bonus subject to him agreeing to a reduction in amounts from the annual bonus earned by him under his employment agreement for the year ended December 31, 2015. For the year ended December 31, 2013, Mr. McCrosson's performance-based compensation was \$11,389, paid all in cash. For the year ended December 31, 2012, Mr. McCrosson's performance-based compensation was \$107,996 of cash and 3,877 shares of common stock, valued at \$32,996 (\$8.51 per share).

Under both his prior and current employment agreement, Mr. McCrosson is prohibited from disclosing confidential information about us and he has agreed not to compete with us during the term of his employment and for two years thereafter. Mr. McCrosson's current employment agreement provides for certain payments upon termination and a change of control addressed in the section below entitled Payments Upon Termination or Change in Control.

Vincent Palazzolo

On December 16, 2009, we entered into an employment agreement with Vincent Palazzolo, which provides for Mr. Palazzolo to continue to be employed as our Chief Financial Officer until December 31, 2012. On each of November 4, 2011 and October 31, 2013, we amended our employment agreement with Mr. Palazzolo to extend his term ultimately through December 31, 2016. Under his employment agreement, as amended, Mr. Palazzolo's annual base salary for 2013 was \$253,000 and will be \$263,000 for 2014. For fiscal years beginning January 1, 2015, the Compensation Committee determined to increase his base salary by 2.5%, based upon the attainment of individual performance goals established each fiscal year for Mr. Palazzolo.

Mr. Palazzolo also receives a performance-based annual bonus upon the attainment of certain Company growth targets measured by EBITDA and revenue. The manner of calculating and paying such bonus is set forth in the Compensation Discussion and Analysis above. For the year ended December 31, 2014, Mr. Palazzolo's did not receive any performance based compensation, though he did receive a one-time discretionary bonus of \$30,000 subject to him agreeing to a reduction in amounts from the annual bonus earned by him under his employment agreement for the year ended December 31, 2015. For the year ended December 31, 2013, Mr. Palazzolo's performance-based compensation was \$11,329, paid all in cash. For the year ended December 31, 2012, Mr. Palazzolo's performance-based compensation was \$108,965 of cash and 3,991 shares of common stock, valued at \$33,965 (\$8.51 per share).

Under his employment agreement, Mr. Palazzolo is prohibited from disclosing confidential information about us and he has agreed not to compete with us during the term of his employment and for two years thereafter. Mr. Palazzolo's employment agreement does not contain any change in control provisions, but does provide for certain termination payments addressed in the section below entitled Payments Upon Termination or Change in Control.

Edward J. Fred

On December 16, 2009, we entered into an amended and restated employment agreement with Edward J. Fred, which provided for Mr. Fred to continue to serve as our President and Chief Executive Officer until December 31, 2012. We amended Mr. Fred's employment agreement on each of November 4, 2011 and October 31, 2013, ultimately extending his contract through December 31, 2016. On March 5, 2014, Mr. Fred resigned his position as our President and Chief Executive Officer. In connection therewith, we entered into a separation agreement with Mr. Fred, terminating his prior employment agreement with us.

Pursuant to his prior employment agreement, as amended, Mr. Fred's annual base salary was \$378,500 and \$395,000 for 2013 and 2014, respectively. Mr. Fred also received a performance-based annual bonus based on certain growth targets measured by EBITDA and revenue, calculated and paid in the manner set forth in the Compensation Discussion and Analysis above. For the year ended December 31, 2013, Mr. Fred's performance-based compensation was \$24,482, paid all in cash. For the year ended December 31, 2012, Mr. Fred's performance-based compensation was \$225,115 of cash and 10,002 shares of common stock, valued at \$85,115 (\$8.51 per share).

Under the separation agreement, Mr. Fred was employed by the Company as an advisor at the rate of \$395,000 per year through May 16, 2014, when his employment with us ended. In consideration of Mr. Fred signing a release of claims, Mr. Fred received separation benefits consisting of a cash payment of \$100,000 and, for up to 18 months, payment of his medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985. We also entered into an independent consulting agreement with Mr. Fred, the term which began after Mr. Fred's employment with us ended on May 16, 2014 and continues for a period of 18 months thereafter. Mr. Fred provides advice and assistance in connection with our business, customers and operations and is paid at a monthly rate of \$20,000. The consulting agreement contains restrictive covenants, including an agreement not to compete with us during, and for one year after, the term of the consulting agreement.

Payments Upon Termination or Change in Control

Compensation Arrangements as of December 31, 2014

The employment agreements in effect as of December 31, 2014 with each of Messrs. Fred, Palazzolo and McCrosson provided for varying types and amounts of payments and additional benefits upon termination of employment during the term of such employment agreements, depending on the circumstances of the termination. The following is a brief description of such termination payments and circumstances as of December 31, 2014 under the then-current employment agreements.

Death. In the event that any of our Named Executive Officers employment terminated by his death, we would have had to pay to his estate an amount equal to (a) base salary due through date of death, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We would also have had to pay to Mr. Fred and Mr. Palazzolo, in the event of termination by such executive's death, any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A full calendar month for this purpose means any month such executive worked at least two weeks.

23

Disability. We could terminate any of our Named Executive Officers if, by reason of illness or incapacity, such Named Executive Officer failed to perform his duties contemplated by the agreement for a period of six months consecutively. Such termination would have had to have been made by written notice and constitute a termination by reason of disability. The Company would have had to pay to the Named Executive Officer so terminated an amount equal to (a) base salary due through date of termination, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We would also have had to pay to Mr. Fred and Mr. Palazzolo, in the event of termination by such executive's disability, any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A full calendar month for this purpose means any month such executive worked at least two weeks.

By Company for Cause. If the Company had terminated any of our Named Executive Officers by written notice for cause, such Named Executive Officer would be entitled to receive only (a) his base salary through the date of termination, (b) valid expense reimbursements and (c) any unused vacation through the date of termination required by law to be paid. Generally, cause as defined in the employment agreements means (i) a failure by such person to carry out his duties as an officer that are material to the performance of his position, (ii) a material breach of the employment agreement, (iii) fraud or dishonesty in any dealings or business related to the Company or (iv) conviction of a felony under federal or state law. Named Executive Officers would have had to be given the opportunity to eliminate a problem giving rise to cause within 30 days notice that such problem exists, but no Named Executive Officer would have been entitled to more than two such periods to cure in any 12 month period.

By Executive with Good Reason. Upon proper notice, if a Named Executive Officer had terminated his employment for good reason, we would have had to pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. Only for Mr. Fred, the Company would also have had to provide the same medical insurance covering him as of the date of termination through June 30, 2016. Good Reason generally means (i) a demotion by way of a materially adverse change in his duties, responsibilities or title, (ii) material breach by the Company of the Employment Agreement, (iii) failure by the Company to make a payment to the Named Executive Officer when such payment is due or (iv) liquidation, bankruptcy or receivership of the Company. The Company would have had to be given the opportunity to correct any problem identified as good reason within 30 days of being notified of such problem, but would not have been entitled to more than two such periods to cure in any 12 month period.

By Company without Cause. If the Company terminates a Named Executive Office without cause, we generally must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. Only for Mr. Fred, the Company must also provide the same medical insurance covering him as of the date of termination through June 30, 2016.

By Executive without Reason. If Mr. Fred had terminated his employment for any reason with 75 days notice to the Company, we would have had to pay him an amount equal to (a) base salary due through date of termination, (b) any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12, (c) all earned and approved, but unpaid bonus for any year prior to the year of termination, (d) all valid expense reimbursements and (e) all accrued but unused vacation pay. A full calendar month for this purpose means any month Mr. Fred worked at least 2 weeks.

Change in Control. In the event of a change of control prior to a termination by the Company without cause or by Mr. Fred for good reason, then, at Mr. Fred's option, in lieu of the above compensation and benefits, we would have had to pay him an amount equal to 2.99 times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five calendar years before the change of control. Such payments would have had to be made in two installments—the first to be paid on his date of termination, the remainder to be paid six months after the date of termination. A change in control occurs when any person or entity other than the Company and/or any officers or directors of the Company as of the date of his Employment Agreement acquires securities of the Company (in one or more transactions) having 50% or more of the total voting power of all the Company's securities then outstanding.

Under the employment agreements in effect as of December 31, 2014, Mr. Palazzolo did not have a duty to mitigate awards payable under the above conditions and any compensation paid from any source other than the Company does not offset or terminate the Company's obligations to make such payments. Mr. McCrosson did not have a duty to mitigate the above-described payments, however, if he received a payment for (a) termination by the Company without cause or (b) termination by him for good reason, then any compensation paid to him from sources other than the Company would have offset or terminated the Company's obligation to make such payments.

The following table summarizes the amounts payable upon termination of employment for each of Messrs. Palazzolo and McCrosson assuming termination occurred on December 31, 2014 under the then-current employment agreements with each Named Executive Officer. For purposes of presenting amounts payable over a period of time (e.g., salary continuation), the amounts are shown as a single total but not as a present value (i.e., the single sum does not reflect any discount).

Name	Death or Disability (\$)	By Company for Cause (\$)	By Executive for Good Reason or By Company without Cause (\$)	By Executive without Reason (\$)	Change in Control (\$)
Douglas McCrosson			650,000		650,000
Vincent Palazzolo			500,000		

Compensation Arrangements Following Resignation of Edward J. Fred

As explained above, on March 5, 2014, Mr. Fred resigned as our President and Chief Executive Officer. Notwithstanding the payments due Mr. Fred pursuant to the terms of his employment agreement described above, we entered into a separation agreement with Mr. Fred, which terminated his prior employment agreement and provided for the terms of Mr. Fred's resignation, including a cash payment of \$100,000 in consideration of a release of claims and for up to 18 months, payment of his medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985. Our obligation to pay such insurance premiums ends upon Mr. Fred's eligibility to obtain any group insurance coverage from other employment. We estimate payments for continued medical and dental benefits to be approximately \$450 per month. Mr. Fred also received his performance-based annual bonus for the year ended December 31, 2013, but will not receive a bonus for the years ended December 31, 2014 or 2015.

In connection with his appointment as our President and Chief Executive Officer, the Company entered into an amended and restated employment agreement with Mr. McCrosson, which included some changes to the payments due Mr. McCrosson upon termination and a change of control. Below is a summary of payments to be made to Mr. McCrosson under his current employment agreement.

Death. In the event of Mr. McCrosson's death, we will pay to his estate an amount equal to (a) base salary due through date of death, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay.

25

Disability. We may terminate Mr. McCrosson for reason of illness or incapacity if he fails to perform his duties contemplated by the agreement for a period of six months consecutively. Such termination will be made by written notice and constitute a termination by reason of disability. Upon such termination, the Company shall pay to Mr. McCrosson an amount equal to (a) base salary due through date of termination, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay.

By Company for Cause. If the Company terminates Mr. McCrosson by written notice for cause, he will receive only (a) his base salary through the date of termination, (b) valid expense reimbursements and (c) any unused vacation through the date of termination required by law to be paid. Cause as defined in the Employment Agreements means (i) a failure by such person to carry out his duties as an officer that are material to the performance of his position, (ii) a material breach of the employment agreement or a material violation of established policies of the Company, (iii) fraud or dishonesty in any dealings or business related to the Company or (iv) conviction of a felony under federal or state law. Mr. McCrosson must be given the opportunity to eliminate a problem giving rise to cause within 30 days notice that such problem exists, but will not be entitled to more than two such periods to cure in any 12 month period.

By Executive with Good Reason. Upon proper notice, Mr. McCrosson may terminate his employment for good reason and will be entitled to an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. The Company must also provide payment of monthly premium cost of continued coverage under our medical and dental insurance under COBRA for six months following the date of termination. Good Reason generally means (i) a demotion by way of a materially adverse change in his duties, responsibilities or title, (ii) material breach by the Company of the Employment Agreement, (iii) failure by the Company to make a payment to the executive when such payment is due or (iv) liquidation, bankruptcy or receivership of the Company. The Company must be given the opportunity to correct any problem identified as good reason within 30 days of being notified of such problem, but shall not be entitled to more than two such periods to cure in any 12 month period.

By Company without Cause. If the Company terminates Mr. McCrosson without cause, we generally must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. The Company must also provide payment of monthly premium cost of continued coverage under our medical and dental insurance under COBRA for six months following the date of termination.

Change in Control. In the event of a change of control prior to a termination by the Company without cause or by Mr. McCrosson for good reason, then, at Mr. McCrosson's option if he is terminated without cause or for good reason within 18 months of such change of control, in lieu of the above compensation and benefits, we will pay him an amount equal to two times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five calendar years before the change of control. Such payment will be made in two installments—the first to be paid on his date of termination, the remainder to be paid six months after the date of termination. A change in control occurs when any person or entity other than the Company and/or any officers or directors of the Company as of the date of his Employment Agreement acquires securities of the Company (in one or more transactions) having 50% or more of the total voting power of all the Company's securities then outstanding.

Mr. McCrosson does not have a duty to mitigate the above-described payments, however, if he receives a payment for (a) termination by the Company without cause or (b) termination by him for good reason, then any compensation paid to him from sources other than the Company will offset or terminate the Company's obligation to make such payment.

Additionally, the Company's obligation to pay insurance premiums for

Mr. McCrosson upon a termination without cause or by Mr. McCrosson for good reason ends upon Mr. McCrosson's eligibility for group insurance coverage from other employment (whether or not he elects such coverage).

The payments due Mr. Palazzolo upon his termination in the circumstances described above remain unchanged from the arrangements in effect for him as of December 31, 2014.

The assumptions related to the valuation of our stock options are disclosed in Note 9 of our audited financial (1) statements for the year ended December 31, 2014, included in our annual report on Form 10-K filed with the Securities and Exchange Commission on March 6, 2015.

(2) Mr. Stinson was elected at the Company's annual meeting on June 17, 2014, and accordingly his compensation was pro rated for the year.

Pursuant to the non-employee director compensation plan in effect for 2014, non-employee directors were compensated as follows: Chairman of the Board, \$250,000 (cash payment, \$102,575); Chairman of the Audit Committee and the Chairman of the Compensation Committee \$180,000 each (cash payment, \$66,950), and all other non-employee directors, \$75,000 (cash payment, \$24,750). The number of shares subject to the non-employee director option was calculated using the Black-Sholes option pricing model. The annual cash compensation due each director was paid quarterly as has been the Company's past practice. The options were awarded on the first business day after January 1st and were immediately exercisable. Beginning fiscal year 2015, the non-employee directors began receiving restricted stock units that vest quarterly in lieu of options. On December 16, 2015, the board adopted a non-employee director stock ownership policy. Commencing January 1, 2015 non-employee directors are required to own stock of the Company valued at least four times his annual cash compensation before and following any stock sales.

Pension Benefits

Other than our 401(k) plan, we do not maintain any other plan that provides for payments or other benefits at, following, or in connection with retirement.

Certain Relationships and Related-Party Transactions

Related-Party Policy. Our Code of Ethics requires us to avoid, wherever possible, all related-party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by our board of directors (or our audit committee). Securities and Exchange Commission rules generally define related-party transactions as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of our common stock, or (c) immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. Our audit committee considers all relevant factors when determining whether to approve a related-party transaction, including whether the related-party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related-party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related-party, but that director is required to provide our audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related-party transactions. These procedures are intended to determine whether any such related-party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related-Party Transactions. We did not engage in any related party transactions in the fiscal year ended December 31, 2014 as required to be reported pursuant to rules of the Securities and Commission Exchange.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. These reporting persons also are required by regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required during the year ended December 31, 2014, all Section 16 reports were timely filed by our officers, directors and greater than ten percent beneficial owners.

PROPOSAL 3 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We expect that representatives of CohnReznick LLP will be present at the annual meeting of shareholders and that they will be available to respond to appropriate questions submitted by shareholders at the meeting. CohnReznick LLP will have the opportunity to make a statement if they desire to do so.

The aggregate fees billed by our independent registered public accounting firm for professional services rendered for the audits of our annual financial statements for the years ended December 31, 2014 and 2013 and review of financial statements included in our quarterly reports on Form 10-Q or services that are normally provided by our independent registered public accounting firm in connection with statutory and regulatory filings or engagements for those periods, were \$285,202 and \$305,000, respectively.

All Other Fees. The aggregate fees billed by our independent registered public accounting firm for professional services rendered for other services during the same periods, including out of pocket expenses were \$2,550 and \$2,938, respectively.

Pre-Approval Policies and Procedures. In accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent registered public accounting firm to render audit or non-audit services, the engagement is approved by our audit committee. Our audit committee approved all of the fees referred to in the sections entitled *Audit Fees*, *Tax Fees* and *All Other Fees* above.

Ratification by the shareholders of the appointment of an independent registered public accounting firm is not required, but our board of directors believes that it is desirable to submit this matter to the shareholders. If a majority of the votes cast at the meeting do not ratify the selection of CohnReznick LLP at the meeting, the selection of an independent registered public accounting firm will be reconsidered by our audit committee.

THE BOARD RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.
