**Item 1.01. Entry into a Material Definitive Agreement.**

On September 1, 2015, Novavax, Inc. (the “Company”), entered into a Second Amendment to the License Agreement (the “License Amendment”) with Wyeth Holdings LLC (formerly known as Wyeth Holdings Corporation, “Wyeth”), which amends that certain License Agreement dated July 5, 2007 between the Company and Wyeth (as previously amended by the First Amendment to the License Agreement, dated March 17, 2010, the “License Agreement”). The License Amendment, among other things, restructures a \$3 million milestone payment owed as a result of the Company’s Indian joint venture, CPL Biologics Private Limited, initiation of a Phase 3 clinical trial for its recombinant trivalent seasonal virus-like particle (“VLP”) influenza vaccine candidate in 2014. Under the License Amendment the milestone payment, which may increase slightly over time, shall be due in connection with the initiation of a Phase 3 clinical trial for the initial seasonal influenza VLP vaccine candidate being developed outside India, but in any case such payment shall be due no later than December 31, 2017. The License Amendment also restructures the final milestone payment to apply to the initial seasonal influenza VLP vaccine candidate being developed outside India. Thus, the aggregate milestone payments for a seasonal influenza VLP vaccine candidate developed and commercialized is increased from \$14 million to up to \$15 million. In connection with the execution of the License Amendment, the Company agreed to pay a one-time only, upfront payment to Wyeth. The License Amendment also increases annual license maintenance fees associated with VLP vaccine candidates from \$0.2 to \$0.3 million per year. The License Agreement as amended will remain effective as long as at least one claim of the licensed patent rights covers the manufacture, sale or use of any product; unless terminated sooner at the Company’s option or by Wyeth for an uncured breach by the Company.

The foregoing description of the License Amendment is qualified in its entirety by reference to the Company’s License Amendment, a copy of which is attached to this Current Report on Form 8-K as Exhibit 10.1, incorporated by reference into this Item 1.01.
