INFORMATION ABOUT VOTING

Who Can Vote at the Meeting

You are entitled to vote your shares of United Community common stock only if the records of the Company show that you held your shares as of the close of business on October 14, 2016. As of the close of business on October 14,

Edgar Filing: United Community Bancorp - Form DEF 14A

2016, a total of 4,198,143 shares of United Community common stock were outstanding and entitled to vote. Each share of common stock has one vote.

Ownership of Shares; Attending the Meeting

You may own shares of United Community in one of the following ways:

· Directly in your name as the stockholder of record;

· Indirectly through a broker, bank or other holder of record in “street name”; or

· Indirectly in the United Community Bancorp Stock Fund of our 401(k) Plan, the United Community Bank Employee Stock Ownership Plan (the “ESOP”), the United Community Bancorp, Inc. 2006 Equity Incentive Plan (the “2006 Plan”) or the United Community Bancorp, Inc. 2014 Equity Incentive Plan (the “2014 Plan”), as applicable.

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these proxy materials directly to you. As the holder of record, you have the right to give your proxy directly to us or to vote in person at the meeting.

If you hold your shares in street name, your broker, bank or other holder of record is sending these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form that accompanies your proxy materials. Your broker, bank or other holder of record may allow you to deliver your voting instructions via the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of United Community common stock held in street name in person at the meeting, you must obtain a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares. See “*Participants in the ESOP, 401(k) Plan, 2006 Plan or 2014 Plan*” for information on your voting rights under these plans.

Quorum and Vote Required

Quorum. The annual meeting will be held only if there is a quorum. A quorum exists if a majority of the outstanding shares of common stock entitled to vote is represented at the meeting.

Votes Required for Proposals. At this year’s annual meeting, stockholders will elect two directors, each to serve a term of three years. In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. “Plurality” means that the nominees receiving the largest number of votes cast will be elected as directors up to the maximum number of directors to be elected at the annual meeting.

In voting on the ratification of the appointment of Clark, Schaefer, Hackett & Co. as our independent registered public accountants, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To ratify the selection of Clark, Schaefer, Hackett & Co. as our independent registered public accountants, the affirmative vote of a majority of the shares represented at the annual meeting and entitled to vote is required.

In the advisory vote on the non-binding resolution to approve the compensation of the named executive officers, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To approve the non-binding resolution on an advisory basis, the affirmative vote of the majority of the shares represented at the meeting and

entitled to vote at the annual meeting is required.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Item 1 of this proxy statement), and the non-binding resolution to approve the compensation of the named executive officers (Item 3 of this proxy statement). In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate.

Your bank or broker may not vote your uninstructed shares in the election of directors (Item 1 of this proxy statement) or the non-binding resolution to approve the compensation of the named executive officers (Item 3 of this proxy statement) on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors or the non-binding resolution to approve the compensation of the named executive officers no votes will be cast on your behalf. These are referred to as broker non-votes. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Item 2 of this proxy statement).

How We Count Votes. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes, if any, also will be counted for purposes of determining the existence of a quorum. In the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election. In counting the votes on the non-binding resolution to approve the compensation of the named executive officers and the proposal to ratify the selection of the independent registered public accountants, abstentions will have the same effect as a negative vote and broker non-votes will have no effect on the voting.

Voting by Proxy

The Board of Directors of United Community is sending you this proxy statement for the purpose of requesting that you allow your shares of United Community common stock to be represented at the annual meeting by the persons named in the enclosed proxy card and/or voting instruction card. All shares of United Community common stock represented at the annual meeting by properly executed and dated proxy and/or voting instruction cards will be voted according to the instructions indicated on the proxy or voting instruction card. If you sign, date and return a proxy or voting instruction card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

The Board of Directors recommends a vote:

“FOR” each of the nominees for director;

“FOR” ratification of Clark, Schaefer, Hackett & Co. as our independent registered public accountants for the fiscal year ending June 30, 2017; and

“FOR” the approval of the compensation of the named executive officers.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own best judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the annual meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your United Community common stock may be voted by the persons named in the proxy card on the new annual meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the annual meeting.

You may revoke your proxy at any time before the vote is taken at the meeting, regardless of whether you submitted your original proxy by mail or the Internet. To revoke your proxy you must either advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later-dated proxy, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

Voting by Internet

Instead of voting by mailing a proxy card, registered stockholders can vote their shares of Company common stock via the Internet. The Internet voting procedures are designed to authenticate stockholders' identities, allow stockholders to provide their voting instructions and confirm that their instructions have been recorded properly. Specific instructions for Internet voting are set forth on the enclosed proxy card. The deadline for voting via the Internet is 11:59 p.m., Eastern time, on December 7, 2016.

Participants in the ESOP, 401(k) Plan, 2006 Plan and/or 2014 Plan

If you participate in the ESOP or if you hold shares through the United Community Bank 401(k) Profit Sharing Plan (the "401(k) Plan") or have unvested shares of restricted stock awarded under the 2006 Plan and/or the 2014 Plan, you will receive a voting instruction card that reflects all shares you may direct the various plan trustees to vote on your behalf under each applicable plan. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all unallocated shares of Company common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to direct the trustee as to the voting of the shares in the United Community Bancorp Stock Fund credited to his or her account. The Bank will direct the plan trustee to vote all shares for which no directions are given or for which instructions were not timely received in the same proportion as shares for which the trustee received voting instructions. If you participate in the 2006 Plan and/or the 2014 Plan, you will also receive a voting instruction card to direct the Equity Incentive Plan trustee how to vote the unvested shares of Company common stock awarded to you under these Plans. **The deadline for returning your voting instructions to each plan's trustee is December 1, 2016.**

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

The Company's Board of Directors currently consists of nine members, each of whom are "independent" under the listing standards of the NASDAQ Stock Market, except for William F. Ritzmann, the Chairman of the Board and former President and Chief Executive Officer of United Community and United Community Bank, Elmer G. McLaughlin, the President and Chief Executive Officer of United Community and United Community Bank and Robert J. Ewbank. As previously reported, G. Michael Seitz, who was previously determined not to be independent under the listing standards of the NASDAQ Stock Market, passed away on November 10, 2015. In determining the independence of its directors, the Board considered transactions, relationships or arrangements between United Community, United Community Bank and its directors that were required to be disclosed in this proxy statement under the heading "*Transactions with Related Persons.*"

Board Leadership Structure and Board's Role in Risk Oversight

The Board of Directors has determined that the separation of the offices of Chairman of the Board and President and Chief Executive Officer and the appointment of an Independent Lead Director enhances Board independence and oversight. Moreover, the separation of the Chairman of the Board and President and Chief Executive Officer and the appointment of an Independent Lead Director allows the President and Chief Executive Officer to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening the Company's franchise while allowing the Chairman of the Board and the Independent Lead Director to lead the Board in its fundamental role of providing advice to and independent oversight of management. Consistent with this determination, William F. Ritzmann serves as Chairman of the Board of Directors and Ralph B. Sprecher serves as Independent Lead Director. Mr. Sprecher is "independent" under the listing requirements of the NASDAQ Stock Market; however, Mr. Ritzmann is currently not independent.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board and the Independent Lead Director meet regularly with management to discuss strategy and the risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board, Independent Lead Director and independent members of the Board work together to provide strong, independent oversight of the Company's

management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Corporate Governance Policies

The Board of Directors has adopted a corporate governance policy to govern certain activities, including: the duties and responsibilities of each director; the composition, responsibilities and operation of the Board of Directors; the establishment and operation of Board committees; succession planning; convening executive sessions of independent directors; the Board of Directors' interaction with management and third parties; and the evaluation of the performance of the Board of Directors and of the Chief Executive Officer.

Committees of the Board of Directors of United Community

The following table identifies our standing committees and their members as of June 30, 2016. All members of each committee are independent in accordance with the listing standards of the NASDAQ Stock Market.

Audit Committee

The Board of Directors has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, as amended. The Audit Committee is responsible for reviewing the following: the

integrity of the financial reports and other financial information provided by the Company to any governmental body or the public, including any certification, report, opinion or review performed by the Company's independent registered public accounting firm; the Company's compliance with legal and regulatory requirements; the independent registered public accounting firm's qualifications and independence; the performance of the Company's internal audit functions, its independent registered public accounting firm and system of internal controls and disclosure procedures regarding finance, accounting, legal compliance and ethics that management and the Board has established; the Company's auditing, accounting and financial reporting processes generally; and the preparation of information required by the Securities and Exchange Commission rules to be included in the Company's annual proxy statement. The Audit Committee meets periodically with the independent registered public accountants and management to review accounting, auditing, internal control structure and financial reporting and compliance matters. The Board of Directors has determined that Mr. Strzynski is an audit committee financial expert under the rules of the SEC. The Audit Committee acts under a written charter adopted by the Board of Directors, a copy of which is available free of charge at *About Us—Corporate Governance* on our website at www.bankucb.com, and is available in print to any stockholder who requests a copy.

Compensation Committee

The Compensation Committee is responsible for all matters regarding the Company's and the Bank's employee compensation and benefit programs. The Compensation Committee reviews all compensation components for the Company's Chief Executive Officer and other executive officers' compensation including base salary, annual incentive, long-term incentives/equity, benefits and other perquisites. In addition to reviewing competitive market values, the Compensation Committee also examines the total compensation mix, pay-for-performance relationship, and how all elements, in the aggregate, comprise each executive's total compensation package. Our Chief Executive Officer develops recommendations for the Compensation Committee regarding the appropriate range of annual salary increases of our employees. Our Chief Executive Officer does not participate in Compensation Committee discussions or the review of Compensation Committee documents relating to the determination of his compensation. The Compensation Committee operates under a written charter, a copy of which is available free of charge at *About Us—Corporate Governance* on our website at www.bankucb.com, and is available in print to any stockholder who requests a copy.

The Compensation Committee did not engage a compensation consultant during 2016. However, during 2015, the Compensation Committee engaged Blanchard Consulting Group, Inc., to assist the Compensation Committee in developing compensation programs that support our business strategy and compensation philosophy. In 2015, Blanchard prepared a review of the executive management compensation and worked with the Compensation Committee to create an annual incentive plan that reflected the Company's demographics, management structure and business strategy. While in 2015 the Compensation Committee considered input from our compensation consultant when making compensation decisions, the Committee's final decisions reflect many factors and considerations. The Compensation Committee reviewed its relationship with Blanchard in 2015 and considered all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934 and determined that the work performed by Blanchard does not raise a conflict of interest.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee takes a leadership role in shaping governance policies and practices, including recommending to the Board of Directors the corporate governance policies and guidelines applicable to United Community and monitoring compliance with these policies and guidelines. In addition, the Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to become Board members and recommending to the Board the director nominees for election at the next annual meeting of stockholders. It leads the Board in its annual review of the Board's performance and recommends director candidates for each committee for appointment by the Board. The Nominating and Corporate Governance Committee acts under a written charter adopted by the Board of Directors, a copy of which is available free of charge at *About Us—Corporate Governance* on our website at www.bankucb.com, and is available in print to any stockholder who requests a copy.

Minimum Qualifications. The Nominating and Corporate Governance Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the Board of Directors. First, a candidate must meet the eligibility requirements set forth in United Community Bancorp's Bylaws, which include a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any board or committee governing documents.

The Nominating and Corporate Governance Committee seeks to create a Board that is strong in its collective knowledge and has a diversity of skills and experience with respect to accounting and finance, management and leadership, vision and strategy, business operations, business judgment, industry knowledge and corporate governance. The Nominating and Corporate Governance Committee will consider the following criteria in selecting nominees: financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to United Community Bancorp and its stockholders; independence; and any other factors the Nominating and Corporate Governance Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

In addition, before nominating an existing director for re-election to the Board of Directors, the Nominating and Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance; length of Board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Director Nomination Process. The process that the Nominating and Corporate Governance Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating and Corporate Governance Committee relies on personal contacts of committee members and other members of the Board of Directors as well as its knowledge of members of United Community Bank's local communities. The Nominating and Corporate Governance Committee will also consider director candidates recommended by stockholders in accordance with the policy and procedures set forth below. The Nominating and Corporate Governance Committee has not used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating and Corporate Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. In addition, the Nominating and Corporate Governance Committee will conduct a check of the individual's background and interview the candidate.

Consideration of Recommendations by Stockholders. It is the policy of the Nominating and Corporate Governance Committee of the Board of Directors of United Community Bancorp to consider director candidates recommended by stockholders who appear to be qualified to serve on United Community Bancorp's Board of Directors. The Nominating and Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating and Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nominating and Corporate Governance Committee's resources, the Nominating and Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders. To submit a recommendation of a director candidate to the Nominating and Corporate Governance Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Nominating and Corporate Governance Committee, care of the Corporate Secretary, at the main office of United Community Bancorp:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. As to the stockholder making the recommendation, the name and address, as they appear on United Community Bancorp's books, of such stockholder; provided, however, that if the stockholder is not a registered holder of United Community Bancorp's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of United Community Bancorp's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at United Community Bancorp's annual meeting of stockholders, the recommendation must be received by the Nominating and Corporate Governance Committee at least 120 calendar days before the date United Community Bancorp's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Director Compensation

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the board of directors. In addition, the Company offers health and life insurance benefits. The Company's compensation and benefits programs are designed to compensate directors fairly for their Board and committee service and align the directors' interests with the long-term interests of stockholders. The following table sets forth the value of the compensation and benefits received by our non-employee directors for their board service during fiscal 2016.

Annual retainer for United Community Bank	\$14,800
Annual fee for service on committees of United Community Bank	\$5,200

Directors Retirement Plan. The Bank sponsors a directors retirement plan for the purpose of providing eligible directors with a cash benefit upon retirement. Under the plan, a non-employee director who has completed at least three years of service with the Bank and has attained the designated “benefit age” (ranging from age 72 years to age 80 years and 9 months) set forth in an individual agreement under the plan will receive a retirement benefit of \$20,000 per year for ten years, payable in bi-weekly installments. A participating director may also receive an early retirement benefit upon termination of service following completion of at least three years of participation in the plan and attainment of age 65. The early retirement benefit equals \$10,000 per year for ten years upon retirement after age 65 but before age 68, or \$15,000 per year for ten years upon retirement after age 68 but before the designated benefit age. Upon the death of a director who has begun receiving benefits under the plan, the Bank will pay any remaining benefits to the director’s designated beneficiary. If the director dies while still in service as a director of the Bank, the Bank will pay the director’s beneficiary the survivor benefit set forth in the director’s individual joinder agreement under the plan. Upon termination of service in connection with a change in control, a participating director becomes entitled to the same retirement benefit the director would have received if the director remained in service until reaching the director’s designated benefit age, payable over a ten-year period. The plan also provides that the Board may approve a disability benefit equal to the actuarially-determined annuitized value of a director’s benefit under the plan upon a termination of service due to disability. In addition to the above benefits, the plan provides the director’s beneficiary with a separate lump sum benefit of \$10,000 for the payment of funeral expenses. Michael McLaughlin will expire on June 30, 2018 and the employment agreements with James W. Kittle and Vicki A. March will expire on June 30, 2017.

In addition to base salary, the employment agreements provide for, among other things, eligibility to participate in the Company equity incentive plans, Bank retirement plans and other fringe benefits. Current base salaries for Elmer G. McLaughlin, W. Michael McLaughlin, James W. Kittle and Vicki A. March are \$197,000, \$139,605, \$127,050 and \$110,528, respectively. The employment agreements provide that the contracted executives’ base salary will be reviewed by the Bank and the Company periodically.

The employment agreements provide that the Company or the Bank will pay or reimburse the executives for reasonable costs and legal fees resulting from any dispute or question of interpretation of the employment agreements, provided the executive is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that the Company or the Bank will indemnify the executives to the fullest extent legally allowable.

The employment agreements provide certain severance payments and benefits continuation upon involuntary termination of employment or voluntary termination for good reason. In no event will severance benefits be paid under the employment agreements if an executive is terminated for cause. If the Company or the Bank terminates an executive’s employment for reasons other than cause or in connection with a change in control, the executive or, upon the executive’s death, his or her beneficiary, will receive a lump sum cash payment equivalent to the executive’s base salary for the remaining term of the agreement, plus the value of the cash bonus paid to the executive during the 12-month period preceding termination of employment. The executive will also receive continued health, life, disability and other benefits through the earlier of the agreement expiration date or coverage by another employer. As a condition to receiving the severance payment, the executives must sign a general release of claims. Upon the executive’s death during the agreement term, the agreement will automatically expire and the executive’s estate will receive the salary the executive would have received through the last day of the third month following the month in which he died.

The employment agreements provide that if the executive voluntarily terminates employment without written consent of the Company or the Bank, other than with “good reason” in connection with a change in control (as defined in the agreement), the executive shall not engage in competition with the Company or the Bank within Dearborn County or within 30 miles of the principal business of the Company or the Bank for the remaining term of the executive’s agreement.

Upon the executive’s involuntary termination or constructive termination (*i.e.*, a voluntary termination with “good reason,” under circumstances described in the agreement) within one year following a change in control, the executive will receive an amount equal to the product of 2.99 and the executive’s “base amount,” as defined under Internal Revenue Code Section 280G. Under Internal Revenue Code Section 280G, the base amount equals the executive’s average annual taxable compensation over the five taxable years preceding the year in which the change in control occurs. The executive will also receive continued coverage under all health, life, disability and other benefit plans until the earlier of the expiration of the agreement term or the date the executive becomes covered under another employer’s benefit plans.

Internal Revenue Code Section 280G provides that severance payments that equal or exceed three times an individual’s base amount are deemed to be “excess parachute payments” if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and the employer may not deduct the payments in excess of the base amount. The employment agreements limit payments made to the executives in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

Supplemental Executive Retirement Plan

The Bank maintains a supplemental executive retirement plan which provides participants with retirement benefits that cannot be provided under the 401(k) Plan and/or the ESOP as a result of limitations imposed by the Internal Revenue Code, but that would have been provided under the plans, but for the Internal Revenue Code limitations. In addition to providing benefits that would otherwise be lost as a result of the Internal Revenue Code limitations on tax-qualified plans, the supplemental executive retirement plan also provides supplemental benefits upon a change in control before the scheduled repayment of the ESOP loan. Elmer G. McLaughlin currently participates in the supplemental executive retirement plan.

Executive Supplemental Retirement Income Agreements

The Company has entered into Executive Supplemental Retirement Income Agreements with Elmer G. McLaughlin, W. Michael McLaughlin, James W. Kittle and Vicki A. March for the purpose of providing the executives with additional compensation for 180 months following the executive's retirement or other termination of service. The Bank established an irrevocable trust in connection with each arrangement. The trusts are funded with contributions from the Bank for the purpose of meeting the Bank's obligations under the Executive Supplemental Retirement Income Agreements. The respective trust assets are beneficially owned by each individual with an Executive Supplemental Retirement Income Agreement and, thus, each individual recognizes taxable income with respect to contributions made to the trust. See "*Executive Compensation Table – All Other Compensation.*" The Bank reimburses the executives each year for income taxes paid by the executives with respect to trust contributions. Earnings on the trust's assets are taxable to those individuals who maintain an Executive Supplemental Retirement Income Agreement with the Bank.

The Executive Supplemental Retirement Income Agreements require the executives to adhere to a non-competition agreement following termination of employment. In the event an executive breaches the non-competition agreement all payments under the Executive Supplemental Retirement Income Agreement will cease.

Equity Incentive Plans

The Company maintains the United Community Bancorp 2006 Equity Incentive Plan and the 2014 Equity Incentive Plan. Under the terms of both plans if a named executive officer voluntarily terminates his or her employment with the Bank all unvested stock options and/or restricted stock awards are forfeited, unless otherwise determined by the Board of Directors at the time of grant. Further in the event of a change in control (as defined in the plans) all outstanding and unvested stock options and restricted stock awards will vest.

OTHER INFORMATION RELATING TO

Directors and Executive Officers

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% stockholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on the Company's review of copies of the reports it has received and written representations provided to it from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in United Community common stock during the year ended June 30, 2016.

Policies and Procedures for Approval of Related Persons Transactions

United Community Bancorp maintains a Policy and Procedures Governing Related Person Transactions, which is a written policy and set of procedures for the review and approval or ratification of transactions involving related persons. Under the policy, related persons consist of directors, director nominees, executive officers, persons or entities known to us to be the beneficial owner of more than five percent of any outstanding class of voting securities of the Company or the immediate family members or certain affiliated entities of any of the foregoing persons.

Transactions covered by the policy consist of any financial transaction, arrangement or relationship or series of similar transactions, arrangements or relationships, in which:

- the aggregate amount involved will or may be expected to exceed \$25,000 in any calendar year;
- United Community Bancorp is, will, or may be expected to be a participant; and

any related person has or will have a direct or indirect material interest.

The policy excludes certain transactions, including:

any compensation paid to an executive officer of United Community Bancorp if the Compensation Committee of the board approved (or recommended that the board approve) such compensation;

any compensation paid to a director of United Community Bancorp if the board or an authorized committee of the board approved such compensation; and

any transaction with a related person involving consumer and investor financial products and services provided in the ordinary course of United Community Bancorp's business and on substantially the same terms as those prevailing at the time for comparable services provided to unrelated third parties or to United Community Bancorp's employees on a broad basis (and, in the case of loans, in compliance with the Sarbanes-Oxley Act of 2002).

Related person transactions will be approved or ratified by the Audit Committee. In determining whether to approve or ratify a related person transaction, the Audit Committee will consider all relevant factors, including:

whether the terms of the proposed transaction are at least as favorable to United Community Bancorp as those that might be achieved with an unaffiliated third party;

the size of the transaction and the amount of consideration payable to the related person;

the nature of the interest of the related person;

whether the transaction may involve a conflict of interest; and

whether the transaction involves the provision of goods and services to United Community Bancorp that are available from unaffiliated third parties.

A member of the Audit Committee who has an interest in the transaction will abstain from voting on approval of the transaction, but may, if so requested by the chair of the Audit Committee, participate in some or all of the discussion.

Certain Relationships and Related Transactions

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits loans by United Community Bancorp to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by United Community Bank to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. United Community Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees. Notwithstanding this rule, federal regulations permit United Community Bank to make loans to executive officers and

directors at reduced interest rates if the loan is made under a benefit program generally available to all other employees and does not give preference to any executive officer or director over any other employee.

Pursuant to the Audit Committee Charter, the Audit Committee periodically reviews for approval all of United Community Bancorp's and United Community Bank's transactions with directors and executive officers of United Community Bancorp and with firms that employ directors, as well as any other related person transactions, for the purpose of recommending to the disinterested members of the Board of Directors that the transactions are fair, reasonable and within company policy and should be ratified and approved. In accordance with banking regulations and its policy, the Board of Directors also reviews all loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, exceed the greater of \$25,000 or 5% of United Community Bank's capital and surplus (up to a maximum of \$500,000) and such loan must be approved in advance by a majority of the disinterested members of the Board of Directors. Additionally, pursuant to the Code of Ethics and Business Conduct, all executive officers and directors of United Community Bank must disclose any existing or potential conflicts of interest to the Chief Executive Officer of United Community Bank. Such potential conflicts of interest include, but are not limited to, the following: (i) the Bank conducting business with or competing against an organization in which a family member of an executive officer or director has an ownership or employment interest and (ii) the ownership of more than 5% of the outstanding securities or 5% of total assets of any business entity that does business with or is in competition with United Community Bank.

The aggregate amount of loans granted by United Community Bank to its executive officers and directors was \$1,590,283 million at June 30, 2016, or approximately 2.24% of stockholders' equity. These loans were performing according to their original terms at June 30, 2016.

United Community Bank has an employee loan program whereby employees, including executive officers, and directors, may obtain loans with preferential interest rates compared to those prevailing at the time for comparable loans with persons not related to United Community Bank.

The following information is furnished for outstanding loans made by United Community Bank to related persons (directors, executive officers and their immediate family members) under the United Community Bank employee loan program as of June 30, 2016:

Other Transactions. Ewbank & Kramer LLP of Lawrenceburg, Indiana, of which Robert J. Ewbank is a partner, performs legal services for the Bank. Mr. Ewbank is also President and owner of Ewbank Land Title, Inc., which performs title searches and provides title insurance for loans that the Bank originates. Mr. Ewbank's wife is the owner of Working Environments, Inc., which provides the Bank with interior design and decorating services for its offices. In fiscal 2016, the United Community Bank paid \$57,835 in legal fees to Ewbank & Kramer LLP and \$61,437 to Working Environments, Inc. for interior design and decorating services including furnishings for United Community Bank's offices. Ewbank Land and Title, Inc. performs title search services and provides title insurance for some of United Community Bank's real estate loans. The cost of these services is primarily the responsibility of United Community Bank's borrowers, with the fees being collected by United Community Bank from the borrower when a loan is closed. In fiscal 2016, the amount of fees paid for such services to Ewbank Land and Title, Inc. was \$318,553, of which United Community Bank paid \$128,984. We believe that the fees paid to Ewbank & Kramer LLP, Ewbank Land Title, Inc. and Working Environments, Inc. were based on normal terms and conditions as would apply to unaffiliated clients of those firms. There are no other transactions or series of similar transactions between United Community Bank and any director or executive officer in which the amount involved exceeds \$120,000 since the beginning of United Community Bank's last fiscal year, or which are currently proposed.
