Converium Holding Ltd, Zug

Zug, Switzerland - April 26, 2007 - Converium notes the result of SCOR's

## Edgar Filing: CONVERIUM HOLDING AG - Form 6-K

Extraordinary General Meeting and reiterates its opposition to the hostile takeover bid

The Board of Directors of Converium notes that SCOR shareholders today approved a capital increase arranged to fund the French reinsurer's hostile bid for Converium.

Markus Dennler, Chairman of Converium's Board of Directors, comments: "Given the strength of Converium's franchise, today's decision by SCOR's shareholders to vote in favour of the fourth capital increase since 2004 is unsurprising. The decision by SCOR shareholders, however, in no way alters our opposition to the hostile bid, which fundamentally undervalues the Company. Converium, therefore, urges its shareholders to reject the SCOR offer. The Board of Directors will continue to explore all options in order to maximize value for its stakeholders, while also protecting the interests of all our employees."

SCOR's hostile approach is unprecedented in the reinsurance industry and carries significant integration risks: its hostility may trigger an exodus at every level of senior management, underwriters and other valuable specialists. Converium's Zurich-based Employee Commission states: "The vast majority of Converium employees are concerned about the hostile takeover bid by SCOR. There is considerable anxiety of widespread potential job losses."

Converium highlights the Swiss Takeover Board's decision of Friday, April 20, 2007, to postpone the commencement of the offer period for Converium. The Swiss Takeover Board indicated that SCOR's unsolicited tender offer must apply to all of Converium's listed stakeholdings and that none of Converium's shareholders can be excluded from SCOR's unsolicited tender offer. Converium welcomes the Swiss Takeover Board's statement embracing the principle of equal treatment for all shareholders and that SCOR must accept all shares which are tendered in connection with SCOR's unsolicited tender offer.

Converium's Board of Directors urges its shareholders to reject SCOR's offer and support a team which has proven its ability to drive the business forward. It is a choice which favours certainty over considerable business, execution and integration risks and a choice that preserves value.
