Allianz initiates squeeze-out procedure on AGF

Following the announcement of the French stock market authority Autorite des Marches Financiers (AMF) on April 27, 2007 that minority shareholders held less than 5% of the shares and voting rights of AGF as a result of the tender offer, Allianz SE and its subsidiary Allianz Holding France SAS have now confirmed that a squeeze-out will be launched on AGF's shares still held by minority shareholders.

Subject to review and prior authorization by the French AMF, the squeeze-out will be implemented on the basis of a price of EUR 125.00 in cash per AGF share. This consideration, together with the 2006 AGF dividend of EUR 4.25 - which is subject to approval by the AGF shareholders' meeting this afternoon - will amount to EUR 129.25. This is in line with the value of the consideration
