

**Item 1.01 Entry into a Material Definitive Agreement.**

On December 7, 2010, Geron Corporation (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with J.P. Morgan Securities LLC and Lazard Capital Markets LLC as representatives of the several underwriters (collectively, the “Underwriters”), relating to an underwritten public offering, issuance and sale of 17,391,305 shares (the “Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), at a public offering price of \$5.00 per share. The estimated gross public offering proceeds will be approximately \$87.0 million. The Company expects the net proceeds from the sale of the Shares to be approximately \$81.2 million, after deducting underwriting discounts and commissions and estimated offering expenses, assuming no exercise by the Underwriters of their 30-day over-allotment option, which the Company granted to the Underwriters under the terms of the Underwriting Agreement, for the purchase of up to an additional 2,608,695 shares of Common Stock to cover over-allotments, if any. The offering is expected to close on or about December 10, 2010, subject to customary closing conditions contained in the Underwriting Agreement. J.P. Morgan Securities LLC and Lazard Capital Markets LLC are acting as joint book-running managers for the offering. Rodman & Renshaw, LLC, Roth Capital Partners, LLC and WBB Securities, LLC are acting as co-managers of the offering.

The Company intends to use the net proceeds from this offering for research and development, including clinical trials for its product candidates, clinical development of product candidates it has in-licensed and for general corporate purposes.

The offering is being made pursuant to the Company’s shelf registration statement on Form S-3 filed with the Securities and Exchange Commission on July 9, 2009, which became effective on July 22, 2009 (Registration Statement No. 333-160498) and a preliminary and final prospectus supplement thereunder.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Underwriting Agreement. A copy of the Underwriting Agreement is attached as Exhibit 1.1 and is incorporated herein by reference, and the foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such exhibit.
