Item 8.01 Other Events

On November 17, 2011, GameStop Corp. announced that its Board of Directors has authorized \$500 million in additional repurchase funds which will be used in the Company’s share repurchase plan and/or to retire the Company’s Senior Notes (the “Notes”) due 2012. This program replaces the \$500 million stock repurchase plan announced in February 2011, which had approximately \$180 million remaining at the time of the new authorization. A copy of the press release is attached hereto as Exhibit 99.1.

Under the repurchase program, the Company may purchase the Notes and/or shares of issued and outstanding Class A Common Stock, par value \$0.001 per share, through open market purchases, debt calls or privately negotiated transactions in compliance with Securities and Exchange Commission regulations and other legal requirements. The timing and actual amount of debt or share repurchases will depend on several factors including price, capital availability and other market conditions. This repurchase program does not have any specific limitations and may be suspended or terminated at any time.

In furtherance of the new repurchase program, on November 15, 2011, at the direction of the Company, Wilmington Trust Company, the Trustee under the Indenture, dated September 28, 2005 (the “Indenture”), governing GameStop Corp.’s 8% Senior Notes due 2012, gave notice to the holders of the Notes that on December 16, 2011 (the “Redemption Date”), the Company will redeem all of the remaining Notes outstanding, in an aggregate principal amount of \$125 million, pursuant to the Indenture’s optional redemption provisions. The redemption price for the redeemed Notes will be 100% of the principal amount plus all accrued and unpaid interest to the Redemption Date.
