Item 4.01.

Changes in Registrant's Certifying Accountants.

On October 8, 2007, Saratoga Resources, Inc. (the Company) dismissed Robnett & Co., LP (R&C) as the Company's independent registered public accounting firm. On the same date, the Company appointed Malone & Bailey, PC (M&B) as the Company's new independent certifying accountants.

The decision to dismiss R&C and appoint M&B was recommended and approved by the Company's board of directors.

R&C's reports on the financial statements for the years ended December 31, 2006 and 2005 did not contain an adverse opinion or disclaimer, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the Company's two most recent fiscal years and any subsequent interim period preceding the dismissal of R&C, there were no disagreements with R&C on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s) if not resolved to the satisfaction of R&C, would have caused R&C to make reference to the subject matter of the disagreement(s) in connection with its report.

During the Company's two most recent fiscal years and any subsequent interim period preceding the dismissal of R&C, there have been no reportable events of the type required to be disclosed by Item 304(a)(1)(v) of Regulation S-K.

Prior to the engagement of M&B, the Company did not consult with such firm regarding the application of accounting principles to a specific completed or contemplated transaction, or any matter that was either the subject of a disagreement or a reportable event. The Company also did not consult with M&B regarding the type of audit opinion which might be rendered on the Company's financial statements and no oral or written report was provided by M&B.

The Company has provided R&C with a copy of the disclosures it is making in response to Item 304(a) of Regulation S-K. The Company has requested that R&C review the disclosure and furnish the Company with a letter addressed to the Commission stating whether it agrees with the statements made by the Company in response to Item 304(a) of Regulation S-B and, if not, stating the respects in which it does not agree. Such letter is filed as an exhibit to this Report.
