(e) **(1) 2006 Incentive Compensation Awards, 2007 Base Salaries, 2007 Target Incentive Opportunity Percentages, and 2007 Equity Awards.** Pursuant to the J. C. Penney Corporation, Inc. Management Incentive Compensation Program (“Incentive Program”), annual cash incentive compensation is awarded to eligible associates based upon the achievement of pre-set performance goals. For the Company’s “named executive officers” identified in the Summary Compensation Table of the Company’s Proxy Statement, incentive compensation payouts are based (i) 50% on total Company sales and operating profit from continuing operations, and (ii) 50% on the named executive officer’s individual performance. On March 9, 2007, the Human Resources and Compensation Committee of the Company’s Board of Directors (“Committee”) determined the Incentive Program payment amounts for fiscal 2006 for each of the Company’s named executive officers other than the Chairman and Chief Executive Officer (“CEO”), as set forth in the table below. The Committee also determined the 2007 base salaries, the 2007 target incentive opportunity percentages under the Incentive Program, and the 2007 equity awards for the Company’s named executive officers other than the CEO, which are also set forth in the table below. Each of these determinations will be discussed in the Compensation Discussion and Analysis section of the Company’s 2007 proxy statement, which will be filed with the Securities and Exchange Commission and posted on the Company’s website.

As previously reported in the Company’s Current Report on Form 8-K dated February 28, 2007, the 2006 Incentive Program payment amount and 2007 compensation arrangements for the CEO were determined by the independent members of the Board of Directors on February 28, 2007.
