The Company expects to report net sales of approximately \$37,000,000 for the fiscal year ended December 31, 2004, as compared to net sales of \$37,000,000 for the year ended December 31, 2003. The Company expects to report a net loss for the fiscal year ended December 31, 2004, as compared to net loss of \$566,047 for the fiscal year ended December 31, 2003. However, review of the Company's accounts and results for 2004 continues and, for that reason, it is not possible to make a reasonable estimate of the amount of such net loss at this time.
