Cautionary Statement Regarding Preliminary 2017 Financial Results

The preliminary 2017 financial results included in the presentation are preliminary, unaudited and subject to completion, and may change as a result of management’s review of results and other factors, including a wide variety of significant business, economic and competitive risks and uncertainties. Such preliminary results are subject to the closing of the fourth quarter and full year of 2017 and finalization of fourth quarter and full year financial and accounting procedures (which have yet to be performed) and should not be viewed as a substitute for our audited annual financial statements prepared in accordance with accounting principles generally accepted in the U.S. We caution you that the preliminary 2017 financial results are not guarantees of future performance or outcomes, and that actual results may differ materially from management’s current estimates. Factors that could cause actual results to differ from management’s current estimates are set forth in the Company’s filings with the Securities and Exchange Commission (the “SEC”). You should read this information together with the financial statements and the related notes and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” for prior periods included in the Company’s SEC filings. Neither our independent registered public accounting firm nor any other independent registered public accounting firm has audited, reviewed or compiled, examined or performed any procedures with respect to the preliminary 2017 financial results, nor have they expressed any opinion or any other form of assurance on the preliminary results.
