---

Except as set forth in Amendment No. 3 and above, the new Tranche B-2 Term Loans shall have identical terms as the existing Tranche B term loans and shall be otherwise subject to the provisions of the Credit Agreement.

#### Registration Rights Agreement

In connection with the Arysta Acquisition and the issuance of the Series B Convertible Preferred Stock (as defined below) to the Seller (as defined below), Platform entered into a registration rights agreement with the Seller dated the Closing Date (as defined below), pursuant to which Platform agreed to (i) file a registration statement with the SEC covering the resale of a maximum of 22,107,590 shares of common stock of Platform issuable upon conversion of the Series B Convertible Preferred Stock, as soon as reasonably practicable following the issuance of the Series B Convertible Preferred Stock, and (ii) use its commercially reasonable efforts to cause the SEC to declare such registration statement effective by not later than six months following the date of the registration rights agreement.

The foregoing summary of the registration rights agreement does not purport to be complete and is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached hereto as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

#### Amendment to Share Purchase Agreement

The information set forth under Item 2.01 of this Current Report on Form 8-K under “Amendment to Share Purchase Agreement” is hereby incorporated in this Item 1.01 by reference.

#### Item 2.01 Completion of Acquisition or Disposition of Assets.

##### Closing of the Arysta Acquisition

On February 13, 2015 (the “Closing Date”), Platform completed the previously announced acquisition of Arysta LifeScience Limited (“Arysta”), an Irish private limited company and a leading global provider of crop solutions, with expertise in agrochemical and biological products (the “Arysta Acquisition”), pursuant to a share purchase agreement (the “Share Purchase Agreement”) initially entered into with Nalozo S.à.r.l (the “Original Seller”) on October 20, 2014, as amended, for approximately \$3.51 billion, consisting of \$2.91 billion in cash, subject to working capital and other adjustments, and \$600 million of new Series B convertible preferred stock of Platform (the “Series B Convertible Preferred Stock”). Platform financed the Arysta Acquisition with the proceeds from available cash on hand, the offering of the Notes and the additional borrowings made under the Credit Agreement, as described under Item 1.01 above.

The Series B Convertible Preferred Stock may be converted into such number of shares of common stock of Platform as is determined by dividing a \$1,000 liquidation preference by a conversion price of \$27.14. Each share of Series B Convertible Preferred Stock that is not previously converted to common stock will be subject to automatic redemption on the first to occur of (a) October 20, 2016 (the “Maturity Date”) or (b) the occurrence of (i) a merger of Platform or a subsidiary of Platform where more than 50% of the voting power of the surviving corporation is held by persons other than the stockholders of Platform, (ii) the sale of all or substantially all of the assets or subsidiaries of Platform in a single transaction or series of related transactions or (iii) a bankruptcy or liquidation of Platform (each of clauses (i),

(ii) and (iii), a “Triggering Event”). The redemption price for each share of Series B Convertible Preferred Stock will be \$1,000, which must be paid in cash in the event of redemption upon a Triggering Event. The redemption price must be paid in shares of common stock (valued at \$27.14 per share) in the event of redemption at the Maturity Date.

However, Platform may not issue more than 22,107,590 shares of common stock in connection with a redemption at the Maturity Date. To the extent that the aggregate value of such 22,107,590 shares of common stock is less than \$600 million (based on a 10-day volume weighted average price), then, pursuant to the Share Purchase Agreement, such shortfall would be payable in cash by Platform as a purchase price adjustment.

---

The foregoing description of the Share Purchase Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Share Purchase Agreement, which was filed as Exhibit 2.1 to Platform's Current Report on Form 8-K filed with the SEC on October 21, 2014 and which is incorporated herein by reference.

The foregoing summary of the terms of the Series B Convertible Preferred Stock is not intended to be complete and is qualified in its entirety by reference to the full text of the Certificate of Designation (as defined under Item 5.03 below), which is attached hereto as Exhibit 3.1 and incorporated herein by reference.

#### Amendment to Share Purchase Agreement

In connection with the closing of the Arysta Acquisition, on February 11, 2015, the parties entered into an amendment to the Share Purchase Agreement (the "SPA Amendment") in order to give effect to, among other things, a restructuring pursuant to which the Original Seller transferred its equity interest in Arysta to Nalozo, L.P., an affiliate of the Original Seller (the "Seller") and the Seller assumed the obligations of the Original Seller under the Share Purchase Agreement.

The foregoing summary of the SPA Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of such SPA Amendment, a copy of which is attached as Exhibit 2.3 to this Current Report on Form 8-K and is incorporated herein by reference.

#### Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

#### Item 3.03 Material Modifications of Rights of Security Holders.

For so long as any shares of Series B Preferred Stock shall be outstanding, no dividend or distribution shall be declared or paid or set aside for payment on all or substantially all the outstanding shares of any other outstanding series of preferred stock, other than Platform's Series A preferred stock, or all or substantially all the outstanding shares of Platform's common stock without the prior vote or written consent of the holders of at least a majority of the shares of Series B Convertible Preferred Stock then outstanding, voting separately as a single class.

The holders of shares of Series B Preferred Stock have priority over the holders of shares of Platform's common stock in the event of any liquidation, dissolution or winding up of Platform. Upon the liquidation, dissolution or winding up, whether voluntary or involuntary, before any distribution or payment is made to the holders of Platform's common stock, the holders of shares of Series B Preferred Stock are entitled to be paid out of the assets of Platform an amount equal the stated value of their shares of Series B Preferred Stock, which is initially \$1,000 per share, plus any accrued but unpaid dividends.
