**PART III - NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

VeriFone Holdings, Inc. ("VeriFone" or the "Company") is unable to file its Annual Report on Form 10-K for the year ended October 31, 2008 within the prescribed time period without unreasonable effort and expense in light of the circumstances described below.

In the fourth quarter of its fiscal year ended October 31, 2008, the Company experienced lower revenue expectations in light of current operating performance and future operating expectations due to the uncertainty and turmoil in the global economy. As a result, in the fourth quarter of fiscal 2008, the Company recorded an estimated pre-tax charge for impairment of goodwill and related write-down to fair value of the net carrying value of intangible assets in its international segment. The Company is completing its determination of the implied fair value of the affected goodwill, including the related tax impact, for fiscal 2008. Due to the complexity of its impairment analysis, including the events and changes impacting the impairment analysis, the Company does not expect such impairment analysis to be completed within the prescribed time period for the filing of its Annual Report on Form 10-K.

Therefore, VeriFone is requesting an extension to file its Annual Report on Form 10-K in order to complete such impairment analysis. The Company anticipates that it will be able to complete its impairment analysis for fiscal 2008 and file its Annual Report on Form 10-K on or before January 14, 2009.
