**Item 8.01. Other Events**

Acquisition of the Energy Center I Building

On June 28, 2010, Wells Real Estate Investment Trust II, Inc. (the "Registrant") purchased one 13-story office building containing approximately 332,000 rentable square feet (the "Energy Center I Building") for approximately \$94.0 million, exclusive of closing costs. The Energy Center I Building is located on an approximate 5.1-acre parcel of land at 585 North Dairy Ashford Road, Houston, Texas. The Energy Center I Building was purchased from Principal Enhanced Property Fund, L.P., TC Houston, Inc., and TCH #2, Inc. (the "Seller"), which is not affiliated with the Registrant, its subsidiaries or Wells Capital, Inc. The acquisition was funded with net proceeds raised from the Registrant's ongoing public offering.

The Energy Center I Building, which was completed in 2008, is entirely leased to Foster Wheeler USA Corporation with a lease guaranty by Foster Wheeler AG ("FWLT"). Foster Wheeler is a global construction contractor offering full engineering, procurement and construction services. Foster Wheeler AG reported a net worth, as of March 31, 2010, of approximately \$863.0 million.

The Registrant does not intend to make significant renovations or improvements to the Energy Center I Building in the near term. Management of the Registrant believes that the Energy Center I Building is adequately insured.

Since the Energy Center I Building is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, management of the Registrant believes that the financial condition and results of operations of the guarantor, Foster Wheeler AG, is more relevant to investors than financial statements of the property acquired. Such summarized financial information for Foster Wheeler is attached hereto as Exhibit 99.1.
