Edgar Filing: FPL GROUP INC - Form 4

(1) Phantom Shares credited to an account for the reporting person pursuant to the FPL Group, Inc. Supplemental Pension Plan for Non-Employee Directors established in connection with termination of the FPL Group, Inc. Non-Employee Director Retirement Plan. Amount shown does not include previously reported cash dividends that would be payable on the Phantom Shares if the reporting person was the record holder of the number of shares of FPL Group, Inc. Common Stock equal to the Phantom Shares credited to the reporting person or previously reported interest on such dividends because such dividends and interest are not accounted for in Phantom Shares.

(2) Phantom Stock Units APPROXIMATE the number of phantom shares of FPL Group Common Stock attributable to phantom units credited to the reporting person's account under the FPL Group, Inc. Deferred Compensation Plan. Compensation deferred under the Plan is deemed to be invested in a number of unfunded theoretical units equal to the number of "units" which would have been credited if the deferred compensation had been invested in FPL Group's company stock fund in its Thrift Plan (the "Stock Fund"). The Stock Fund is accounted for in "units" of a unitized pool of stock and cash, with the value of each "unit" determined by reference to the closing price of FPL Group Common Stock on the New York Stock Exchange on any given date. PHANTOM STOCK UNITS REPORTED ABOVE ARE ESTIMATED based on the number of shares of FPL Group Common Stock in the Stock Fund represented by each "unit" of the Stock Fund on a given date, multiplied by the number of theoretical units credited to the reporting person upon a deferral or held at the end of the period. Accounts are payable only in cash at the end of the deferral period. This filing is not an admission that Phantom Stock Units or the theoretical units of the Stock Fund are derivative securities.

(3) Differences in holdings on any given date may result from varying percentages of cash and stock held in the Stock Fund on different dates.

(4) Credited as a "phantom" dividend on balance of phantom stock units in reporting person's account under the Director and Executive Compensation Deferral Plan. Compensation deferred under the Plan and "phantom" dividends thereon are deemed to be invested in theoretical units of common stock equal to the dollar amount deferred divided by the fair market value of one share of FPL Group, Inc. Common Stock. Accounts are payable only in cash at end of deferral period. This filing is not an admission that Deferred Compensation Stock Units are derivative securities.
