Item 1.01	Entry Into a Material Definitive Agreement
Item 2.03	Creation of a Direct Financial Obligation
Item 3.02	Unregistered Sales of Equity Securities

Effective March 15, 2012, the Registrant entered into an agreement ("the Agreement") with Tangiers Investors LP, ("Tangiers") pursuant to which the Company received \$75,000 as a loan from Tangiers. As the Agreement specifies, loan proceeds will only be used towards expenses related to the Registrant's mining projects.

The Agreement is structured as a \$37,500 Convertible Promissory Note with a maturity date of six (6) months from the Effective Date, and a \$37,500 Convertible Promissory Note with a maturity date of twelve (12) months from the Effective Date. Each Note is convertible into common stock, in whole or in part, at any time and from time to time before maturity at the option of the holder at a fixed price of \$0.09 per share, and each Note accrues interest at a rate equal to 9.9% per year. In addition, the Registrant has agreed to issue 500,000 5-year warrants at an exercise price of \$0.09.

The Agreement further specifies that there shall be no penalty for prepayment of the Notes, such that if the loan is repaid in cash before any conversion to stock occurs, the Notes will be deemed satisfied and retired.

The Notes and the warrant issuances referred to above (and the shares of common stock underlying them) are exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

The above described executed Notes and Warrants are attached hereto and incorporated by reference as Exhibit 10.1, 10.2, and 10.3.

The Registrant also reports that Ruby Development Company ("RDC") has agreed to extend the monthly mortgage payment reduction previously disclosed on Form 8-K filed with the Securities and Exchange Commission on January 5th, 2012, for an additional three months, which reduces the Registrant's monthly mortgage payments on the Ruby Mine property from \$85,000 per month to \$10,000 per month until June 30, 2012, or receipt by the Registrant of its expected funding through the federal EB-5 Program, whichever comes first. A full description of the Ruby Mine and the federal EB-5 program as it relates to project funding for the Ruby Mine is disclosed in the Company's Annual Report on Form 10-K, filed with the Securities and Exchange Commission on March 12, 2012.
