Forward-Looking Statements - Certain statements included in this report on Form  
6K are forward-looking statements which are made pursuant to the "safe harbor"  
provisions of the United States Private Securities Litigation Reform Act of

Edgar Filing: NORTH AMERICAN PALLADIUM LTD - Form 6-K

1995. They include estimates and statements that describe North American Palladium's future plans, objectives and goals, including words to the effect that the respective company or its management expects a stated condition or result to occur. When used herein, words such as "expect", "estimate", "will", "objectives" and other similar expressions are intended to identify forward-looking statements. In particular statements relating to the development and construction of a mine and the exploration programs and objectives are forward-looking statements. Such forward-looking statements involve inherent risks and uncertainties and are subject to factors, many of which are beyond control of the respective company that may cause actual results or performance to differ materially from those currently anticipated in such statements. Important factors that could cause actual results to differ materially from those expressed or implied by such forward-looking statements include among others fluctuations in grade, and geological or technical problems. For a more comprehensive review of risk factors, please refer to North American Palladium's most recent Annual Report under "Management's Discussion and Analysis of Financial Results" and Annual Information Form under "Risk Factors" on file with the U.S. Securities and Exchange Commission (the "SEC") and Canadian provincial securities regulatory authorities. North American Palladium disclaims any obligation to update or revise any forward-looking statements whether as a result of new information, events or otherwise. Readers are cautioned not to put undue reliance on these forward-looking statements.
