Yes No

Hanson announces acquisition in Florida, USA.

Hanson PLC, the international building materials company, today announces the recently completed one of the top two suppliers of concrete pavers in Florida, USA.

Commenting on this transaction, Alan Murray, Chief Executive of Hanson PLC, said: "Florida is a v US and this acquisition extends and complements our building products operations in that region. development plans for 2006 and the pipeline of additional acquisition opportunities remains promi

PaverModule

Edgar Filing: HANSON PLC - Form 6-K

PaverModule is one of Florida's leading suppliers of concrete pavers. Concrete pavers are interlocking and used in residential and commercial applications such as landscaping. PaverModule manufactures and distributes concrete pavers in Florida in a wide range of colours, textures and shapes. The company operates two plants in Fort Lauderdale, Florida and in Haines City, and employs approximately 170 people.

Acquisition of these operations extends Hanson's presence into a further growing line of building products. In addition, PaverModule complements Hanson's existing concrete pipe, concrete pre-cast products and other building products in Florida. Florida is one of the most attractive states in the US for medium term demand based on its growing population.

Richard Manning, President and CEO of Hanson Building Products North America, said: "PaverModule is a leading manufacturer operating in a strong market, and is an excellent fit with Hanson. We are delighted to have acquired this business."

PaverModule produced around 35,000 equivalent units of concrete pavers in the year ended December 31, 2006. The revenue was approximately US\$45 million, and the book value of the gross assets acquired was approximately US\$10 million.

Corporate development update

Hanson's acquisition spend to date in 2006 is approximately GBP60 million. This includes PaverModule and other acquisitions. PaverModule Manufacturing, which produces high quality terracotta clay and concrete products in Derbyshire, UK, has a market value of approximately GBP340 million on bolt-on acquisitions and will continue to pursue value adding transactions as part of its strategy.
