**BARCLAYS PLC**  
**Barclays Bank PLC Settlement with US Authorities**

Barclays has disclosed in annual results announcements, annual reports and accounts and Forms 20-F and other publicly available filings

since 2007 that it has been conducting an internal review of its conduct with respect to US Dollar payments made between 1 January 2000 and 31 July 2007 involving countries, persons and entities subject to US economic sanctions and that it has been reporting the results of that review to the US Authorities.

Barclays has announced today that it has reached settlements with the United States Department of Justice, the Manhattan District Attorney's Office, and the US Department Of Treasury's Office of Foreign Assets Control ("OFAC") (together the "US Authorities") in relation to the investigation by those agencies into compliance with US sanctions and US dollar payment practices. In addition, an Order to Cease and Desist has been issued upon consent by the Federal Reserve Bank of New York and the New York State Banking Department.

Barclays has agreed to pay a total penalty of US\$298 million and has entered into Deferred Prosecution Agreements covering a period of 24 months.

In conducting this investigation, Barclays worked closely and constructively with the US Authorities. The US Authorities have recognised Barclays substantial cooperation in the resolution.

Barclays is committed to the highest levels of integrity and regulatory compliance across all of its operations. Barclays has taken significant steps to enhance further its compliance programmes including:

.  
The further development and implementation of its Sanctions Policy which includes a prohibition of transactions with entities on the UN, EU, UK and US sanctions lists;

.  
Substantial investment in market-leading payment and customer screening technology; and

.  
The delivery of mandatory sanctions training for more than 100,000 staff around the world.

We have fully briefed other relevant regulators on this settlement. The Deferred Prosecution Agreements means that no further action will be taken against Barclays by the US Authorities if, as is Barclays intention, for the duration of the defined period it meets the conditions set down in its agreements with the US Authorities. Barclays does not anticipate any further regulatory actions relating to these issues.
