**Item 5. Other Events.**

On September 17, 2003, Nanogen, Inc. ( "Nanogen" ), entered into Securities Purchase Agreements (collectively, the "Agreements" ) with several accredited investors (collectively, the "Investors" ), pursuant to which Nanogen agreed to sell, and the Investors agreed to purchase, an aggregate 2,121,211 shares (the "Shares" ) of Nanogen's common stock, par value \$.001 per share (the "Common Stock" ), at a price of \$3.30 per share, together with five-year warrants to purchase an aggregate 424,243 shares of Common Stock at an exercise price of \$4.75 per share (the "Five Year Warrants" ), one-year warrants to purchase 530,305 shares of Common Stock at an exercise price of \$4.75 per share (the "One Year Warrants" ), and six-month warrants to purchase 1,103,032 shares of Common Stock at an exercise price of \$4.14 per share (the "Six Month Warrants" and collectively with the Five Year Warrants and the One Year Warrants, the "Warrants" ) for an aggregate purchase price of approximately \$7,000,000, in a private placement transaction (the "Financing" ). The Financing was completed on September 19, 2003.

Nanogen expects to use the net proceeds from the Financing for general working capital purposes. Nanogen has agreed to pay Seven Hills Merchant Bankers placement agent fees equal to 6% of the gross proceeds raised in the Financing through the sale of the Shares and the exercise of the Six Month Warrants and the One Year Warrants sold in the Financing.

All of the Warrants are exercisable immediately. Subject to certain exceptions, in the event that on or before September 18, 2005, Nanogen issues or sells, or is deemed to have issued or sold in accordance with the terms of the Five Year Warrants, any shares of Common Stock for no consideration (other than a stock split or stock dividend) or for consideration per share less than the exercise price of the Five Year Warrants as then in effect (a "Dilutive Issuance" ), then the exercise price of the Five Year Warrants will be adjusted to equal the consideration per share of Common Stock issued or sold or deemed to have been issued and sold in such Dilutive Issuance, provided that in no event shall such exercise price be adjusted to equal less than \$3.20 per share of Common Stock.

Nanogen also granted the Investors a right to participate in subsequent private offerings of its equity or equity equivalent securities undertaken by Nanogen for the purpose of raising capital (each, a "Subsequent Placement" ). The Investors' right of participation is limited to 35% in the aggregate of the total gross proceeds raised by Nanogen in each Subsequent Placement. The Investors' right of participation is subject to certain additional limitations and expires on September 17, 2004.

Nanogen has agreed to file a registration statement with the Securities and Exchange Commission within 15 business days after the closing of the Financing in order to register the resale of the Shares and the shares of Common Stock issuable upon exercise of the Warrants.

This summary description of the Financing described by the Agreements does not purport to be complete and is qualified in its entirety by reference to the form of the Agreements and the other documents and instruments that are filed as Exhibits hereto.

The press release issued by Nanogen on September 18, 2003 relating to the Financing is filed herewith as Exhibit 99.1.
