This Agreement has been duly and validly executed and delivered by the Seller, and constitutes the valid and legally binding obligation of the Seller, enforceable against him in accordance with its terms and conditions.

4.2. Consents. The Seller is not required give any notice to, make any filing, application or registration with, or obtain any authorization, consent, order, or approval of, or any waiver from any governmental agency or any other individual, partnership, corporation, limited liability company, association, joint stock company, trust, joint venture, unincorporated organization or any other business entity (a Person) in order to execute and deliver this Agreement or to consummate the transactions contemplated hereby, except for such notices, filings, applications, registrations, authorizations, consents, orders, approvals and waivers (if any) as have been obtained and except for such filings as the Seller may be required to make under Section 16 of the Securities Exchange Act of 1934, as amended (the Securities Exchange Act).

4.3. Noncontravention. 4.4. Shares. The Seller holds of record and owns beneficially the Shares, free and clear of any restrictions on transfer (other than restrictions under the Securities Act of 1933, as amended (the Securities Act) and state securities laws), taxes, security interests, pledges, liens, encumbrances, options, warrants, purchase rights, contracts, commitments, equities, claims, and demands. The Seller is not a party to any option, warrant, purchase right, or other contract or commitment that could require the Seller to sell, transfer, or otherwise dispose of any Shares (other than pursuant to this Agreement). The Company has all requisite power and authority to execute, deliver and perform its obligations under the Agreement, and the Agreement has been duly authorized and validly executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except as rights to indemnity and contribution may be limited by state or federal securities laws or the public policy underlying such laws, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or similar laws affecting creditors and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

5.2. Non-Contravention. The execution and delivery of the Agreement, the fulfillment of the terms of the Agreement and the consummation of the transactions contemplated thereby will not (a) materially conflict with or constitute a material violation of, or material default (with or without the giving of notice or the passage of time or both) under, (i) any material bond, debenture, note or other evidence of indebtedness, or under any material lease, indenture, mortgage, deed of trust, loan agreement, joint venture or other agreement or instrument to which the Company is a party or by which it or its properties are bound, (ii) the charter, by-laws or other organizational documents of the Company or any of its subsidiaries, or (iii) any law, administrative regulation, ordinance or order of any court or governmental agency, arbitration panel or authority applicable to the Company, any of its subsidiaries or their respective properties, or (b) result in the creation or imposition of any lien, encumbrance, claim, security interest or restriction whatsoever upon any of the material properties or assets of the Company or any of its subsidiaries or an acceleration of indebtedness pursuant to any obligation, agreement or condition contained in any material bond, debenture, note or any other evidence of indebtedness or any material indenture, mortgage, deed of trust or any other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject. To the Company's knowledge, no consent, approval, authorization or other order of, or registration, qualification or filing with, any regulatory body, administrative agency, self-regulatory organization, stock exchange or market, or other governmental body in the United States is required for the execution and delivery of the Agreement, other than such as have been made or obtained, and except for any securities filings required to be made under federal or state securities laws or the rules of the Nasdaq Stock Market.

To the Company's knowledge, the following documents complied in all material respects with the SEC's requirements as of their respective filing dates, and the information contained therein as of the date thereof did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein in light of the circumstances under where they were made not

misleading, except to the extent that information contained in any such document has been revised or superseded by a later filed SEC Document (as defined below):

(i) The Company's Proxy Statement for the 2003 Annual Meeting of Stockholders (the "Proxy Statement");

(ii) The Company's Annual Report on Form 10-K for the year ended December 31, 2002, as amended by Form 10-K, including the exhibits thereto (the "Form 10-K"); and

(iii) all other documents, including the exhibits thereto, filed by the Company with the SEC since December 31, 2002 pursuant to the reporting requirements of the Exchange Act (together with the Proxy Statement and the Form 10-K, the "SEC Documents").

To the Company's knowledge, the SEC Documents as of the date of their respective filings with the SEC, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

5.4. Capitalization. The current capitalization of the Company is set forth in the SEC Documents. Other than as disclosed in the SEC Documents, no other shares or options, warrants or other rights to acquire shares of capital stock of the Company or securities convertible into capital stock of the Company are outstanding. All outstanding shares of Common Stock are duly authorized, validly issued, fully paid and nonassessable, free from any liens or any other encumbrances created by the Company with respect to the issuance and delivery thereof and not subject to preemptive rights. Other than as disclosed in the SEC Documents, except as set forth above, there are no outstanding rights, options, warrants, preemptive rights, rights of first refusal agreements, commitments or similar rights for the purchase or acquisition from the Company or any of its Subsidiaries (the "Subsidiaries") of any securities of the Company or any of its Subsidiaries. Except as set forth in the SEC Documents, no holder of any of the securities of the Company has any rights (demand, piggyback or otherwise) to have such securities registered by reason of the intention to file, filing or effectiveness of a Registration Statement (as defined in Section 8.1 hereof).

5.5. Legal Proceeding. There is no material legal or governmental proceeding pending or, to the knowledge of the Company or any of its Subsidiaries, threatened to which the Company or any of its Subsidiaries or any of their respective officers or directors in their capacity as such officer or director is or may be a party or of which the business or property of the Company or any of its Subsidiaries is subject that is not disclosed in the SEC Documents. There is no action, suit, proceeding, inquiry or investigation before or by any court, public board or body (including, without limitation, the SEC) pending or, to the knowledge of the Company or any of its Subsidiaries, threatened against or affecting the Company wherein an unfavorable decision, ruling or finding could adversely affect the validity or enforceability of, or the authority or ability of the Company to perform its obligations under this Agreement.

5.6. No Violations. Neither the Company nor any of its Subsidiaries is in violation of its charter, bylaws, or other organizational document, or in violation of any law, administrative regulation, ordinance or order of any court or governmental agency, arbitration panel or authority applicable to the Company or any of its Subsidiaries, which violation, individually or in the aggregate, would be reasonably likely to have a material adverse effect on the business, operations, assets or prospects or financial condition of the Company and its Subsidiaries taken as a whole, or in default (and there exists no condition which, with or without the passage of time or giving of notice or both, would constitute a default) in any material respect

in the performance of any bond, debenture, note or any other evidence of indebtedness in any indenture, mortgage, deed of trust or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or by which the properties of the Company are bound, which would be reasonably likely to have a material adverse effect upon the business, operations, assets or prospects or financial condition of the Company and its Subsidiaries taken as a whole.

5.7. Intellectual Property. The Company and its Subsidiaries own or possess sufficient rights to use all patents, patent rights, trademarks, copyrights, licenses, inventions, trade secrets, trade names and know-how (collectively, Intellectual Property) that are necessary for the conduct of their respective businesses as now conducted except where the failure to currently own or possess would not have a material adverse effect on the financial condition or business of the Company and its Subsidiaries taken as a whole. Except as set forth in the SEC Documents, (i) neither the Company nor any of its Subsidiaries has received any notice in writing of, or has any knowledge of, any infringement of asserted rights of a third party with respect to any Intellectual Property that, individually or in the aggregate, would have a material adverse effect on the financial condition or business, operations, assets or prospects of the Company and its Subsidiaries taken as a whole and (ii) neither the Company nor any of its Subsidiaries has received any notice in writing of any infringement rights by a third party with respect to any Intellectual Property that, individually or in the aggregate, would have a material adverse effect upon the business, operations, assets or prospects or financial condition of the Company and its Subsidiaries taken as whole.

5.8. Financial Statements. The consolidated financial statements of the Company and its Subsidiaries and the related notes thereto included in the SEC Documents present fairly, in accordance with the rules and regulations of the SEC, the financial position of the Company as of the dates indicated, and the results of its operations and cash flows for the periods therein specified. Except as set forth in such financial statements, such financial statements (including the related notes) have been prepared in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods therein specified, subject, in the case of unaudited statements, to normal year-end adjustments.

5.9. No Material Adverse Change. Except as publicly disclosed in the SEC Documents, press releases or in other public disclosures as such term is defined in Section 101(e) of Regulation FD of the Exchange Act, since September 30, 2003 there has not been (i) any material adverse change in the financial condition, earnings or prospects of the Company or any of its Subsidiaries nor has any material adverse event occurred to the Company or any of its Subsidiaries, (ii) any obligation, direct or contingent, that is material to the Company and its Subsidiaries taken as a whole, incurred by the Company or any of its Subsidiaries, except obligations incurred in the ordinary course of business, (iii) any dividend or distribution of any kind declared, paid or made on the capital stock of the Company, or (iv) any loss or damage (whether or not insured) to the physical property of the Company or any of its Subsidiaries which has been sustained which has a material adverse effect on the condition (financial or otherwise), earnings, operations, business or business prospects of the Company and its Subsidiaries taken as a whole. Except as publicly disclosed in the SEC Documents, press releases or in other public disclosures as such term is defined in Section 101(e) of Regulation FD of the Exchange Act, since September 30, 2003, neither the Company nor any of its Subsidiaries has (i) sold, assigned, transferred, abandoned, mortgaged, pledged or subjected to lien any of its material properties, tangible or intangible, or rights under any material contract, permit, license, franchise or other agreement or (ii) waived or cancelled any indebtedness or other obligations owed to the Company or any of its Subsidiaries.

5.10. Nasdaq Listing. The Company's Common Stock is registered pursuant to Section 12(g) of the Securities Exchange Act and is listed on The Nasdaq Stock Market, Inc.

National Market (the Nasdaq National Market), and the Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act or de-listing the Common Stock from the Nasdaq National Market, nor to the Company's knowledge is the National Association of Securities Dealers, Inc. (NASD) currently contemplating terminating such listing. The Company and the Common Stock meet the criteria for continued listing and trading on the Nasdaq National Market.

5.11. No Manipulation of Stock. The Company has not taken any action designed to or that might reasonably be expected to cause or result in stabilization or manipulation of the price of the Common Stock to facilitate the sale or resale of the Shares.

5.12. S-3 Status. The Company meets the requirements for the use of Form S-3 for the registration of the resale of the Shares by the Buyer and will make good faith efforts to maintain S-3 status with the Securities and Exchange Commission (SEC) during the Registration Period (as defined in Section 8.1(c)).

5.13. Insurance. The Company and each of its Subsidiaries maintains insurance against loss or damage by fire or other casualty and such other insurance, including, but not limited to, product liability insurance, in such amounts and covering such risks as is reasonably adequate consistent with industry practice for the conduct of their respective businesses and the value of their respective properties.

5.14. Tax Matters. The Company and each of its Subsidiaries has filed all material federal, state, local and foreign income and franchise and other tax returns required to be filed by any jurisdiction to which it is subject and has paid all taxes due in accordance therewith, and no tax deficiency has been determined adversely to the Company or any of its Subsidiaries which has had (nor does the Company or any of its Subsidiaries have any knowledge of any tax deficiency which, if determined adversely to the Company or any of its Subsidiaries, would reasonably be expected to have) a material adverse effect on the financial condition or results of operations of the Company and its Subsidiaries taken as a whole.

6. Representations, Warranties and Covenants of the Buyer. The Buyer represents and warrants to, and covenants with, the Seller and the Company that the statements contained in this Section 6 are true as of the date of this Agreement and will be true as of the Closing Date as though made then and as though the Closing Date were substituted for the date of this Agreement throughout this Section 6:

6.1. The Buyer (a) is an accredited investor as defined in Regulation D under the Securities Act and the Buyer has the knowledge, sophistication and experience necessary to make, and is qualified to make decisions with respect to, investments in shares presenting an investment decision like that involved in the purchase of the Shares, including investments in securities issued by the Company and investments in comparable companies, and has requested, received, reviewed and considered all information it deemed relevant in making an informed decision to purchase the Shares; (b) is acquiring the number of Shares set forth on the signature page hereto for its own account for investment only and with no present intention of distributing any of such Shares in violation of the Securities Act nor does the Buyer have any arrangement or understanding with any other persons regarding the distribution of such Shares; (c) will not, directly or indirectly, offer, sell, pledge, transfer or otherwise dispose of (or solicit any offers to buy, purchase or otherwise acquire or take a pledge of) any of the Shares except in compliance with the Securities Act, applicable state securities laws and the respective rules and regulations promulgated thereunder; (d) has filled in all requested information on the signature page hereto for use in preparation of the Registration Statement (as defined in Section 8.1(a)) and the

answers thereto are true and correct as of the date hereof and will be true and correct as of the Closing Date; (e) will notify the Company promptly of any change in any of such information until such time as the Buyer has sold all of its Shares or until the Company is no longer required to keep the Registration Statement effective; and (f) has, in connection with its decision to purchase the Shares, relied only upon publicly available information and the representations and warranties of the Seller and the Company contained herein. The Buyer understands that its acquisition of the Shares has not been registered under the Securities Act or registered or qualified under any state securities law in reliance on specific exemptions therefrom, which exemptions may depend upon, among other things, the bona fide nature of the Buyer's investment intent as expressed herein.

6.2. The Buyer hereby covenants with the Company and the Seller not to make any sale of the Shares without complying with the provisions of this Agreement, including Section 8.2 hereof and, without effectively causing the prospectus delivery requirement under the Securities Act to be satisfied, if applicable, and the Buyer acknowledges that the certificates evidencing the Shares will be imprinted with a legend that prohibits their transfer except in accordance therewith. The Buyer acknowledges that there may occasionally be times when the Company, based on the advice of its counsel, determines that, subject to the limitations of Section 8.2, it must suspend the use of the Prospectus forming a part of the Registration Statement until such time as an amendment to the Registration Statement has been filed by the Company and declared effective by the SEC or until the Company has amended or supplemented such Prospectus.

6.3. The Buyer further represents and warrants to, and covenants with, the Seller and the Company that (a) the Buyer has full right, power, authority and capacity to enter into this Agreement and to consummate the transactions contemplated hereby and has taken all necessary action to authorize the execution, delivery and performance of this Agreement and (b) this Agreement constitutes a valid and binding obligation of the Buyer enforceable against the Buyer in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and except as the indemnification and contribution agreements of the Buyer herein may be legally unenforceable.

6.4. The Buyer is not required give any notice to, make any filing, application or registration with, or obtain any authorization, consent, order, or approval of, or any waiver from any person or entity in order to execute and deliver this Agreement or to consummate the transactions contemplated hereby, except for such notices, filings, applications, registrations, authorizations, consents, orders, approvals and waivers (if any) as have been obtained and except that for such filings as the Buyer may be required to make under Sections 13(d) and 16 of the Securities Exchange Act.

6.5. The Buyer will not, prior to the effectiveness of the Registration Statement, sell, offer to sell, solicit offers to buy, dispose of, loan, pledge or grant any right with respect to (collectively, a Disposition), the Common Stock of the Company in violation of the Securities Act, nor will Buyer engage in any hedging or other transaction which is designed to or could reasonably be expected to lead to or result in a Disposition of Common Stock of the Company by the Buyer or any other person or entity in violation of the Securities Act. Such prohibited hedging or other transactions would include without limitation effecting any short sale or having in effect any short position (whether or not such sale or position is against the box and regardless of when such position was entered into) or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to the Common Stock of the Company or with respect to any security (other than a broad-based market basket or index) that

includes, relates to or derives any significant part of its value from the Common Stock of the Company.

6.6. The Buyer understands that nothing in this Agreement or any other materials presented to the Buyer in connection with the purchase and sale of the Shares constitutes legal, tax or investment advice. The Buyer has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of Shares.

6.7. The Buyer represents and warrants that neither it, nor any of its affiliates (or any other third party acting on the instructions of the Buyer or its affiliates), have entered into any Short Sales (as hereinafter defined) or otherwise traded in the Common Stock or acted in a manner that could reasonably be expected to result in downward price pressure on the Common Stock following the receipt of any information or documents related to the sale of the Shares contemplated herein. For purposes of this Section 6.7, a Short Sale by the Buyer shall mean a sale of Common Stock by the Buyer that is marked as a short sale and that is made at a time when there is no equivalent offsetting long position in Common Stock held by the Buyer.

6.8. The Buyer acknowledges that (a) the Seller currently may have, or later may come into possession of, information with respect to the Shares or the Company that is not known to the Buyer and that may be material to a decision to buy the Shares (Buyer Excluded Information), (b) the Buyer has determined to buy the Shares notwithstanding its lack of knowledge of the Buyer Excluded Information, and (c) the Seller shall have no liability to the Buyer, and the Buyer hereby waives and releases any rights or claims that it might have against the Seller and waives and releases any duties that the Seller may owe to the Buyer, whether under applicable securities laws or otherwise, with respect to the nondisclosure of the Buyer Excluded Information in connection with the transactions contemplated hereby. The Buyer agrees to bear all risk of a decrease in the value or market price of the Shares after the date hereof and the loss of an economic opportunity by reason of being bound to this Agreement, regardless of the reason for such decrease (including, without limitation, those resulting from the Buyer Excluded Information or the actions of the Seller).

7. Survival of Representations, Warranties and Agreements. Notwithstanding any investigation made by any party to this Agreement, all covenants, agreements, representations and warranties made by the Seller, the Company and the Buyer herein shall survive the execution of this Agreement, the delivery to the Buyer of the Shares being purchased and the payment therefor.

8. Registration of the Shares: Compliance with the Securities Act.

8.1. Registration Procedures and Expenses. The Company shall:

(a) subject to receipt of necessary information from the Buyers, use commercially reasonable efforts to prepare and file with the SEC, as soon as reasonably practicable but in any event within 30 days after the Closing Date, a registration statement (the Registration Statement) on Form S-3 or such other registration statement to enable the resale of the Shares, which for purposes of Section 8, shall include the Penalty Shares (as defined below) by the Buyers on a delayed or continuous basis under Rule 415 of the Securities Act;

(b) use commercially reasonable efforts, subject to receipt of necessary information from the Buyers, to cause the Registration Statement to become effective as soon as reasonably practicable but in any event within 120 days after the Closing Date (with respect to this Section 8.1(b), the term commercially reasonable

efforts shall mean that the Company shall submit to the SEC, within two business days after the Company learns that no review of the Registration Statement will be made by the staff of the SEC or that the staff has no further comments on the Registration Statement, as the case may be, a request for acceleration of effectiveness of the Registration Statement to a time and date not later than 48 hours after the submission of such request);

(c) use commercially reasonable efforts to prepare and file with the SEC such amendments and supplements to the Registration Statement and the prospectus used in connection therewith (the Prospectus) and take all such other actions as may be necessary to keep the Registration Statement current and effective for a period (the Registration Period) not exceeding the earlier of (i) the second anniversary of the Closing Date, (ii) the date on which the Buyer may sell all Shares then held by the Buyer without restriction by the volume limitations of Rule 144(e) of the Securities Act, and (iii) such time as the Shares held by the Buyer have been sold;

(d) promptly furnish to the Buyer with respect to the Shares registered under the Registration Statement such number of copies of the Registration Statement and Prospectuses in conformity with the requirements of the Securities Act and such other documents as the Buyer may reasonably request, in order to facilitate the public sale or other disposition of all or any of the Shares by the Buyer;

(e) promptly take such action as may be necessary to qualify, or obtain, an exemption for the Shares under such of the state securities laws of United States jurisdictions as shall be necessary to qualify, or obtain an exemption for, the sale of the Shares in states specified in writing by the Buyer at least 15 days prior to the offering by Buyer of any Shares in such states; provided, however, that the Company shall not be required to qualify to do business or consent to service of process in any jurisdiction in which it is not now so qualified or has not so consented;

(f) advise the Buyer, within two business days by e-mail, fax or other type of communication, and, if requested by the Buyer, confirm such advice in writing: (i) after it shall receive notice or obtain knowledge of the issuance of any stop order by the SEC delaying or suspending the effectiveness of the Registration Statement or of the initiation or threat of any proceeding for that purpose, or any other order issued by any state securities commission or other regulatory authority suspending the qualification or exemption from qualification of such Shares under state securities or blue sky laws; and it will promptly use its best efforts to prevent the issuance of any stop order or other order or to obtain its withdrawal at the earliest possible moment if such stop order or other order should be issued; and (ii) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to the Registration Statement or any post-effective amendment thereto, when the same has become effective;

(g) otherwise use commercially reasonable efforts to comply in all material respects with all applicable rules and regulations of the SEC;

(h) use commercially reasonable efforts to take all other steps necessary to effect the registration of the Shares contemplated hereby; and

(i) The Company further agrees that, subject to the Company's right to cause a Suspension under Section 8.2 of this Agreement, in the event that the Registration Statement has not been declared effective by the SEC (i) in the event of a no review of the Registration Statement by the SEC, within 60 days after the Closing Date, or (ii) in the event the Registration Statement is reviewed by the SEC, within 90 days after the

Closing Date, unless in either case the failure to become effective is due to the fault of one or more Buyers (each such event referred to in clauses (i) and (ii), a (Registration Default), then for each 30-day period during which the Registration Default remains uncured (each such 30-day period constituting a Penalty Period), the Company shall issue shares to the Buyer equal to 1% of the Shares purchased by the Buyer at the Closing (the Penalty Shares). Notwithstanding the foregoing, the total number of Penalty Shares to be issued by the Registrant to the Buyer shall not exceed an amount greater than 24% of the number of Shares purchased by the Buyer at the Closing (adjusted appropriately for stock splits, stock dividends, recapitalization and the like with respect to the Common Stock).

To the extent that the Company has insufficient authorized but unissued shares available to pay such penalties, or such issuance would result in the Company being required under Nasdaq rules or other applicable rules to obtain the approval of the Company's stockholders, then the Company shall pay to the Buyer cash in lieu of shares, at a per share rate equal to the average closing price of the Common Stock for the ten (10) business days prior to the end of the Penalty Period. The Company shall deliver said shares or cash payment to the Buyer by the fifth business day after the end of each such Penalty Period. Notwithstanding anything to the contrary in Section 8.3 or any other provision of this Agreement, the issuance of the Shares or cash as provided in this Section 8.1(i) shall be the Buyer's sole and exclusive remedy in the event of any Registration Default; provided, however, that if the foregoing remedy is deemed unenforceable by a court of competent jurisdiction then the Buyer shall have all other remedies available at law or in equity.

(j) Prior to the Registration Statement being declared effective by the SEC and for a period of ninety (90) days thereafter, the Company shall not file any other registration statements with respect to any of its securities.

8.2. Transfer of Shares: Suspension.

(a) The Buyer agrees that it will not effect any Disposition of the Shares or its right to purchase the Shares that would constitute a sale within the meaning of the Securities Act except as contemplated in the Registration Statement referred to in Section 8.1 and as described below or otherwise in accordance with the Securities Act, and that it will promptly notify the Company of any changes in the information set forth in the Registration Statement regarding the Buyer.

(b) Except in the event that paragraph (c) below applies, the Company shall, at all times during the Registration Period, promptly (i) prepare and file from time to time with the SEC a post-effective amendment to the Registration Statement or a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and so that, as thereafter delivered to purchasers of the Shares being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) provide the Buyer copies of any documents filed pursuant to Section 8.2(b)(i); and (iii) inform each Buyer that the Company has complied

with its obligations in Section 8.2(b)(i) (or that, if the Company has filed a post-effective amendment to the Registration Statement which has not yet been declared effective, the Company will notify the Buyer to that effect, will use its commercially reasonable efforts to secure the effectiveness of such post-effective amendment as promptly as possible and will promptly notify the Buyer pursuant to Section 8.2(b)(i) hereof when the amendment has become effective).

(c) Subject to paragraph (d) below, in the event (i) of any request by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to a Registration Statement or related Prospectus or for additional information; (ii) of the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; or (iv) either before or after effectiveness of the Registration Statement, of any event or circumstance which necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or any omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; then the Company shall deliver a notice in writing to the Buyer (the Suspension Notice) to the effect of the foregoing and, upon receipt of such Suspension Notice, the Buyer will refrain from selling any Shares pursuant to the Registration Statement (a Suspension) until the Buyer's receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until it is advised in writing by the Company that the current Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its commercially reasonable efforts, consistent with the best interests of the Company and its stockholders, to cause the use of the Prospectus so suspended to be resumed as soon as reasonably practicable after the delivery of a Suspension Notice to the Buyer. In addition to and without limiting any other remedies (including, without limitation of law or in equity) available to the Buyer, the Buyer shall be entitled to specific performance in the event the Company fails to comply with the provisions of this Section 8.2(c).

(d) Notwithstanding the foregoing paragraphs of this Section 8.2, the Buyer shall not be prohibited from selling Shares under the Registration Statement as a result of Suspensions on more than two occasions (for two separate suspension events) of not more than 45 days each in any twelve month period. If the Buyer is prohibited from selling the Shares under the Registration Statement as a result of Suspensions on more than two occasions in any twelve-month period or for more than 45 days on any one occasion, it shall be deemed a Registration Default, and the Company shall issue Penalty Shares or cash, as the case may be, in accordance with the provisions of Section 8.1(i) based on the

aggregate purchase price of the Shares that have not been previously sold by the Buyer.

(e) Provided that a Suspension is not then in effect, the Buyer may sell Shares under the Registration Statement, provided that it arranges for delivery of a current Prospectus to the transferee of such Shares. Upon receipt of a request therefor, the Company has agreed to provide, at its own expense, an adequate number of current Prospectuses (including documents incorporated by reference therein) to the Buyer and to supply copies to any other parties requiring such Prospectuses.

(f) In the event of a sale of Shares by the Buyer under the Registration Statement, the Buyer must also deliver to the Company's transfer agent, with a copy to the Company, a Certificate of Subsequent Sale substantially in the form attached hereto as Exhibit D, so that such Shares may be properly transferred.

8.3. Indemnification. For the purpose of this Section 8.3:

(i) the term Selling Stockholder shall include the Buyer and any person controlling such Buyer and the shareholders, officers, directors, employees, agents and affiliates of Buyer;

(ii) the term Registration Statement shall include any final Prospectus, exhibit, supplement or amendment included in or relating to the Registration Statement referred to in Section 8.1; and

(iii) the term untrue statement shall include (1) any untrue statement or any omission to state in the Registration Statement a material fact required to be stated therein or necessary to make the statements therein not misleading and (2) any untrue statement or any omission to state in the Prospectus a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless each Selling Stockholder from and against any losses, claims, damages, liabilities or expenses to which such Selling Stockholder may become subject (under the Securities Act or otherwise) insofar as such losses, claims, damages, liabilities or expenses (or actions or proceedings in respect thereof) arise out of, or are based upon (i) any untrue statement of a material fact contained in the Registration Statement or Prospectus, (ii) any failure by the Company to fulfill any undertaking included in the Registration Statement, (iii) any breach of any representation, warranty or covenant made by the Company in this Agreement and (iv) any violation by the Company of the Securities Act, the Securities Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Shares pursuant to the Registration Statement, and the Company will promptly reimburse such Selling Stockholder for any reasonable legal or other expenses incurred in investigating, defending or preparing to defend, settling, compromising or paying any such action, proceeding or claim, provided, however, that the Company shall not be liable in any such case to the extent that such loss, claim, damage, liability or expense arises out of, or is based upon, an untrue statement made in such Registration Statement in reliance upon and in conformity with written information furnished to the Company by such Selling Stockholder specifically for use in preparation

of the Registration Statement or the failure of such Selling Stockholder to comply with its covenants and agreements contained in Sections 6.2 or 8.2 hereof respecting sale of the Shares or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Buyer prior to the pertinent sale or sales by the Selling Stockholder. Notwithstanding the foregoing, the Company shall not be liable to any Selling Stockholder for any consequential damages, including lost profits, with respect to losses, claims, damages, liabilities or expenses to which such Selling Stockholder may become subject arising out of, or based upon, any breach of any representation, warranty or covenant made by the Company in this Agreement.

(b) Indemnification by the Seller. The Seller agrees to indemnify and hold harmless each Selling Stockholder and the Company and its shareholders, officers, directors, employees, agents and affiliates (the Company Indemnitees) from and against any losses, claims, damages, liabilities or expenses to which such Selling Stockholder, the Company and the Company Indemnitees may become subject (under the Securities Act or otherwise) insofar as such losses, claims, damages, liabilities or expenses (or actions or proceedings in respect thereof) arise out of, or are based upon any breach of any representation, warranty or covenant made by the Seller in this Agreement or, any violation of the Securities Act, the Securities Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Shares and the Seller will promptly reimburse such parties for any reasonable legal or other expenses incurred in investigating, defending or preparing to defend, settling, compromising or paying any such action, proceeding or claim. Notwithstanding the foregoing, the Seller shall not be liable to any Selling Stockholder, the Company or the Company Indemnitees for any consequential damages, including lost profits, solely with respect to losses, claims, damages, liabilities or expenses to which such Selling Stockholder, the Company or the Company Indemnitees may become subject arising out of, or based upon, any breach of any representation, warranty or covenant made by the Seller in this Agreement.

(c) Indemnification by the Buyer. The Buyer agrees (severally and not jointly with any other Buyer) to indemnify and hold harmless the Seller, the Company and the Company Indemnitees from and against any losses, claims, damages, liabilities or expenses to which the Seller, the Company and the Company Indemnitees may become subject (under the Securities Act or otherwise), to the extent such losses, claims, damages, liabilities or expenses (or actions or proceedings in respect thereof) arise out of, or are based upon, (i) any breach of any representation, warranty or covenant made by the Buyer in this Agreement, including, but not limited to, any failure to comply with the covenants and agreements contained in Section 6.2 or 8.2 hereof respecting sale of the Shares, (ii) any untrue statement of a material fact contained in the Registration Statement if such untrue statement was made in reliance upon and in conformity with written information furnished by the Buyer for use in preparation of the Registration Statement or (iii) any violation of the Securities Act, the Securities Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Shares, and the Buyer will reimburse the Seller, the Company or the Company Indemnitees, as the case may be, for any reasonable legal or other expenses incurred in investigating, defending or preparing to defend, settling, compromising or paying any such action, proceeding or claim. Notwithstanding the foregoing, (x) the Buyer's aggregate liability pursuant to subsections (c)(ii) and (c)(iii) and subsection (e), as applicable, shall be limited to the net amount received by the Buyer from the sale of the Shares and (y) the Buyer shall not be liable to the Company, the Company Indemnitees, or the Seller for any consequential damages, including lost profits, solely with respect to losses, claims, damages, liabilities or expenses to which the Company (or any officer, director or controlling person as set forth

above) or Seller may become subject (under the Securities Act or otherwise), arising out of, or based upon, any breach of any representation, warranties or covenant made by the Buyer in this Agreement.

(d) Promptly after receipt by any indemnified person of a notice of a claim or the beginning of any action in respect of which indemnity is to be sought against an indemnifying person pursuant to this Section 8.3, such indemnified person shall notify the indemnifying person in writing of such claim or of the commencement of such action, but the omission to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 8.3 (except to the extent that such omission materially and adversely affects the indemnifying party's ability to defend such action) or from any liability otherwise than under this Section 8.3. Subject to the provisions hereinafter stated, in case any such action shall be brought against an indemnified person, the indemnifying person shall be entitled to participate therein, and, to the extent that it shall elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, shall be entitled to assume the defense thereof, with counsel reasonably satisfactory to such indemnified person. After notice from the indemnifying person to such indemnified person of its election to assume the defense thereof, such indemnifying person shall not be liable to such indemnified person for any legal expenses subsequently incurred by such indemnified person in connection with the defense thereof, provided further, however, that if there exists or shall exist a conflict of interest that would make it inappropriate, in the opinion of counsel to the indemnifying person, for the same counsel to represent both the indemnified person and such indemnifying person or any affiliate or associate thereof, the indemnified person shall be entitled to retain its own counsel at the expense of such indemnifying person; provided, however, that no indemnifying person shall be responsible for the fees and expenses of more than one separate counsel (together with appropriate local counsel) for all indemnified parties. In no event shall any indemnifying person be liable in respect of any amounts paid in settlement of any action unless the indemnifying person shall have approved the terms of such settlement; provided that such consent shall not be unreasonably withheld. No indemnifying person shall, without the prior written consent of the indemnified person, effect any settlement of any pending or threatened proceeding in respect of which any indemnified person is or could have been a party and indemnification could have been sought hereunder by such indemnified person, unless such settlement includes an unconditional release of such indemnified person from all liability on claims that are the subject matter of such proceeding.

(e) If the indemnification provided for in this Section 8.3 is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Company or the Seller on the one hand and the Buyer on the other in connection with the statements or omissions or other matters which resulted in such losses, claims, damages, liabilities or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, in the case of an untrue statement, whether the untrue statement relates to information supplied by the Company on the one hand or the Buyer on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement. The Seller, the Company and the Buyer agree that it would not be just and equitable if contribution pursuant to this subsection were determined by pro rata allocation (even if all Buyers were treated as one

entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to above in this subsection. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.
